Visits From the Drowned Girl Steven Sherrill, 2014-06-10 From the author of cult classic THE MINOTAUR TAKES A CIGARETTE BREAK comes a dark narrative that begs the question at what point do we become responsible for the things that we see Benny Poteat observes the world from above working hundreds of feet in the air repairing tension lines He s seen a lot of things from this vantage point but nothing can compare to watching a girl die She approaches the river that snakes far below him and walks purposefully into the rushing water never to reappear Startled at both what he s witnessed and his inability to prevent it what Benny does next will forever alter the course of his life He does nothing He gathers up the drowned girl s belongings and doesn t tell a soul what he saw Instead Benny visits the address on a business card he finds in the drowned girl s bag and slowly insinuates himself into the life she once lived But even as he immerses himself in her world he wonders What does it mean to watch someone die And what can explain his strange attraction to the drowned girl VISITS FROM THE DROWNED GIRL is an unforgettable tale about the seductive but ultimately pernicious nature of secrecy As Benny struggles to figure out what to do and who to tell his burden becomes unbearable and the secrets he keeps threaten to pull him under

The Palgrave Handbook of the Southern Gothic Susan Castillo Street, Charles L. Crow, 2016-07-26 This book examines Southern Gothic a term that describes some of the finest works of the American Imagination But what do Southern and Gothic mean and how are they related Traditionally seen as drawing on the tragedy of slavery and loss Southern Gothic is now a richer more complex subject Thirty five distinguished scholars explore the Southern Gothic under the categories of Poe and his Legacy Space and Place Race Gender and Sexuality and Monsters and Voodoo The essays examine slavery and the laws that supported it and stories of slaves who rebelled and those who escaped Also present are the often neglected issues of the Native American presence in the South socioeconomic class the distinctions among the several regions of the South same sex relationships and norms of gendered behaviour This handbook covers not only iconic figures of Southern literature but also other less well known writers and examines gothic imagery in film and in contemporary television programmes such as True Blood and True Detective

Tracking Classical Monsters in Popular Culture Liz Gloyd, 2020 What is it about ancient monsters that popular culture still finds so enthralling Why do the monsters of antiquity continue to stride across the modern world In this book the first in depth study of how post classical societies use the creatures from ancient myth Liz Gloyd reveals the trends behind how we have used monsters since the 1950s to the present day and considers why they have remained such a powerful presence in our shared cultural imagination She presents a new model for interpreting the extraordinary vitality that
