amazingly original and unexpected I loved every second of reading it Alexandra F 15 who has read The Book Thief The Hunger Games and Anna Karenina Note Entire series was updated in 2022 to make all point of views 3rd person we listened to readers who were confused with a mix of first and third person POVs Rayen awakened in a strange place called Albuquerque but had no memory of how she landed in a desert where she was captured While the authorities search for a way to identify her she s sent to an unusual institution where she s shocked to see real paper While stuck in a computer storage room with two arguing students a power inside Rayen manifests unexpectedly and opens a portal sending her and unlikely sidekicks to a place harboring a deadly secret that can destroy this world and the future All she wants is to regain her memory and go home The only person who can help her is a young elite fighter of the future who is trapped in a fantastical world where killing the enemy and surviving is all that matters With one impulsive action she believed would save a child she proves she is his enemy Micah Caida is a blend of two voices New York Times Bestseller Dianna Love and USA Today Bestseller Mary Buckham A breathtaking debut trilogy where Isaac Asimov meets Hunger Games Wonderfully written I ve never read anything like it Excellent Adam age 28 As the thrilling conclusion to the Red Moon series Time Lock does not disappoint and will leave you in awe perfection on paper Angela Catucci college student The last book in this trilogy blew my mind Drop the mic Walk away Goodreads
