The Prada Plan By Ashley Antoinette:

The Prada Plan Ashley Antoinette,2022-09-20 Disaya Morgan's infatuation with money knows no limits and she will do anything to get it. When she is accepted into a New York organization known as The Elite, she is under the impression that she will be a high paid model but soon realizes that she's stepped into a world of sex and lies. She is befriended by Leah, the headmistress of The Elite, and together they make more money than they can spend. Nothing is too erotic for the pair and Disaya soon finds herself knee deep in a world where no means yes and there is no way out. She meets Indie and falls hopelessly in love with him while she tries her hardest to keep her lifestyle a secret. But everything done in the dark eventually comes to light. When she loses control of her own hustle, things go horribly wrong and she learns the hard way that in the game she's playing, there are no winners.

The Prada Plan 2 Ashley Antoinette,2011-06-08 When you've been labeled crazy all of your life, it's easy to commit a murder and now street fiction's most infamous bad girl Leah Richards holds the fate of an entire family in her hands. After coming in second place to YaYa in the race to win Indie's affection, Leah decides that enough is enough and kidnaps the loving couple's baby girl. Playing a deadly game of cat and mouse, she turns their world upside down. They desperately fight to keep their daughter alive but there is more to her insanity than meets the eye. YaYa's world is falling apart and all she wants is to have her daughter back unharmed. After leaving her old lifestyle behind, she thought that she could start anew but old demons have surfaced and now she needs to form a Prada Plan more than ever to come out on top. When truths turn out to be lies and revenge is the motive for death, she doesn't know who to trust or where to turn. Will Leah kill baby Skylar? Will YaYa and Indie live happily ever after? Can Indie keep his reign over Houston without falling victim to the game? What happened to Leah to make her so insane? All of your questions will be answered in this heart pounding sequel.

The Prada Plan 5 Ashley Antoinette,2017-05-16 In this explosive addition to the New York Times bestselling series, Ashley Antoinette brings you pain, pleasure, love, hate as YaYa struggles to hold it all together before life blows up in her face. In *The Prada Plan 5*, Disaya finally has it all. The man she fought for is hers at last. Her name is Mrs. Indie Perkins and their daughter is safe. Leah is gone. Life is supposed to be good. So why isn't she satisfied? Why does life suddenly seem so bitter? YaYa's Prada Plan had worked but with the riches comes pain. She and Indie have grown apart and with Parker now a permanent fixture in their lives, Indie is pressured to juggle it all. But YaYa's patience is running thin. Indie is loving her wrong. Her life isn't what she wants. Her Prada Plan has changed and now it's time to pursue a plan B in order to get what she really wants.

The Prada Plan 3: Ashley Antoinette,2013-02-01 Leah has been trying for years to get rid of her competition and all her crazy scheming has finally paid off or so she thinks. Now that YaYa is out of the picture, she's ready to step into her shoes and have the life she always dreamed of. The scars that she earned in the fire almost seem worth it if they mean she'll finally be able to have all the money, the family, and most importantly, to have Indie's love to herself. There's only one problem: Disaya Morgan isn't dead. She survived the fire too and she's healing under the

watchful eye of one very powerful woman who's ready to help put YaYa on top. With her newfound connections YaYa could have Leah taken out with the snap of her fingers but that's not good enough for her. The only way YaYa can battle the demons that are still haunting her is to finish Leah off herself. YaYa is out for blood. There can only be one winner and these two are on a collision course that could send one of them straight to hell. Ashley Antoinette is back and better than ever with the third installment of *The Prada Plan* series. A case of mistaken identity left readers reeling at the end of part 2 but part 3 is a heart-pounding saga that will leave you breathless. **The Prada Plan 4** Ashley Antoinette, 2014-07-01. The feud between YaYa and Leah has ruined the lives of everyone around them. In *The Prada Plan 4* the animosity is alive and resentments run deeper than ever. Indie has watched YaYa's past destroy the woman he once knew and his patience has run thin. After being left at the altar he is heartbroken and confused. His quests to save YaYa from herself have failed and he finally decides that it's time to let the love of his life go. Her thirst for blood is unquenchable and like a black hole she sucks the life out of everything around her. If he doesn't cut his ties he knows that YaYa will cripple him and destroy their family in the process. Then he receives a phone call stating that YaYa is in trouble and his entire world crumbles at his feet. Who lives and who dies? Will YaYa's addiction to Leah stop her from living her happily ever after? Will the infamous bad girl Leah ever receive her karma? The final book of the *Prada Plan* series will leave readers breathless as they flip the pages trying to race to the finish. Ashley Antoinette is back and better than ever with this sexy street tale. **Luxe** Ashley Antoinette, 2016-08-02. Bleu Montclair knew as a young girl that she would one day escape the hard, unrelenting streets of Flint, Michigan, and when her desperate prayers are answered in the form of a scholarship to UCLA, she knows she's struck gold. But soon after she arrives there, all her beautiful dreams begin to fall apart. Endless temptations abound in the form of cars, clothes, booze, and drugs, and Bleu cannot keep up. When her roommate gives her the opportunity to make a lot of money fast, Bleu goes all in and heads straight down a path of violence and addiction that only her newest protector, Iman, can save her from. Iman is used to the fast, unpredictable, high-rolling life, and it's always been enough until he meets Bleu. He finally has something and someone to care for; that means more to him than all the money and power he could ever command. Love in the streets is never easy, and there is more than one way to get hurt. Praise for Ashley Antoinette: *Caution* will leave you breathless.
