## **The Midnight Mayor Matthew Swift 2 By Kate Griffin:**

**The Midnight Mayor** Kate Griffin, 2010-03-04 It is said that if the ravens ever leave the Tower of London then the Tower will crumble and the kingdom will fall. As it happens, that is not so far from the truth. One by one the magical wards that guard the city are failing. The London Wall defiled with cryptic graffiti, the ravens found dead at the Tower, the London Stone destroyed. This is not good news. This array of supernatural defences, a mix of international tourist attractions and forgotten urban legends, formed a formidable magical shield. Protection for the City of London against well, that is the question, isn't it? What could be so dangerous as to threaten an entire city? Against his better judgement, resurrected sorcerer Matthew Swift is about to find out. And if he is lucky, he might just live long enough to do something about it. **The Neon Court** Kate Griffin, 2011-02-03 When the city was founded, he was the mad native spirit that waited in the dark on the edge of the torchlight. When the streets were cobbled over, he became the footsteps heard on stone that you cannot see. When the Victorians introduced street lighting, he was the shadow who always shied away from the light, and when the gas went out, there he was. The shadow at the end of the alley, the footsteps half heard in the night. A daimyo of the Neon Court is dead. So are two warriors of the Tribe. And a freshly prophesied chosen one is missing. Each side blames the other, and Matthew Swift is right in the middle of it, trying to keep the peace. Because when magicians go to war, everyone loses. But Swift has even bigger problems. A dead woman is trying to kill him, and the city itself is under attack from a force of unimaginable power. As if trying to stay one step ahead of an assassin and juggling magical politics weren't challenging enough, Swift must also find a way to defeat a primal threat from humanity's darkest nightmares. Or there may not be a London left to fight over. *Sweet Harmony* Claire North, 2020-09-22 NORTH IS AN ORIGINAL AND EVEN DAZZLING WRITER Kirkus From the award-winning bestselling Claire North comes a brand new stand-alone novella, a clever and unnervingly plausible dystopian tale set five minutes into the future. Harmony is tired. Tired of working so hard, tired of the way she looks, tired of being average. But all that changes when she decides to splash out and upgrade her nanos. And why not? Everyone is doing it now. With a simple in-app purchase, you can update the tech in your bloodstream to transform yourself: get enhanced brain power, the perfect body, or a dazzling smile. Suddenly, everything starts going right for Harmony. She is finally becoming the person she always wanted to be. But when she ends up running too many upgrades on her body all at once, the effects will be more catastrophic than she could have imagined. With *Sweet Harmony*, Claire North proves yet again that she is one of the most innovative and original voices in modern fiction. Praise for *Sweet Harmony*: Terrifying, plausible, and intelligent. An outstanding novella. Fantasy Book Critic. *Sweet Harmony* doesn't just deliver a scary and convincing near future, but also glorious on-point writing. Strongly recommended. Blue Book Balloon. An unnerving, sharply observed, and altogether too plausible novella. Civilian Reader. Brilliant. The Digital Fix.
