Anderson,1984 Om den amerikanske krimi forfatter Rex Stout 1886 1975     **Significant Food** Jeff Birkenstein,Robert C. Hauhart,2024 Significant Food is a collaborative work of textual analysis and criticism that chews on the role and prominence of food in American literature The volume offers close readings of many well known and some less well known examples of American writing as studied through the food culture sensibilities of a well stocked cupboard of contributors who offer their analyses for public consumption Editors Jeff Birkenstein and Robert C Hauhart find that literary criticism has focused on the role food plays in literary production to a greater extent than recognized at first glance and that its role has become increasingly common only in the last two decades Still while there is critical commentary regarding authors use of food across the expanse of American literature there has been a lack of a unifying critical theories to guide these analyses Birkenstein and Hauhart offer the theory of significant food a method that asks literary critics to evaluate and assess the extent nature and role that food plays in literary production When food and food moments are used intensively and significantly within the drama memoir poem novel short story or other writing then one can say that it has achieved a status that makes it indispensable to the work at hand     Too Many Clients Rex Stout,2011-07-27 The dead man had one too many lovers Nero Wolfe s resourceful assistant Archie Goodwin finds that out when he stumbles into the room where the businessman has been murdered a love nest lined with red satin and fleshy paintings Besides the decor and the trove of women s slippers another notable feature of the room is the absence of police So Nero Wolfe has a healthy head start on solving the crime Then comes a snag a bidding war erupts for the reclusive sleuth s services Suddenly Wolfe has too many clients including one who s party to murder Introduction by Malcolm Forbes Jr It is always a treat to read a Nero Wolfe mystery The man has entered our folklore The New York Times Book Review A grand master of the form Rex Stout is one of America s greatest mystery writers and his literary creation Nero Wolfe is one of the greatest fictional detectives of all time Together Stout and Wolfe have entertained and puzzled millions of mystery fans around the world Now with his perambulatory man about town Archie Goodwin the arrogant gourmandizing sedentary sleuth is back in the original seventy three cases of crime and detection written by the inimitable master himself Rex Stout     **Perplexing Plots** David Bordwell,2023-01-17 Nominated 2024 Edgar Allan Poe Award in the category of best critical biographical Mystery Writers of America Shortlisted 2024 Agatha Awards Best Mystery Nonfiction Malice Domestic Posthumous Winner 2023 IFCA Book Prize International Crime Fiction Association Narrative innovation is typically seen as the domain of the avant garde However techniques such as nonlinear timelines multiple points of view and unreliable narration have long been part of American popular culture How did forms and styles once regarded as difficult become familiar to audiences In Perplexing Plots David Bordwell reveals how crime fiction plays and films made unconventional narrative mainstream He shows that since the nineteenth century detective stories and suspense thrillers have allowed ambitious storytellers to experiment with

narrative Tales of crime and mystery became a training ground where audiences learned to appreciate artifice These genres demand a sophisticated awareness of storytelling conventions they play games with narrative form and toy with audience expectations Bordwell examines how writers and directors have pushed pulled and collaborated with their audiences to change popular storytelling He explores the plot engineering of figures such as Raymond Chandler Agatha Christie Dashiell Hammett Patricia Highsmith Alfred Hitchcock Dorothy Sayers and Quentin Tarantino and traces how mainstream storytellers and modernist experimenters influenced one another s work A sweeping kaleidoscopic account written in a lively conversational style Perplexing Plots offers an ambitious new understanding of how movies literature theater and popular culture have evolved over the past century

**The Mountain Cat Murders** Rex Stout,2011-07-27 Having announced to the folks of Cody Wyoming that she intended to shoot a man with her father s 38 it was little wonder that Delia Brand was arrested for just such a crime But what the police didn t understand was that Miss Brand had marked another man for harm and was entirely innocent of the crime committed Then who shot Dan Jackson with Delia s 38 To find the answer Delia has to go back to the unsolved murder of her prospector father in the Silverside Hills only to discover that someone close at hand had a very good reason to use her gun and mine a motherlode of murder Introduction by Karen Kijewski *American Book Publishing Record Cumulative, 1950-1977: Fiction. Stout,2011-07-20 What could make Nero Wolfe so determined to solve a crime that he would be willing to work entirely without fee or client What would it take to put him for the first time at a loss for words What would make him so angry about a case that he would refuse to speak to the police even if he has to spend fifty one hours in jail as a result Never before in the Nero Wolfe books has Rex Stout shown us the extremes to which the greatest detective in the world can be pushed but never before has a bomb blown up in the old brownstone on West 35th Street murdering someone right under Wolfe s nose When in October 1974 Pierre Ducos one of Wolfe s favorite waiters at Rusterman s Wolfe s favorite restaurant dies just down the hall from Archie s Bedroom Wolfe is understandably eager to find the perpetrator but when that murder somehow becomes connected with tape recorders Washington lawyers and maybe even a conspiracy to obstruct justice his fury becomes so intense that even Archie is puzzled Not only is this a great chapter in the Nero Wolfe legend A Family Affair is a splendid mystery novel that should capture many new fans and will delight and amaze the long standing admirers of Wolfe and Archie **Subject Catalog, 1982** Library of Congress,1982 **Saturday Review of Literature** ,1939
