*Sequels* Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series      **Future Humans in Fiction and Film** Louisa MacKay Demerjian, Karen F. Stein, 2019-01-10 This book will appeal to everyone who reads science fiction or thinks about science and its impact on our lives It raises profound economic ethical political sociological and psychological questions It explores our fears and fantasies as it examines a range of fictions films and TV programs that speculate about the possibilities of humans in the future The contributions here ask central questions that have provoked the creators and readers of science fiction since Mary Shelley inaugurated the genre with her novel *Frankenstein* What are the aims and limits of science and technology What are our responsibilities toward the products of our advancing science and technology What kinds of creatures will we produce or encounter in the future What rights will we grant to these creatures or more worryingly will they grant to us Do science and technology make us more civilized or more barbaric How should we treat each other Ultimately what does it mean to be human      *Invisible 3* Jim C. Hines, Mary Anne Mohanraj, 2017-06-27 18 essays and poems on the importance of representation in science fiction and fantasy with an introduction by author K Tempest Bradford Proceeds from the sale of this collection go to the Carl Brandon Society to support Con or Bust      *Anne McCaffrey* Robin Roberts, 1996-05-28 It examines all of her novels to date both individual and series and reveals why she deserves the critical recognition her works have received Roberts explores the range and complexity of her novels and the recurrent themes that have attracted so many young adults to her work the heroine as outsider the need for tolerance and the acceptance of difference the importance of living harmoniously with nature and the value of art and literature      *Invisible, Volumes 1-3* Jim C. Hines and Mary Anne Mohanraj, 2022-08-16 Essays and poems on the importance of representation in science fiction and fantasy Collects all three volumes of the *Invisible* series Proceeds from the sale of this collection go to benefit the Carl Brandon Society      **Booktalking the Award Winners 3** H W Wilson, 1996-09 Provides booktalks on prize winning titles      **Kliatt Young Adult Paperback Book Guide** , 1995      **Science Fiction and the Two Cultures** Gary Westfahl, George Slusser, 2009-06-01 Essays in this volume demonstrate how science fiction can serve as a bridge between the sciences and the humanities The essays show how early writers like Dante and Mary Shelley revealed a gradual shift toward a genuine understanding of science how H G Wells first showed the possibilities of combining scientific and humanistic perspectives how writers influenced by Gernsback's ideas like Isaac Asimov illustrated the ways that literature could interact with science and assist in its progress and how more recent writers offer critiques of science and its practitioners      **Women in Science Fiction and Fantasy** Robin Anne Reid, 2008-12-30 Works of science fiction and fantasy increasingly explore gender issues feature women as central characters and are written by women writers This book examines women's contributions to science fiction and fantasy across a range of media and genres such as fiction nonfiction film television art comics graphic novels and

music The first volume offers survey essays on major topics such as sexual identities fandom women s writing groups and feminist spirituality the second provides alphabetically arranged entries on more specific subjects such as Hindu mythology Toni Morrison magical realism and Margaret Atwood Entries are written by expert contributors and cite works for further reading and the set closes with a selected general bibliography Students and general readers love science fiction and fantasy And science fiction and fantasy works increasingly explore gender issues feature women as central characters and are written by women writers Older works demonstrate attitudes toward women in times past while more recent works grapple with contemporary social issues This book helps students use science fiction and fantasy to understand the contributions of women writers the representation of women in the media and the experiences of women in society
