Alan Hollinghurst Mark Mathuray, 2017-05-26 Winner of the British Association for Contemporary Literary Studies BACLS 2017 Edited Collection Prize This book is a challenging and engaging collection of original essays on the novels of Alan Hollinghurst Britain's foremost gay writer and the English novel's master stylist The essays engage the precarious and shifting relationship between sex and literary sensibility in his novels and thus also attempt to establish the parameters of a new critical discourse for future research on Hollinghurst's novel queer theory and the contemporary literary representations of masculinity and sexuality By coupling the consideration of Hollinghurst's aesthetics his sensuously evocative style to an interrogation of the social political and sexual currents in his texts the contributors of this collection provide distinctive interpretations of Hollinghurst's novels from Hollinghurst's uncovering of a gay artistic heritage to his re-signification of earlier English literary styles from his engagement with the Symbolist fin de siècle to his critique of aestheticism etc whilst paying close attention to the formally innovative qualities of his texts **Alan Hollinghurst and the Vitality of Influence**

Allan Johnson, 2014-04-09 Alan Hollinghurst and the Vitality of Influence proposes a striking approach for reading the influences that interlace twentieth century gay British writers Focusing on the role of the textual image in literary influence

this book moves toward a new understanding of the interpenetration of literary and visual culture in the twentieth century

Alan Hollinghurst Michele Mendelssohn, Denis Flannery, 2016-07-08 This groundbreaking cross generic collection is the first to consider the entire breadth of Alan Hollinghurst's Booker Prize winning writing Focused through the concept of influence the volume addresses critical issues surrounding the work of Britain's most important contemporary novelist It encompasses provocative and timely subjects ranging from gay visual cultures and representations to Victorian modernist and contemporary literature as well as race and empire theatre and cinema eros and economics The book reveals the fascinating intellectual and affective matter that lies beneath the polished control and dazzling style of Hollinghurst's work Alongside contributions by distinguished British and American critics the book includes an unpublished interview with Hollinghurst Alan Hollinghurst Writing under the influence uses a creative range of critical approaches to provide the most authoritative and innovative account available of Hollinghurst's works **London, Queer Spaces and Historiography in the Works of Sarah Waters and Alan Hollinghurst**

Júlia Braga Neves, 2022-10-07 Queer spaces are crucial for the construction of LGBTQ communities as they constitute places where queer subjects can create political social and affective alliances Júlia Braga Neves shows how these spaces are pivotal for the representation of queer history in the fictional works by the British authors Sarah Waters and Alan Hollinghurst whose characters and plots are articulated through and within London's sexual geographies Considering the intersection between gender sexuality and class this study engages with spatial queer feminist and Marxist theories as a means to reflect on London queer historiography and the relationship between subject and urban space The World of E. M. Forster - E. M. Forster and the World Krzysztof Fordoński, Anna Kwiatkowska, 2021-06-11

Half a century after his demise and over a century after the publication of his first novel Where Angels Fear to Tread in 1905 E M Forster still remains within the scope of interest of readers and critics His life and his works continue to stir emotions and raise questions concerning humanity nationality and world culture's However the opinions vary as to the continuation of the interest in the writer and his works Some see him and his novels as old fashioned while others like Zadie Smith find Forster inspiring and the muddled protagonists of his books fascinating Is the interest in this writer to continue or is it doomed to gradual oblivion What is there in his life and his stories that can make new generations want to reach out for his works and writings To understand the place of the writer in the present world one must look back to the beginnings of Forster's career as well as to the times in which he lived commented on and created in This book discusses the presence and legacy of Forster in English literature and social history Its double title reflects the duality of its content with the book exploring Forster's own works as well as the position of Forster and his oeuvre and the values he stood for within British and world culture's The book offers therefore a variety of new interpretations of a selection of well known and culturally established works of the writer viewed against the findings of contemporary perspectives It demonstrates how Forster's novel short stories and non fictional writings interfuse affect and re shape the literary pieces of

other writers      The Country House Revisited Tereza Topolovská ,2017-08-01 This monograph provides an insight into English country house fiction by twentieth and twenty first century authors with a focus on the works of E M Forster Evelyn Waugh Iris Murdoch Alan Hollinghurst and Sarah Waters The country house is explored within the wider social and cultural contexts of the period including contemporary architectural development The variety of literary depictions of the country house reflects the physical diversification of buildings which can be classified as such from smaller variants to formerly grand residences on the brink of physical collapse Within the scope of contemporary fiction architecture and poetics of space the country house given its uniquely integrating and exceptionally evocative qualities accentuates different conceptions of dwelling Consequently literary portrayals of the country house can be seen as both prefiguring and reflecting the contemporary practice of living      *The Palgrave Handbook of Neo-Victorianism* Brenda Ayres,Sarah E. Maier,2024-01-20 This handbook offers analysis of diverse genres and media of neo Victorianism including film and television adaptations of Victorian texts authors life stories graphic novels and contemporary fiction set in the nineteenth century Contextualized by Sarah E Maier and Brenda Ayres in a comprehensive introduction the collection describes current trends in neo Victorian scholarship of novels film theatre crime empire postcolonialism Gothic materiality religion and science amongst others A variety of scholars from around the world contribute to this volume by applying an assortment of theoretical approaches and interdisciplinary focus in their critique of a wide range of narratives from early neo Victorian texts such as A S Byatt s *Possession* 1963 and Jean Rhys *Wide Sargasso Sea* 1966 to recent steampunk from musical theatre to slumming and from *The Alienist* to queerness in their investigation of how this fiction reconstructs the past informed by and reinforcing the present      **The Wounded Hero in Contemporary Fiction** Susana Onega,Jean-Michel Ganteau,2018-04-27 *The Wounded Hero in Contemporary Fiction* tracks the emergence of a new type of physically and or spiritually wounded hero in contemporary fiction Editors Susana Onega and Jean Michel Ganteu bring together some of the top minds in the field to explore the paradoxical lives of these heroes that have embraced rather than overcome their suffering alienation and marginalisation as a form of self definition      *Symbolism 14* Rüdiger Ahrens,Klaus Stierstorfer,2014-12-12 Symbolic representation is a crucial subject for and a potent heuristic instrument of diaspora studies This special focus inquires into the forms and functions of symbols of diaspora both in aesthetic practice and in critical discourse analyzing and theorizing symbols from Shakespeare to Bollywood as well as in critical writings of theorists of diaspora What kinds of symbols and symbolic practices contributors ask are germane to the representation both emic and etic of diasporics and diasporas How are specific symbols and symbolic practices analyzed across the academic fields contributing to diaspora studies Which symbols and symbolic practices inform the academic study of diasporas sometimes unconsciously or without being remarked on To study these phenomena is to engage in a dialogue that aims at refining the theoretical and methodological vocabulary and practice of truly transdisciplinary diaspora studies while attending to the imperative of specificity that inheres in this

emerging field The volume collects a range of analyses from social anthropology history and ethnography to literary and film studies all combining readings of individual symbolic practices with meta theoretical reflections Sex, Time and Place Simon Avery, Katherine M. Graham, 2016 Sex Time and Place extensively widens the scope of what we might mean by queer London studies Incorporating multidisciplinary perspectives including social history cultural geography visual culture literary representation ethnography and social studies this collection asks new questions widens debates and opens new subject terrain Featuring essays from an international range of established scholars and emergent voices the collection is a timely contribution to this growing field Its essays cover topics such as activist and radical communities and groups AIDS and the city art and literature digital archives and technology drag and performativity lesbian Londons notions of bohemianism and deviancy sex reform and research and queer Black history Going further than the existing literature on Queer London which focuses principally on the experiences of white gay men in a limited time frame Sex Time and Place reflects the current state of this growing and important field of study It will be of great value to scholars students and general readers who have an interest in queer history London studies cultural geography visual cultures and literary criticism *Gothic Topographies* Matti Savolainen, 2016-04-22 In demonstrating the global reach of Gothic literatures this collection takes up the influence of the Gothic mode in literatures that may be geographically remote from one another but still share related issues of minor languages nation building place and race Suggesting that there is a parallel between certain motifs and themes found in the Gothic of the North Scandinavia Northern Europe and Canada and South Australia South Africa and the US South the essays explore the transgressions and confusion of borders and limits whether they be linguistic literary generic class based gendered or sexual The volume includes essays on a wide diversity of authors and topics Jan Potocki Gustav Meyrink William Godwin Alan Hollinghurst Marlene van Niekerk John Richardson antislavery discourse and the Gothic imagination the Australian aboriginal Gothic vampires of Post Soviet Gothic society Danish Swedish and Finnish fiction and film and the Canadian female Gothic and the death drive What distinguishes this book from other collections on the Gothic is the coverage of themes and literatures that are either lacking in the mainstream research on the Gothic or are referred to only briefly in other book length studies Experts in the Gothic and those new to the field will appreciate the book s commitment to situating Gothic sensibilities in an international context **Medievalism** David Matthews, 2015 An accessibly written survey of the origins and growth of the discipline of medievalism studies The field known as medievalism studies concerns the life of the Middle Ages after the Middle Ages Originating some thirty years ago it examines reinventions and reworkings of the medieval from the Reformation to postmodernity from Bale and Leland to HBO s Game of Thrones But what exactly is it An offshoot of medieval studies A version of reception studies Or a new form of cultural studies Can such a diverse field claim coherence Should it be housed in departments of English or History or should it always be interdisciplinary In responding to such questions the author traces the history of medievalism from its earliest appearances in the sixteenth century to the

present day across a range of examples drawn from the spheres of literature art architecture music and more He identifies two major modes the grotesque and the romantic and focuses on key phases of the development of medievalism in Europe the Reformation the late eighteenth century and above all the period between 1815 and 1850 which he argues represents the zenith of medievalist cultural production He also contends that the 1840s were medievalism s one moment of canonicity in several European cultures at once After that medievalism became a minority form rarely marked with cultural prestige though always pervasive and influential Medievalism a Critical History scrutinises several key categories space time and selfhood and traces the impact of medievalism on each It will be the essential guide to a complex and still evolving field of inquiry David Matthews is Professor of Medieval and Medievalism Studies at the University of Manchester [The Rise of Gay Rights and the Fall of the British Empire](#) David A. J. Richards,2013-04-22 This book argues that there is an important connection between ethical resistance to British imperialism and the ethical discovery of gay rights It examines the roots of liberal resistance in Britain and resistance to patriarchy in the USA showing the importance of fighting the demands of patriarchal manhood and womanhood to countering imperialism Advocates of feminism and gay rights are key because they resist the gender binary s role in rationalizing sexism and homophobia The connection between the rise of gay rights and the fall of empire illuminates questions of the meaning of democracy and universal human rights as shared human values that have appeared since World War II The book casts doubt on the thesis that arguments for gay rights must be extrinsic to democracy and reflect Western values To the contrary gay rights arise from within liberal democracy and its critics polemically use such opposition to cover and rationalize their own failures of democracy **Unmaking Love** Ashley T. Shelden,2017-01-10 The contemporary novel does more than revise our conception of love it explodes it queers it and makes it unrecognizable Rather than providing union connection and completion love in contemporary fiction destroys the possibility of unity harbors negativity and foregrounds difference Comparing contemporary and modernist depictions of love to delineate critical continuities and innovations Unmaking Love locates queerness in the novelistic strategies of Ian McEwan Zadie Smith Hanif Kureishi Alan Hollinghurst and Hari Kunzru In their work queer love becomes more than shorthand for sexual identity It comes to embody thwarted expectations disarticulated organization and unnerving multiplicity In queer love social forms are deformed affective bonds do not bind and social structures threaten to come undone Unmaking Love draws on psychoanalysis and gender and sexuality studies to read love s role in contemporary literature and its relation to queer negativity **The Oxford Handbook of Contemporary British and Irish Poetry** Peter Robinson,2013-09-26 This Handbook offers an authoritative and up to date collection of original essays bringing together ground breaking research into the development of contemporary poetry in Britain and Ireland [A Reader's Book of Days: True Tales from the Lives and Works of Writers for Every Day of the Year](#) Tom Nissley,2013-11-04 Book connoisseur Tom Nissley has combed literary history to capture the stories that make writers lives perennially fascinating their epiphanies embarrassments and

achievements Each handsome page in A Reader's Book of Days is devoted to a day of the year featuring original accounts of events in the lives of great writers and fictional events that took place within beloved books **The Cambridge**

**Companion to British Fiction, 1945-2010** David James, 2015-10-06 The Cambridge Companion to British Fiction since 1945 provides insight into the critical traditions shaping the literary landscape of modern Britain **Reading Henry James**

**in the Twenty-First Century** Dennis Tredy, Annick Duperray, Adrian Harding, 2019-06-04 To commemorate the recent centennial of Henry James's death and to help readers understand the depth and scope of the author's influence both today and during the previous century thirty leading Jamesian scholars from twelve different countries and five continents were asked to explore ways in which the notions of heritage and transmission currently come into play when reading James The resulting chapters of this volume are divided into three main sections each focusing on different ways in which James's legacy is being re-evaluated today from his influence on key authors playwrights and film makers over the past century Part One to new discoveries regarding European authors and artists who influenced James Part Two to recent approaches more radically re-evaluating James for the twenty first century including contemporary poetics political and sociological dimensions cognitive science and queer studies Part Three This collection will be of great interest to scholars and general readers of James and is a useful guide to tracing the writer's ever elusive figure in the carpet and understanding the power of his continued impact today
