Spring Broke 86 Bloomberg Place 3 By Melody Carlson:

Spring Broke (86 Bloomberg Place Book #3) Melody Carlson, 2009-03-01 With creditors hounding her and all her available cash going to make payments on her debt Kendall's spendthrift lifestyle has finally caught up with her. To complicate matters she's pregnant and not sure who the father is. Kendall needs help but her roommates are caught up in problems of their own. Megan is trying to manage her crazy boss and remain true to her Christian principles. Lelani is still trying to work up the nerve to go home to Maui for a visit with her parents and her young daughter. And after a gaffe on her first job Anna is trying to regain credibility in the workplace without relying too heavily on Edmund. So when Lelani's parents offer to host the girls in Hawaii it sounds like the vacation everyone needs and no one can afford. A huge garage sale is scheduled but fraying tempers threaten the teamwork needed to pull it off. Will they finally turn to the One who can really help? When you've got your first apartment, a real job, and grown-up responsibilities, life can be tough. Loaded with confusion, emotion, and secrets you can't tell to anyone but God. In the 86 Bloomberg Place series Melody Carlson has captured all the uncertainty and joy of being twenty-something in pitch-perfect detail, and their stories just might sound like someone you know.

Taking Tuscany Renee Riva, 2010-01-01 A.J. Degulio loved the idea of a visit to the Old Country until her family decided to stay. Now it's 1972 and she's turning fourteen in a crumbling castle on a hill in Tuscany, wishing she were back in Idaho with her beloved dog Sailor. In Italy, her fair complexion and blonde hair make her stick out like a vanilla wafer in a box of chocolate biscotti, and she's so lonely her best friend is a nun from the local convent. What's worse, her grandma's losing her marbles, and Mama's going crazy over Uncle Nick's ugly blue villa which she can see from every window. The challenges of roots and relatives are nothing new to A.J., but factor in language culture shock and a bad case of homesickness, and A.J.'s going to need more than the famous Degulio sense of humor to survive. It will take a catastrophe and a few wise words from a friend for A.J. to understand that sometimes the only thing you can change is your perspective.
