Introduction by A. Smith

Super Cannes By JG Ballard

Florian Cord

Super Cannes By JG Ballard:

Super-Cannes J. G. Ballard, 2017-12-05 Paul and his wife Jane move to France so that she can take up a post as doctor to the new community of Eden Olympia According to its resident psychologist the community is a place where one is absolutely free to board the escalator of possibility And Jane does just that

Super-Cannes J. G. Ballard, 2013-08-29 A high tech business park on the Mediterranean coast is the setting for a most disturbing crime in this bestseller from the master of dystopia J G Ballard

Super-Cannes James G. Ballard, 2000 Een man probeert uit te vinden waarom een arts aan de Côte d'Azur een aantal hooggeplaatste personen heeft gedood

Super-Cannes James Graham Ballard, 2015-02-26 A Eden Olympia nouveau parc d'activités high tech sur les hauteurs de Cannes une liste de PDG de multinationales de financiers et de scientifiques venus de tous les pays prapare le troisième millénaire Harmonie efficacité rendement sont les mots Personne ne comprend pourquoi lors de ce qui semble avoir été un accès de folie le brillant docteur David Greenwood a exécuté sept cadres supérieurs et trois otages avant de se donner la mort Après le bref moment causé par le drame chacun est retourné à ses activités Mais tandis que Jane Sinclair la jeune femme médecin choisie pour succéder Greenwood prend ses fonctions la clinique son mari Paul contraint au repos après un accident s'immerse dans l'affaire et se laisse entraîner dans l'étrange envers du décor d'Eden Olympia Aux côtés des meilleurs romans de Bret Easton Ellis et de Don DeLillo J G Ballard offre ici la description la plus pertinente et la plus riche que l'on puisse lire des rives terminales du capitalisme

J.G. Ballard Andrzej Gasiorek, 2024-07-30 This book offers a comprehensive account of the work of J G Ballard regarded by several critics as one of the most significant fiction writers of recent times Ballard's early science fiction writing earned him plaudits as one of the most innovative and individual voices in the field but his development as a writer has taken him far beyond the confines of any single genre This book traces Ballard's career from his early science fiction short stories and novels to his most recent work particularly his timely reflections on the role of violence in contemporary social life It argues that Ballard's writing is characterised by a distinctive vision of the post war world and its possible futures and suggests that his far reaching analyses of the present age make him one of the indispensable commentators of our time

The Empire's of J. G. Ballard David Ian Paddy, 2015-08-25 J G Ballard once declared that the most truly alien planet is Earth and in his science fiction he abandoned the traditional imagery of rocket ships traveling to distant galaxies to address the otherworldliness of this world The Empires of J G Ballard is the first extensive study of Ballard's critical vision of nation and empire of the political geography of this planet Paddy examines how Ballard's self perceived status as an outsider and exile the Sheppertonian from Shanghai generated an outlook that celebrated worldliness and condemned parochialism This book brings to light how Ballard wrestled with notions of national identity and speculated upon the social and psychological implications of the post war transformation of older models of empire into new imperialisms of consumerism and globalization Presenting analyses of Ballard's full body of work with its tales of reverse colonization psychological imperialism the savagery of civilization

estranged Englishmen abroad and at home and multinational communities built on crime The Empires of J G Ballard offers a fresh perspective on the fiction of J G Ballard The Empires of J G Ballard An Imagined Geography offers a sustained and highly convincing analysis of the imperial and post imperial histories and networks that shape and energise Ballard s fictional and non fictional writings To what extent can Ballard be considered an international writer What happens to our understanding of his post war science fictions when they are opened up to the language and logics of post colonialism And what creative and critical roles do the spectres of empire play in Ballard s visions of modernity Paddy follows these and other fascinating lines of enquiry in a study that is not only essential reading for Ballard students and scholars but for anyone interested in the intersections of modern and contemporary literature history and politics Jeanette Baxter Anglia Ruskin University Shanghai made my father Arriving in England after WW2 he was a person of the world who d witnessed extremes of human experience and remained the outsider observing life from his home in Shepperton 1930s Shanghai Paris of the East was a mix of international sophistication and violence unfettered capitalism and acute poverty American cars martinis and Coca Cola a place marked by death and war It had a profound influence on my father and his imagination Dr Paddy s fascinating book explores my father s fiction within an international context and offers a profound reading of a man who always kept his eyes and mind open to the world Fay Ballard

J.G. Ballard's Surrealist Imagination Jeannette Baxter, 2016-12-05 Making the case that J G Ballard s fictional and non fictional writings must be read within the framework of Surrealism Jeannette Baxter argues for a radical revisioning of Ballard that takes account of the political and ethical dimensions of his work Ballard s appropriation of diverse Surrealist aesthetic forms and political writings Baxter suggests are mobilised to contest official narratives of postwar history and culture and offer a series of counter historical and counter cultural critiques Thus Ballard s work must be understood as an exercise in Surrealist historiography that is politically and ethically engaged Placing Ballard s illustrated texts within this critical framework permits Baxter to explore the effects of photographs drawings and other visual symbols on the reading experience and the production of meaning Ballard s textual spectacles raise a variety of questions about the shifting role of the reader and the function of the written text within a predominantly visual culture while acknowledging the visual contexts of Ballard s Surrealist writings allows a very different historical picture of the author and his work to emerge

Super-Cannes James Graham Ballard, 2001 A l aube du troisi me mill naire dans le sud de la France sur les hauteurs de Cannes le parc d activit s international Eden Olympia cit de l intelligence et future Silicon Valley europ enne accueille des multinationales et leurs cadres sup rieurs attir s par la beaut du lieu l impression d efficacit et de s curit qu il d gage C est dans ce cadre idyllique que Paul Sinclair accompagne bord de sa Jaguar mill sim e sa jeune femme m decin Jane choisie pour remplacer le docteur David Greenwood au poste de p diatre de la luxueuse clinique rattach e au parc Ledit David Greenwood a d fray la chronique en assassinant dix personnes dont sept cadres sup rieurs au cours de ce qui semble avoir t une crise de folie soudaine avant de retourner son arme contre lui m me

Tandis que sa femme s'immerge dans un travail harassant Sinclair qui se remet des suites d'un accident d'avion investit son temps libre dans l'exploration d'Eden Olympia microcosme chargé de secrets Surveill de près ou de loin par l'énigmatique vigile Frank Halder il finit par reconstituer le mortel parcours de David Greenwood et découvre le cart du monde contingent une étrange culture d'entreprise Dans sa vingt sixième œuvre de fiction J G Ballard montre jusqu'elles extrémités peuvent mener les rives de capitalisme outrance et laisse entrevoir un ultime moyen d'y échapper

Super-Cannes James Graham Ballard, 2004-05-01 À l'aube du troisième millénaire dans le sud de la France sur les hauteurs de Cannes le parc d'activités international den Olympia cité de l'intelligence et future Silicon Valley européenne accueille des multinationales et leurs cadres supérieurs attirés par la beauté du lieu et par l'impression d'efficacité et de sécurité qu'il dégage C'est dans ce cadre idyllique que Paul Sinclair accompagne bord de sa Jaguar millimétrée sa jeune femme mûre Jane choisie pour remplacer le docteur David Greenwood au poste de psychiatre de la luxueuse clinique rattachée au parc Ledit David Greenwood a découvert la chronique en assassinant dix personnes dont sept cadres supérieurs au cours de ce qui semble avoir été une crise de folie soudaine avant de retourner son arme contre lui-même Tandis que sa femme s'immerge dans un travail harassant Sinclair qui se remet des suites d'un accident d'avion investit son temps libre dans l'exploration d'Eden Olympia microcosme chargé de secrets Surveill de près ou de loin par l'énigmatique vigile Frank Halder il finit par reconstituer le mortel parcours de David Greenwood et découvre le cart du monde contingent une étrange culture d'entreprise Dans son vingt sixième roman J G Ballard montre jusqu'elles extrémités peuvent mener les rives de capitalisme outrance et laisse entrevoir un ultime moyen d'y échapper

J. G. Ballard: Visions and Revisions J. Baxter, R. Wymer, 2011-11-10 Providing an extensive reassessment of dominant and recurring themes in Ballard's writing including historical violence pornography post 9/11 politics and urban space this book also engages with Ballard's late modernism his experimentation with style and form and his sustained interests in psychology and psychopathology

The Cambridge Companion to British Fiction: 1980-2018 Peter Boxall, 2019-06-27 Gives a comprehensive critical picture of the development of British fiction from the election of Thatcher to the present

J.G. Ballard's Politics Florian Cord, 2017-01-23 This book is the first sustained investigation of the political dimension in the work of J G Ballard A product of and reaction to the cultural socio-economic moment commonly designated as the postmodern condition Ballard's oeuvre is read as a continuous and developing meditation on the postmodern examining it specifically as an expression of late capitalism The book shows that at the heart of this meditation lies the question of resistance Drawing on a wide range of concepts and ideas taken from the field of critical theory it argues that in the face of a world marked by an unprecedented expansion of capital in which modernity's grand narratives have been invalidated and in which received forms of political struggle have lost their effectiveness Ballard's fiction commits itself to a deliberately irrational and extreme pataphysical thought in order to develop a new discourse of resistance Against past readings that have construed Ballard's writing as non-political decadent or quietist the study thus reveals Ballard as a

thoroughly political author committed to a subversive politics In this way the book also constitutes a timely intervention in the ongoing discussion concerning the nature and state of the political

Twenty-First-Century British Fiction and the City Magali Cornier Michael, 2018-07-18 The essays in this edited collection offer incisive and nuanced analyses of and insights into the state of British cities and urban environments in the twenty first century Britain's experiences with industrialization colonialism post colonialism global capitalism and the European Union EU have had a marked influence on British ideas about and British literature's depiction of the city and urban contexts Recent British fiction focuses in particular on cities as intertwined with globalization and global capitalism including the proliferation of media and with issues of immigration and migration Indeed decolonization has brought large numbers of people from former colonies to Britain thus making British cities ever more diverse Such mixing of peoples in urban areas has led to both racist fears and possibilities of cosmopolitan co existence

Empty Justice Melanie Williams, 2013-03-04 Utilising literature as a serious source of challenges to questions in philosophy and law this book provides a fresh perspective not only upon the inculcation of the legal subject but also upon the relationship between modernism postmodernism and how such concepts might evolve in the construction of community ethics The creation and role of the legal subject is just one aspect of jurisprudential enquiry now attracting much attention How do moral values act upon the subject How do moral systems impinge upon the subject jurist and judged throughout the 20th century when religious values are called into question when existential doubt prevails To what extent do issues of gender and identity inform these questions Many sources can provide insights into these issues this book intends to concentrate upon fiction as just such a resource However it is not just another law and literature compilation Spanning the last century each chapter will attempt to fulfil four objectives to identify key texts in relation to a given period to look for linked legal and philosophical developments from that period to establish fresh links from these sources regarding concrete doctrinal or practical legal questions and finally draw a more general inference about the legal subject and the frequently less evident feminine citizen subject Central to this approach will be the consideration of contemporary case law and legal materials as social documents of the relationship between law and the wider community

[The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set](#) Brian W. Shaffer, 2011-01-18 This Encyclopedia offers an indispensable reference guide to twentieth century fiction in the English language With nearly 500 contributors and over one million words it is the most comprehensive and authoritative reference guide to twentieth century fiction in the English language Contains over 500 entries of 1000 3000 words written in lucid jargon free prose by an international cast of leading scholars Arranged in three volumes covering British and Irish Fiction American Fiction and World Fiction with each volume edited by a leading scholar in the field Entries cover major writers such as Saul Bellow Raymond Chandler John Steinbeck Virginia Woolf A S Byatt Samuel Beckett D H Lawrence Zadie Smith Salman Rushdie V S Naipaul Nadine Gordimer Alice Munro Chinua Achebe J M Coetzee and Ng g Wa Thiong o and their key works Examines the genres and sub genres of fiction in English across the

twentieth century including crime fiction Sci Fi chick lit the noir novel and the avant garde novel as well as the major movements debates and rubrics within the field such as censorship globalization modernist fiction fiction and the film industry and the fiction of migration diaspora and exile

Contemporary British Fiction and the Artistry of Space

David James,2011-10-20 This study examines the importance of space for the way contemporary novelists experiment with style and form offering an account of how British writers from the past three decades have engaged with landscape description as a catalyst for innovation David James considers the work of more than fifteen major British novelists to offer a wide ranging and accessible commentary on the relationship between landscape and narrative design demonstrating an approach to the geography of contemporary fiction enriched by the practice of aesthetic criticism Moving between established and emerging novelists the book reveals that spatial poetics allow us to chart distinctive and surprising affinities between practitioners showing how writers today compel us to pay close attention to technique when linking the depiction of physical places to new developments in novelistic craft

Outside Society Ayuo Takahashi,2025-08-08 A musician who spent his youth in New York City in the hot late 60s made his debut in Tokyo in the 80s and since then has been tirelessly active and progressive and continues to struggle outside the society of Japan Outside Society Appearing in the book Yokoo Tadanori Shuji Terayama Hiroshi Teshigahara Kishin Shinoyama Seiji Ozawa Yukio Mishima Miles Davis Andy Warhol Yuji Takahashi Takehisa Kosugi Steve Lacy Ryuichi Sakamoto Bill Bruford Keiji Haino Mutsuro Takahashi John Zorn Peter Hammill Maddy Prior Dave Matthews Horace Silver John Cage Terry Riley Kazuo Sawai Hiromi Ohta EPO John Cale

J. G. Ballard

Jeannette Baxter,2009-02-12 J G Ballard is one of the most significant British writers of the contemporary period His award winning novels are widely studied and read yet the appeal of Ballard s idiosyncratic and often controversial imagination is such that his work also enjoys something of a cult status with the reading public The hugely successful cinematic adaptations of Empire of the Sun Spielberg 1987 and Crash Cronenberg 1996 further confirm Ballard s unique place within the literary cultural and popular imaginations This guide includes new critical perspectives on Ballard s major novels as well as his short stories and journalistic writing covering issues of form narrative and experimentation Whilst offering fresh readings of dominant and recurring themes in Ballard s writing including history sexuality violence consumer capitalism and urban space the contributors also explore Ballard s contribution to major contemporary debates including those surrounding post 9 11 politics terrorism neo imperialism science morality and ethics

Extraterritorial Matthew Hart,2020-08-25 The future of fiction is neither global nor national Instead Matthew Hart argues it is trending extraterritorial Extraterritorial spaces fall outside of national borders but enhance state power They cut across geography and history but do not point the way to a borderless new world They range from the United Nations headquarters and international waters to CIA black sites and the departure zones at international airports The political geography of the present Hart shows has come to resemble a patchwork of such spaces Hart reveals extraterritoriality s centrality to twenty first century art and fiction He shows how

extraterritorial fictions expose the way states construct global space in their own interests Extraterritorial novels teach us not to mistake cracks or gradations in political geography for a crisis of the state Hart demonstrates how the unstable character of many twenty first century aesthetic forms can be traced to the increasingly extraterritorial nature of contemporary political geography Discussing writers such as Margaret Atwood J G Ballard Amitav Ghosh Chang rae Lee Hilary Mantel and China Mi ville as well as artists like Hito Steyerl and Mark Wallinger Hart combines lively critical readings of contemporary novels with historical and theoretical discussions about sovereignty globalization cosmopolitanism and postcolonialism Extraterritorial presents a new theory of literature that explains what happens when dreams of an open connected world confront the reality of mobile elastic and tenacious borders

Byung-Chul Han Steven Knepper, Ethan Stoneman, Robert Wyllie, 2024-06-07 Byung Chul Han is one of the most important living philosophers renowned for his critiques of the digital age In response to the idea that new technological devices expand our freedom he argues that they lead to burnout and self absorption and that we must redevelop contemplative practices which slow us down and open us up He has brought to his thought forms of deep cosmopolitanism developed from both Zen Buddhism and a renewed Romanticism This book is the first critical introduction to Han s body of work Knepper Stoneman and Wyllie explore Han s rich oeuvre to date and his incisive contributions to a range of disciplines including critical theory media studies political philosophy and aesthetics They unpack his key terms and illustrate his concepts with a range of examples revealing how the critiques of the achievement society and burnout which have earned Han a global audience build on his earlier accounts of power violence and mood This broader view addresses the most frequent criticisms of Han and makes a compelling case that he is not only an insightful diagnostician of the present moment but one whose interpretation of both Western and Eastern traditions offers wisdom for navigating the now acute problems of modernity This lively book is essential reading for anyone getting to grips with Han s extraordinary work

Immerse yourself in the artistry of words with is expressive creation, Discover the Artistry of **Super Cannes By JG Ballard** .
