Taking Charge By Bridgitte Lesley:

In the Dark Bridgitte Lesley,2022-01-17 Grace had taken on a huge challenge by moving from the city to a ranch with two children She had her plans in place but things didn't go as planned For no rhyme or reason after having paid her deposit the power hadn't been connected Biding her time she waited In the meanwhile they went through unnecessary hardships of every kind Adjusting her internal clock so that they woke up with the sun and went to bed the moment it grew dark Without power her life had been placed on hold causing a delay But she wasn't going to sit back on her laurels If she was going to go without power so would the entire town It didn't take much to cause a total blackout for a couple of days Tit for tat seemed to work at the oddest of times The entire town bore the brunt After spotting Grace and the two tots in the fields her neighbour Trevor was curious Curiosity got the better of him and his outlook on life took a dramatic turn *Petite* Bridgitte

Lesley,2022-01-19 Gabe and Heath had been friends for a couple of years They chatted on the phone and had formed a strong bond and a meaningful relationship Even though they hadn't met each other they could discuss anything He kept on pushing to meet with her After so many years they had still not met for their first cup of coffee The holidays came and Gabe had a freak accident His parents rushed him to the hospital The doctor was so attentive and helpful and sorted out the problem Only Gabe hadn't realized who Doctor Winters was He had noticed everything about her Her gorgeous figure and the way her hands felt on his skin She was the most beautiful woman he had ever seen As Gabe was leaving an ambulance rushed in to the casualties entrance They called for Doctor Winters by name She was gone in a flash Gabe could not believe his luck He had met his Heath Shimmer and Shine Bridgitte Lesley,2022-01-19 Gabe and Stephanie had settled in to their comfort zone The family business was thriving and brought in thousands Their daughter Chelsea on the other hand wanted to achieve much more Realizing the potential of their enterprise she didn't want to sit back and stagnate The business had to be streamlined With the changes Chelsea made she rocked the boat and all hell broke loose When more people became involved Gabe and Stephanie's comfort zone no longer existed Chelsea had the drive and was ambitious but Stephanie was quite the opposite Flames can be fanned and calm will prevail Changes will happen But what when everything changes and the movers move and shakers shake

A Temporary Assignment Bridgitte Lesley,2022-01-16 After working with his temp for a week Phillip realized his secretary was not up to scratch Rae was super efficient and organized Her prim and proper dress code didn't appeal to him but something about her drew him in Having set his sights on a young woman in the pub he felt rather confused He had never been a womanizer but felt caught in the middle by someone he knew and a complete stranger Once he got to know the real Raeleen Crompton he realized things would change Not only in the office but after hours as well

Glimmer to Glow Bridgitte Lesley,2022-01-19 Once Eleanor walked out of the house there was a glimmer of hope for Stanley and his children He realized why there was such a rift between him and the family Something he felt he had to remedy Being down and out there was a lot for him to do before he could focus on anything other than survival Candice had

been through a rough patch But she couldn't sit back and relax With her new baby she had even more responsibilities Feeling alone in the world she had to carry on with life Whiplash Bridgitte Lesley,2022-01-19 Hounded by a sales representative Douglas met with her in the evening One evening led to another and it seemed to happen frequently Arial didn't know what was going on with Douglas It was unusual for him to go out on his own They were a happily married couple or so she thought After lashing out at Arial their marriage took a turn for the worse She decided to turn the tables and see how he felt Their business was going down the tubes and Arial decided to take matters in to her own hands Little did she realize what the impact would be **To See the Sights** Bridgitte Lesley,2022-01-14 Appointing an au pair to take care of two young girls sounds like an easy task But not for Phillip After interviewing many unsuitable candidates he had still not appointed anyone Only one woman sounded right for the position And he had let her slip through his fingers Out of desperation he dialled her number after rejecting her initial enquiry Thinking it would be easy to set up an appointment with her he realized she was not a pushover All he wanted was a reliable au pair Tina had different ideas It was a once in a lifetime opportunity to be a tourist in her hometown and have an action packed holiday Accepting the position she did things her way **Pass Me Those Binoculars!** Bridgitte Lesley,2022-01-19 Wade rented his house to the first person who responded to his advertisement With her lush green lawn and flowers that bloomed everything his tenant did got under his skin At first he was oblivious about who she was Summer knew who he was But she kept her distance and a low profile Not being too sure of his feelings for her Waiting and watching soon realising who she was he was biding his time to make his move *Rock and Mortar* Bridgitte Lesley,2022-01-19 Waiting for the outcome of a pending case Morgan paced herself There was a house to build and she had all the time in the world There was no rush and she was patient After pushing herself Chamberlain suddenly appeared on the scene Two hands made the load lighter and brought the goal closer even faster Michael had been procrastinating for far too long He had seen Morgan every day of the week and it was time to introduce himself properly Like rock and mortar the foundations were sturdy rock solid and steady Persuaded Bridgitte Lesley,2022-01-19 Bev didn't believe in falling in love but the moment she met Bruce she realized there was a chance that she might be persuaded Bev hadn't seen her sister Faye in years She had immersed herself in work Suffering from burnout it was time to take a break Bev made the unexpected phone call to her sister Faye was overjoyed that Bev would be coming for a short visit Things didn't run too smoothly for Bev She was on her way to Faye when her trip ended up being a rough ride What with having to stop at every garage because she had food poisoning They couldn't reach her on the phone and she had to be found Bruce drove for hours searching for Bev He didn't find the blonde in the red beetle but he did get to meet someone entirely different She was not blonde and didn't drive a little red beetle *Age is a Number. Inconsequential!* Bridgitte Lesley,2022-01-19 Paige Carter had problems from day one Her pupils were difficult headstrong and obstinate After a week she felt the repercussions She had taken verbal abuse from many of the parents and it had reached a crescendo Blake

Rogers went to go and see Miss Carter Donald his son had described her as an ogre The moment he met her everything changed She was not what he had expected He no longer had control of his emotions and erupted Everything spiralled out of control Paige took matters in to her own hands Leaving the pupils and parents shell shocked and stunned They knew she meant business Blake had fallen head over heels in love Even the enormous age gap wouldn't stand in his way **Natural Fundamentals** Bridgitte Lesley,2022-01-19 David didn't know what he was getting himself into Offering to build a school on his property he ran with the project but had to arrange someone to manage It took a lot of negotiating when he found the right person That was the easy bit Amanda took a while to make her decision to manage the school and wasn't easily persuaded She had a fantastic job in the city but with everything that she had been through she thought it time that she gave everything up and started again Her focus was to educate the children but at the same time it would be a brand new start Everything was perfect Amanda took over and schooling began Her whole life changed The children adored her The parents respected her She blended in as if she belonged She realized that David was jealous of the school Things turned ugly and nasty and after a heated argument with him she left Her life would change again Previously published as An Education **A New Year's Treat!** Bridgitte Lesley,2022-01-19 The mesmerizing sight of Madison standing in his doorway struck Taylor to the core It was love at first sight Madison was caught unawares by the way she felt She was love struck Taylor was smitten and gladly accepted her invitation to a party The last day of the year was about to become the first day of a whole new experience for Madison and Taylor A budding romance that flourished but not without ups and downs thrown in the mix

Crass to Class Bridgitte Lesley,2022-01-19 Dawn submitted an offer to purchase her dream home in the wealthy and elite area on the hilltop Without explanation her offer was rejected A year later approached by the homeowner she didn't hesitate and made another offer which was accepted There was no time to view her acquisition but she had to sign the documentation almost immediately Assuming she could move in once she returned home from her business trip there was no need to view the property Once Dawn returned home she made arrangements to move Only to find the property in a state of disrepair and left to rot Her first call was to find a handyman Hilton was on the verge of closing his business Jobs were scarce and times were tough When he arrived to quote on the job only then did they realize the immense amount of work that would be required As luck would have it with her large order his business would not fold **Tic Tac Toe** Bridgitte Lesley,2022-01-19 Anne and Roxy lived on one side of the road Mother and daughter living on their own After Roxy's father leaving when she was five On the opposite side of the road Clive and his daughter Mary had their home His ex having left many years ago without a care in the world Never looking back Life was perfect for Roxy and Mary who were the same age and did everything together since the age of five Clive and Anne didn't date but were a couple in the true sense Everything they did resembled one happy family Until the day Roxy moved in with her father and everything changed Both families were ripped apart But the events that unfolded were out of the norm **Cover** Bridgitte Lesley,2022-01-19 Amber had a

pressurized job as a sales representative Driving sales and earning astronomical commission was her goal and passion Not having the support of the marketing department she went the extra mile and did her marketing and arranged well received promotions Wheeling and dealing where she could made a huge difference to the company she worked for On a Friday evening she let her hair down and sang in a band A true entertainer she could pelt out any tune Keeping her day job apart from her singing gig was easy She didn't allow the two to overlap Until Jordan Becker walked in to the nightclub The Circle Bridgitte Lesley,2022-01-20 Kay Henderson's life had been turned upside down and was a shambles With her business snatched from under her nose she had to begin a new venture Transporting children back and forth to school was a blessing for the parents in the area But even that seemed to be a problem when Kay's bus broke down and had to be repaired Being promised the earth she was thankful when the bus was delivered to her doorstep Having people continuously snub her she was surprised by the two men who delivered her bus They had come to her aid when she needed it the most The help extended to her was way beyond gallant Following their visit an attorney set out to help her The heat was on to unravel Kay's case which veered off in a direction no one would have imagined possible **Yours Mine Ours** Bridgitte Lesley,2015-04-19 In so many families there is a yours and a mine scenario Your children My children And sometimes ours Dawn and Dutch had both had it rough Their partners had both moved on Leaving them both thinking that they were pretty useless In everything including the bedroom duties Which really was not the case It was a Sunday afternoon when Dawn had taken her family out to lunch that she met Dutch Dutch was with his family doing the karaoke At a little pub come restaurant Dawn became the star performer but soon had to run off Soon enough Dutch and Dawn started dating They weren't youngsters But the feelings coursing through their bodies were both new and strange They hadn't lived their lives when they should have They had one tiny little tiff which provoked the little jealous monster But it soon blew over Dutch family soon became Dawn's Dawn's family admired Dutch It ended up as ours A chuckle awaits you Enjoy **My Lady Love** Bridgitte Lesley,2022-01-13 The owner of an enterprising bed and breakfast which was always fully booked Mrs Jeeves lead a busy and exciting life Her guests checked in and out frequently As a hands on owner it was important that she portrayed the image of a true professional Something she did with ease At the same time keeping her distance was a priority Fraternizing with guests was unheard of and an absolute no no Keeping her business and personal life separate was of utmost importance And along came Peter Remington Permanently Part Time Bridgitte Lesley,2017-01-12 My success is your success But most important of all your success is my success When Patsy Golding decided to change her life she had no idea of the direction things would take Trapped in a marriage where she was treated as a possession she needed to escape She realized she had married for all the wrong reasons Charles was not the husband she dreamt of Starting out as a Homeware representative to make money to stash Patsy was soon on her way to taking her life back into her own hands What started out as a money spinner soon became her focus Success did have its drawbacks Patsy became the target of her mentor The person who taught her everything she knew

about direct sales Riddled by jealousy Hope took her frustrations out on Patsy in the oddest ways imaginable
