a world of espionage and danger by being patient and outwaiting any enemy So when his fianc and the only woman he s ever love dumps him he immediately creates an attack plan He gives her time with a deadline to deal with the fact that he can t talk about his job but will give everything else in his life including his heart to her Yet when danger comes for her he might have to reveal the deadly skills he wants to hide and then possibly lose her forever Serenity McDerny is a stubborn Irishwoman who d thought she had the ideal life with her hottie Italian fianc in the best small town in the world They even picked out rings when she d had no clue he wasn t actually with the forest service The guy is some type of spy He lied to her way too easily and she can t let that go Now like some arrogant James Bond he s given her a deadline to figure things out and get back together with him While she can handle Rory s stubbornness as well as the danger coming fast not even Serenity can avoid the Albertini match makers when they set their sights on her

Tempted, Twisted, Tamed: Rebecca Zanello, 2016-01-19 Tempted On the run from a mental institution and her vindictive half brother it s safe to say that Sarah Pringle s happy life as a schoolteacher is on hold Too bad that as far as self defense goes run and hide is the best she s got And with the monsters that started her escape hot on her heels that s not going to cut it for long That is unless Sarah has a bigger badder hotter monster on her side Max Petrovsky is right at the top of the list of alpha male ass kickers And he knows exactly what Sarah s up against Good thing because the minute he sees her something primal kicks in turning everyday attraction into red hot desire As long as they re cooperating why not mix some pleasure with business Of course Max should probably tell Sarah he s a vampire himself Twisted In human form Terrent Vilks is all male animal dark ripped predatory As wolf he s unforgettably dangerous unforgettably hot Yet Maggie can t remember him Not even when she learns she once agreed to mate him Yeah that was years ago before she was kidnapped and tortured before she lost her memory Now she knows just one thing about herself she ll do whatever it takes to bring down the monsters who took her even trust her ex He s got her right where he wants her Tamed Caleb Donovan was never meant to be a prophet At heart he s a conqueror his appetites far more carnal than spiritual He s not inclined to repress his passions and surrender to fate After all that s what cost him Lily three centuries ago She married another because it was ordained Now that he s in the same benighted calling and forced into proximity with her all the old desires are roaring back to life After widowhood and centuries of celibacy Lily is eager to explore the wild side of life except now she s vulnerable to another forced relationship with an enemy But this time she s determined to choose her own path And if hot furious Caleb comes charging to the rescue it might just change both their destinies Love is about to start conquering
