The Backslider By Levi S Peterson

Richard H. Cracroft

The Backslider By Levi S Peterson:

People of Paradox Terryl L. Givens, 2007-08-29 In *People of Paradox* Terryl Givens traces the rise and development of Mormon culture from the days of Joseph Smith in upstate New York through Brigham Young's founding of the Territory of Deseret on the shores of Great Salt Lake to the spread of the Latter Day Saints around the globe Throughout the last century and a half Givens notes distinctive traditions have emerged among the Latter Day Saints shaped by dynamic tensions or paradoxes that give Mormon cultural expression much of its vitality Here is a religion shaped by a rigid authoritarian hierarchy and radical individualism by prophetic certainty and a celebration of learning and intellectual investigation by existence in exile and a yearning for integration and acceptance by the larger world Givens divides Mormon history into two periods separated by the renunciation of polygamy in 1890 In each he explores the life of the mind the emphasis on education the importance of architecture and urban planning so apparent in Salt Lake City and Mormon temples around the world and Mormon accomplishments in music and dance theater film literature and the visual arts He situates such cultural practices in the context of the society of the larger nation and in more recent years the world Today he observes only fourteen percent of Mormon believers live in the United States Mormonism has never been more prominent in public life But there is a rich inner life beneath the public surface one deftly captured in this sympathetic nuanced account by a leading authority on Mormon history and thought

The Oxford Handbook of Mormonism Terryl Givens, Philip L. Barlow, 2015 For this handbook Terryl Givens and Philip Barlow two leading scholars of Mormonism have brought together other top people in the field to construct a collection of essays that offers a comprehensive overview of scholarship on Mormons

Blacktime Song by Rosalie Wolfe Marylee Daniel Mitcham, 2010-05 This is unquestionably a fine work for the reader interested in the post modern novel presenting a single mother and her six year old fairy child who strive to forge a family while leading lives infused with a strong current of spiritual mysticism Levi S Peterson author of *The Backslider* One of the more unusual and funny post modern farcical novels I have ever read and wondered about Its pathos surprises you Rev Perry C Bramlett founder of C S Lewis for the Local Church Interstate Ministries It's 1973 when Rosalie Wolfe and her daughter Meadow leave Cincinnati and head to rural Kentucky where Rosalie hopes to find the God she feels abandoned by Both mother and daughter are excited by their God seeking adventure in different ways and romanticize being poor like the poor people God is known to love *Blacktime Song* by Rosalie Wolfe is a first novel more complex in design than its simple religious plot would suggest Don't beware but be aware The novel's name on the book's cover is Mitcham's name for HER novel while a similar title on the Contents page is the character Rosalie's name for HER novel about someone she calls Hannah Wolfe a voice within a voice within Mitcham's voice On the final page Mark Twain checks in from the Dead with an Afterword will wonders never cease Marylee Daniel Mitcham has worked as a R N in psychiatric settings and as an acupuncturist in private practice Her novel appeared initially as a short story titled *Blacktime Song* in *CoEvolution Quarterly* 1980 Publisher's

website <http://www.strategicpublishinggroup.com/title/BlacktimeSongByRosalieWolfe.htm> *The Mormon History Association's Tanner Lectures* Dean L. May, Reid L. Neilson, 2006 The Tanner lectures an institution at the annual Mormon History Association meetings were established to provide scholars of Mormonism with a perspective for their historical record This volume includes the lectures for the last two decades of the twentieth century a general introduction and specialized introductions Parting the Mormon Veil Ángel Chaparro Sanz, 2017-07-27 Este libro supone una invitación para descubrir la cultura y la literatura mormonas desde una perspectiva muy personal así como un viaje fascinante al territorio literario de Phyllis Barber una vasta extensión de un terreno físico y emocional donde los límites se entrecruzan y el tiempo tejidos que trascienden la narrativa Ángel Chaparro analiza el proyecto social y cultural de la ficción y las autobiografías de Phyllis Barber examina la influencia de la cultura mormona del paisaje del Oeste americano y de los acontecimientos históricos en su escritura y trata de anticipar el espacio que sus libros ocupan en el desarrollo en curso de la literatura mormona y de la cultura del Oeste americano Este original análisis va precedido de una historia de La Iglesia de Jesucristo de los Santos de los Últimos Días **The Backslider** Levi S. Peterson, 2007 Recognized as a Mormon classic twenty years after its release The Backslider features longstanding Christian conflicts played out in a scenic sparsely populated area of southern Utah A young ranch hand Frank Windham conceives of God as an implacable enemy of human appetite He is a dedicated sinner until family tragedy catapults him into an arcane form of penitence preached among frontier Mormons He is saved by an epiphany that has proved controversial among readers either interpreting it as an extreme impiety or celebrating it as a moving and entirely plausible rendering of a biblical theme in a Western setting Frank comes into contact with a host of rural and urban characters Of central importance is his Lutheran girlfriend Marianne whom Frank seduces begrudgingly marries and eventually loves Frank's extended family is just a generation removed from polygamy and still energized by old time grudges and deprivations Along the way Frank encounters a closeted secular humanist a polygamist prophet a psychiatrist a Mason government employees college professors lawyers and entrepreneurs all drawn with heightened realism reminiscent of Charles Dickens or the grotesque forms of William Faulkner and Flannery O'Connor The story engages readers as it alternates almost imperceptibly between Frank's naive consciousness and the more informed awareness of its narrator It can be read as a love story a satiric comedy or a dark and sobering study of self mutilation Shifting from one to another it builds suspense and elicits complex emotions among them a profound sense of compassion More joyous than cynical it sympathizes deeply with the plight of all of God's backsliders Latter-day Saints Gerald S. Argetsinger, Jeff Laver, Johnny Townsend, 2013 Latter Day Saints brings together twenty five exemplary short works depicting a variety of perspectives of what it means to be both Mormon and queer Some portray characters determined to reconcile their sexuality with the Mormon faith in accordance with its constantly evolving teachings and policies The majority present the realities of queer Mormons who have come to terms with their sexuality in a variety of alternative ways Others are written from outside the

Mormon community commenting on often strange encounters with Mormons who are gay These stories are also of value for the broader GLBT community revealing similarities that people of faith regardless of which faith face in attempting to negotiate their religious heritage with their homosexuality Some in the GLBT community find a way while others do not leaving their faith or having it ripped from them They are all individuals searching for answers to life s puzzles Writer's Guide to Book Editors, Publishers and Literary Agents, 2001-2002 Jeff Herman,2000 The classic reference guide for book authors has been completely revised and updated with the names and specific areas of interest of thousands of editors at over 500 book publishing houses **Writer's Guide to Book Editors, Publishers, and Literary Agents, 2003-2004** Jeff Herman,2002 The Key to Unlocking Your Writing Success This ultimate writer s reference connects you to who s who in the publishing industry Inside you ll find the names addresses phone numbers and e mail and Web addresses for hundreds of top editors and agents plus essays from industry insiders who reveal the secrets to big time success With the most up to date information on an industry that s constantly changing this new edition offers everything you need to get past the slush piles and into the hands of the real players in the publishing field including how to write attention grabbing book proposals and thrive off rejection Now you hold the keys to getting published *Excavating Mormon Pasts* Newell C. Bringhurst,Lavina Fielding Anderson,2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association *Excavating Mormon Pasts* assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century **Literary Encounters of Fundamentalism** Klaus Stierstorfer,Annette Kern-Stähler,2008 *Weber Studies* ,1999 *Writer's Guide to Book Editors, Publishers and Literary Agents, 2002-2003* Jeff Herman,2001-07-10 This one of a kind reference provides critical information on securing publishing contracts Jeff Herman's Guide to Book Publishers, Editors & Literary Agents Jeff Herman,2003 A guide to the names and specialities of American and Canadian publishers editors and literary agents includes information on the acquisition process and on choosing literary agents Twentieth-century American Western Writers Richard H. Cracroft,1999 **Small Press Record of Books in Print** Len Fulton,1994 Bulletin of Bibliography ,1991 Mormonism For Beginners Stephen Carter,2016-07-19 *Mormonism For Beginners* is a balanced richly engaging introduction to the history tenets practices traditions and yes debates and controversies of this uniquely American Protestant movement Designed for the uninitiated or younger members of the Church of Jesus Christ of Latter day Saints LDS this book presents the history of the movement from Joseph Smith to the 21st century along with the key doctrines of the faith in the context of everyday life as well as the essential scriptures Not least of Carter and Atwood s accomplishments is addressing such headline grabbing issues as polygamy same sex marriage and the role of women in the LDS church in dispassionate even handed terms Their goal is to

shed a clear light on an often misunderstood belief system and way of life
Dialogue ,2003 A journal of Mormon thought

Mormon Americana David J. Whittaker,1995
