ordinary man when he sits down to reveal his thoughts and bring to life characters whose lives would confront and impact his heart and mind As the people of the imaginary world open the Writer s eyes to his own soul he relishes his intimate sentiments and sees the color of his emotions Caught in an imaginary fabrication where at times he basks in the beauty of creation and at moments he suffers its loneliness There is transformation and simultaneous transition during these years of writing the beginning commences in the cold winter and rejuvenating spring comes in the end But the big question is will the Writer and his realm of fiction survive or both perish without the world ever reading his words and recognizing his worth Mask in the Mirror is a gripping story of self discovery introspection and a touching saga of how fictional life can change the real life of an ordinary man Behind a Mask Theo Douglas,1898 **Love and Life: An Old Story in Eighteenth**
