The Church And The Tithe Debate By Byron Goines:

The Great Tithing Debate A. Bruce Wells, 2007-03-16 Finally there is a book that uses sound rightly divided doctrine and wisdom to answer all your tithing questions No longer will you have to rely on opinions cliché wishful thinking passed down deceptions legalism or plain ole foolishness just to know what is required of you and where you stand with God The Bible is very clear for those who want to know All of your questions are thoroughly answered in THE GREAT TITHING DEBATE The huge list of tithing questions compiled over years of waiting for tithing to finally work hinges on an exhaustive knowledge or lack thereof concerning exactly what Jesus fully accomplished at the cross When the reality of redemption is properly understood most questions disappear and the once shaky believer finds that not only is he now standing on solid rock but has actually become part of that rock When redemption is fully understood one realizes that the act of tithing to open heaven or provide anything that Jesus freely gave at the cross is actually an insult to the suffering He endured at the cross Yes tithing worked in the Old Covenant as a part of the total Law but has absolutely no place in the New Covenant that provides everything Romans 8:32 through the blood of Christ Peter counted such teaching as tempting the Holy Spirit in Acts 15 Paul obviously had the same opinion in most of his writings for those who will read them without wearing their tithing glasses We may call it an act of faith obedience doing the Word good stewardship or what ever we want but at the end of the day it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians As circumcision became nothing under the NT likewise tithing is no longer obligatory Wouldn't it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use Would you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row And finally wouldn't it be nice to have a royal ring put on your finger a kingly robe put on your back and a big hug of approval without having to sleep in the bunk house as a servant until it is decided that you can be trusted So this is a book about salvation something that the church seems to know little about Beyond forgiveness of sins today's church seems to be unaware and uninterested in understanding redemption This vacuum has left us open to a myriad of opinions questionable doctrines and even deception This book endeavors to fill some of that vacuum You should get a copy and explore the possibilities of the complete redemption that God intended for us to enjoy Examine the free preview below and taste and see that the Lord is good even much better than we've been taught Hopefully pride a rampant byproduct of legalism and performance won't keep you from hearing Maybe you're still teachable and open to God's leading even if you're already pretty sure you have a good understanding of the duties required of a genuine Christian DO YOU KNOW THAT Malachi was [Unmasking Traditional Untruths about Tithing by Byron J. Shorter](#) Byron J. Shorter, 2013-08-01 The goal of this study is to give a biblical exposition on the subject of tithing Are we bound as Christians to pay tithes as a command from God According to many in the evangelical Christian community tithing is considered a command for the Church body of Christ to faithfully observe My

purpose for calling this subject into question is to prove that tithing has been taught with a misapplied misallocated and with an artfully misleading interpretation My exposition is a quest for doctrinal purity concerning tithing and to disclose a grievous and burdensome departure from biblical truth a departure that has caused many Christians to feel guilt condemnation oppression economic depression and that they are thieves under a curse from God For example Malachi 3 8 9 has been heralded from the pulpit in order to influence Christians to pay their tithes otherwise God is going to curse them with a curse This in my view is one of the worse cases of theological eisegesis that has ever plagued the Church nothing short of a spiritual scare tactic in order to administer tithe tyranny on the people of God This book Unmasking Traditional Untruths about Tithing does not follow that tradition As the title suggest this books exposition will examine the Holy Scripture so that the truth of God s word will unmask the traditional pseudologia In His service BJS Soli Deo Gloria **Should the Church Teach Tithing?** Russell Kelly, Ph.D.,2001-01-11 Following a thorough examination of every biblical text on tithing Dr Kelly concludes that the church would be best served spiritually by believing and applying better New Testament principles of giving After discussing sound biblical reasons for Christians to replace tithing he presents God s better principles of grace Doctrines such as the New Testament concept of law and covenant and the priesthood of believers are presented as they affect tithing Following several chapters which discuss disputed texts relating to pastoral support this book traces the early development of church support as found in the Church Fathers before Nicea This book leaves no question or objection about tithing unanswered It is a must read for any serious Bible student There is a wealth of other doctrinal insights to be gained as one goes through the Bible in search of the truth about tithing
