The Oath By Frank E Peretti:

The Oath Frank E. Peretti, 2011-10-08 A brutal killer lurks near Hyde River in the Pacific Northwest When wildlife biologist Steve Benson is called in to investigate the latest murder he discovers that the victim is his brother But why are the terrorized townspeople silent and unwilling to help Something evil is at work in Hyde River an isolated mining town in the mountains of the Pacific Northwest Under the cover of darkness a predator strikes without warning taking life in the most chilling and savage fashion The community of Hyde River watches in terror as residents suddenly vanish Yet the more locals are pressed for information the more they close ranks sworn to secrecy by their forefathers hidden sins Only when Hyde River's secrets are exposed is the true extent of the danger fully revealed What the town discovers is something far more deadly than anything they'd imagined Something that doesn't just stalk its victims it has the power to turn hearts black with decay as it slowly fills their souls with darkness Standalone Christian thriller with over one million copies sold Book length approximately 100 000 words Includes discussion questions for book clubs **The Oath** Frank E. Peretti, *The Frank Peretti Collection* Frank E. Peretti, 2015-06-16 Now available in one volume three thrillers from Frank Peretti *The Oath* An ancient sin A long forgotten oath A town with a deadly secret Something evil is at work in Hyde River an isolated mining town in the mountains of the Pacific Northwest Under the cover of darkness a predator strikes without warning taking life in the most chilling and savage fashion The community of Hyde River watches in terror as residents suddenly vanish Yet the more locals are pressed for information the more they close ranks sworn to secrecy by their forefathers hidden sins Only when Hyde River's secrets are exposed is the true extent of the danger fully revealed What the town discovers is something far more deadly than anything they'd imagined Something that doesn't just stalk its victims but has the power to turn hearts black with decay as it slowly fills their souls with darkness *The Visitation* The sleepy eastern Washington wheat town of Antioch has become a gateway for the supernatural from sightings of angels and a weeping crucifix to a self-proclaimed prophet with an astounding message The national media and the curious all flock to the little town a great boon for local business but not for Travis Jordan The burned-out former pastor has been trying to hide his past in Antioch Now the whole world is headed to his backyard to find the Messiah and in the process every spiritual assumption he has ever held will be challenged The startling secret behind this visitation ultimately pushes one man into a supernatural confrontation that has eternal consequences *Monster* Some monsters are real Miles away from the hectic city Reed and Rebecca hike into the beautiful Northwester woods They are surrounded by gorgeous mountains waterfalls and hundreds of acres of unspoiled wilderness During their first night camping an unearthly wail pierces the calm of the forest Then something emerges from the dense woods Everything that follows is a blur to Reed except the unforgettable image of a huge creature carrying his wife into the darkness Enter into deep wilderness where the rules of civilization no longer apply A world where strange shadows lurk Where creatures long attributed to overactive imaginations and nightmares are the hunters and people are the hunted

No More Bullies Frank E. Peretti, 2003-06-17 If you've ever been there you've never forgotten how it feels. It's being undersized or oversized or less than beautiful. It's knowing you are vulnerable and that someone is ready to take advantage of your weakness. It's the fraternity you never wanted to join, the fellowship of the wounded spirit. And Frank Peretti is a member too. In this powerful book, Frank Peretti shares his deeply personal story of growing up different and the persecution he suffered because of it. And from this reservoir of memories, he urges those being abused to speak up and seek help; those in authority to take notice and action; the strong kids to stand up and protect the weak; not prey upon them; all of us to stop thinking of abuse as normal or as kids being kids. This groundbreaking work shows how we all, bullies and victims alike, can find both healing and forgiveness from the anguish and torment associated with the growing epidemic of bullying. *The Visitation* Frank E. Peretti, 2003 Nothing interesting ever happened in the small town of Antioch, Washington, until a mysterious prophet appears, claiming to be the risen Messiah. *Monster* Frank E. Peretti, 2011-10-10 The suspense is bone-chilling when you realize the monsters are real. Miles away from the hectic city, Reed and Rebecca hike into the beautiful Northwester woods. They are surrounded by gorgeous mountains, waterfalls, and hundreds of acres of unspoiled wilderness. During their first night camping, an unearthly wail pierces the calm of the forest. Then something emerges from the dense woods. Everything that follows is a blur to Reed, except the unforgettable image of a huge creature carrying his wife into the darkness. Enter into deep wilderness where the rules of civilization no longer apply. A world where strange shadows lurk. Where creatures long attributed to overactive imaginations and nightmares are the hunters and people are the hunted. New York Times bestseller. Full-length standalone novel. Includes discussion questions for book clubs. *Horror Literature and Dark Fantasy* Mark A. Fabrizio, 2018-05-16 *Horror Literature and Dark Fantasy: Challenging Genres* is a collection of scholarly essays intended to address the parent whose unreasoning opposition to horror entails its removal from a school curriculum; the school administrator who sees little or no redeeming literary value in horror; and the teacher who wants to use horror to teach critical literacy skills but does not know how to do so effectively. The essays herein are intended to offer opportunities for teachers in secondary schools and higher education to enrich their classes through a non-canonical approach to literary study. This book is a deliberate attempt to enlarge the conversation surrounding works of horror and argue for their inclusion into school curricula to teach students critical literacy skills. Satanism: A Social History Massimo Introvigne, 2016-08-29 A 17th-century French haberdasher invented the Black Mass. An 18th-century English Cabinet Minister administered the Eucharist to a baboon. High-ranking Catholic authorities in the 19th century believed that Satan appeared in Masonic lodges in the shape of a crocodile and played the piano there. A well-known scientist from the 20th century established a cult of the Antichrist and exploded in a laboratory experiment. Three Italian girls in 2000 sacrificed a nun to the Devil. A Black Metal band honored Satan in Krakow, Poland, in 2004 by exhibiting on stage 120 decapitated sheep heads. Some of these stories as absurd as they might sound were real. Others, which might appear to be equally well reported, are false. But even false stories

have generated real societal reactions For the first time Massimo Introvigne proposes a general social history of Satanism and anti Satanism from the French Court of Louis XIV to the Satanic scares of the late 20th century satanic themes in Black Metal music the Church of Satan and beyond **Encyclopedia of Contemporary Christian Fiction** Nancy M.
