infiltration by aliens as a cold war allegory that dramatized America's looming fear of a communist invasion and the 1956 film *Invasion of the Body Snatchers* was remade twice Over the course of his career Finney wrote ten novels more than 50 short stories two plays and a work of nonfiction all of which are presented and discussed in this book Also reproduced in full and analyzed is a series of letters exchanged between Finney and various persons associated with his alma mater Knox College These letters give rare insight into Finney's character and demonstrate his personal interest in some of the themes that recur in his fiction This work begins with an overview of Finney's life and career presents a complete assessment of the author's works and concludes with a look at the various ways that Finney's works have been adapted for the stage television and film Also included is the first comprehensive list of Jack Finney's writings ever published
