Kathryn Bonella, 2012 It's snowing in Bali. Among Bali's drug dealers, it's the code for a huge cocaine shipment having just landed. For the men who run the country's drug empires, it's time to get rich and party hard. Snowing in Bali is the story of the drug trafficking and dealing scene that's made Bali one of the world's most important destinations in the global distribution of narcotics. With its central location to the Asia Pacific market, its thriving tourist industry to act as cover for importation and a culture of corruption that can easily help law enforcement turn a blind eye, Bali has long been a paradise for traffickers as well as for holiday makers. Kathryn Bonella, bestselling author of *Hotel Kerobokan*, has been given extraordinary access into the lives of some of the biggest players in Bali's drug world, both past and present. She charts their rise to incredible wealth and power and their drug-fuelled lifestyles filled with orgies, outrageous extravagance and surfing. But running international drug empires in Bali can also be a highly risky business with terrible consequences for those caught and convicted. From the highs of multi-million dollar deals to the desperate lows of death row in an Indonesian high security jail, *Snowing in Bali* is a unique, uncensored insight into a hidden world. **Hotel Kerobokan** Kathryn Bonella, 2009 Welcome to Hotel Kerobokan, the ironic nickname for Kerobokan Jail, Bali's most notorious prison and home to a procession of the infamous and the tragic: the BALI BOMBERS, Gold Coast beautician SCHAPELLE CORBY and the BALI NINE among many others. In Hotel Kerobokan's filthy and disease-ridden cells, a United Nations of prisoners live crushed together in misery. Petty thieves and small-time drug users share cells with killers, rapists and gangsters. Hardened drug traffickers sleep alongside unlucky tourists who've seen their holiday turn from paradise to hell over one ecstasy tablet. Hotel Kerobokan reveals the wild sex nights organized by corrupt guards for prisoners who have the money to pay the rampant drug use, the suicides and killings and days out at the beach. It exposes the jail's role in supplying high-grade drugs to the outside, the gang that rules the jail through terror, the corruption that means anything is for sale and the squalor and misery endured by prisoners. Written by Kathryn Bonella, the co-author of Schapelle Corby's bestselling autobiography and backed up by hundreds of prisoner interviews, the truth about Hotel Kerobokan explodes off the page. **Hotel K** Kathryn Bonella, 2011-02-03 Hotel K, Bali's most notorious jail, is Hell in

My Story Schapelle Corby, Kathryn Bonella, 2013 Seven years after first publication of her number one bestselling memoir Schapelle Corby remains in jail and her book remains her only direct communication with the Australian public It was meant to be a two week break to a tropical paradise But for Schapelle Corby it ended up a waking nightmare She was arrested at Denpasar airport after 4.2 kilograms of marijuana were found in her bag Schapelle had become the real life victim of every traveller's darkest fear drugs had been placed in her bag after she checked it in Though innocent she was forced to face the consequences of another's crime in a country where the penalties for drug smuggling are among the harshest in the world Her trial and conviction became one of the biggest stories of the decade in Australia and the entire nation watched in horror as she was sentenced to twenty years in jail Her story has rarely left the headlines in the years since In her searing and compelling book we hear her tell her own story of being wrenched from a carefree holiday into a stinking police cell of an alien legal system where her attempts to prove herself innocent were thwarted at every turn and of learning to survive day by terrible day in the squalor discomfort and violence of a third world jail Schapelle's story is like no other a young woman experiencing the unimaginable and enduring the unendurable with courage strength and humour
