

The background of the book cover is a detailed illustration of a city, likely New Orleans, at dusk. The sky is a mix of blue and yellow, suggesting the setting or rising sun. In the foreground, there are dark, silhouetted trees and a street. In the middle ground, several large, multi-story buildings are visible, some with their windows glowing with warm yellow light. The architecture is a mix of styles, including what appears to be a grand, classical-style building on the left and more modern or industrial-looking structures to the right. The overall mood is atmospheric and evocative.

Sunila Kunari to believe there's more to her story than she's ever been told and she's determined to follow the truth wherever it leads her. A deep current intertwines the lives of these three souls and a destiny of freedom, faith, and friendship awaits them all on the banks of Molasses Creek. Seitz has written good stories in the past, but *Beyond Molasses Creek* exceeds all of them. Jackie K. Cooper, *The Huffington Post*. **The Perk Paperboy** Len Blackwell, 2010-11-30. I did not have time to read this, but once I started, I could not stop. I read until 11 p.m. and then woke up at 2:30 a.m. and finished at dawn. January 6, 2010. This account of life in a southern hamlet just before the horrific experience of Vietnam ended America's last era of innocence would be of interest to any student of sociology. But in the case of this reader, its magnetism springs from the fact that I knew nearly everyone in *The Perk Paperboy* a decade later. Having arrived in Perk as a history teacher in 1967, I was fascinated by the sketches of the younger Dean C. G. Odom, Sydney Alexander, Gregory Davis, Sadie Lee, and so many others. C. G. hired me. Miss Alexander's office was on the same hall as mine in the Dees Building, and Mrs. Davis showed me the squared timbers in her home that were hand-hewed circa 1859 by John Perkins, who gave his name to Perkins Town. I saw Sadie Lee stick a screwdriver in an electrical socket and melt in a flash of sparkling blue fire that did no harm because it had a rubber handle. To me, reading this was like watching the first half of a movie I had already seen the ending of. I enjoyed it thoroughly. Charles Sullivan, author of *Mississippi Gulf Coast Community College: A History*. Len Blackwell has written a warm and loving account of growing up in Perkinston, Mississippi. Readers will perceive images of Tom Sawyer and Huck Finn in the author's adventures. It is a book for every family's bookshelf to be read again and again. George Thatcher, author of *Beach Walks: The Paperboy*. It was my good fortune to be in a village that helped raise me, and it was a rare privilege in that special time of growing up to see it from the vantage point of my Western Flyer bicycle delivering the news, a kid pedaling away with my hair blowing in the breeze. **Fodor's In Focus Charleston** Fodor's, 2013-03-19. Agoraphobics in Love Lisa Tucker, 2011-08-16 After the accidental death of her parents, Emily retreated to their home where she freelances for an online greeting card company and tries to come up with words for feelings she can no longer feel. Jules climbed his way up to creative director of an advertising agency; he had power, a girlfriend, and a great apartment in New York when he started having the panic attacks that would leave him in a tiny, sublet, unemployed, and alone. But when Emily and Jules both join an online board for agoraphobics, what begins as friendship quickly develops into something much more. Now if only they can find the courage to leave their safety zones and actually meet for the first time. Witty, wistful, and deeply moving, *Agoraphobics in Love* is an O.
