The Master By Colm Tibn:

The Master Colm Tóibín, 2023-06-15 Shortlisted for the Man Booker Prize A triumph The Observer A masterly achievement The Independent In January 1895 Henry James anticipates the opening of his first play Guy Domville in London The production fails and he returns chastened and humiliated to his writing desk The result is a string of masterpieces but they are produced at a high personal cost In *The Master* Colm Tóibín captures the exquisite anguish of a man who circulated in the grand parlours and palazzos of Europe who was astonishingly vibrant and alive in his art and yet whose attempts at intimacy inevitably failed him and those he tried to love It is a powerful account of the hazards of putting the life of the mind before affairs of the heart *The Master* Colm Tóibín, 2004-01-01 A deep lovely and enthralling book that engages with the

disquiet and drama of a famous writing life splendidly conceived and composed by a writer who is himself a master of his art Shirley Hazzard The Great Fire **The Master** Colm Toibin, 2005-03-01 An international literary sensation Colm Tóibín's brilliant and profoundly moving novel tells the story of celebrated writer Henry James While delving back into James's past the narrative's present day takes place over the course of five significant years in the author's life during which he produced a sequence of major novels that came into being at a high personal cost In stunningly resonant prose Tóibín captures nineteenth century European landscapes and the loneliness and longing the hope and despair of a man who never married never resolved his sexual identity and whose forays into intimacy inevitably failed him and those he tried to love Time and again James a master of psychological subtlety in his fiction proves blind to his own heart In *The Master* Colm Tóibín has written his most powerful novel one that enters the mind and soul of Henry James the man and the writer to give us a true portrait of the artist **The Master** Colm Toibin, 2005-05-03 Presents a fictionalized study based upon the many

biographical materials and family accounts of nineteenth century novelist Henry James and examines his life of loneliness despair and failed relationships Master Colm Toibin, 2005-05-01 A fictionalized study based on many biographical materials and family accounts of Henry James's life this volume ranges seamlessly from his memories of his prominent Brahmin family in the States to his settling in England Along the way it offers hints of James's troubled sexual identity

The Master Colm Tóibín, 2004 *The Language of Design* Andy An-Si Dong, 2008-11-07 The Language of Design articulates the theory that there is a language of design Drawing upon insights from computational language processing the language of design is modeled computationally through latent semantic analysis LSA lexical chain analysis LCA and sentiment analysis SA The statistical co occurrence of semantics LSA semantic relations LCA and semantic modifiers SA in design text is used to illustrate how the reality producing effect of language is itself an enactment of design allowing a new understanding of the connections between creative behaviors The computation of the language of design makes it possible to make direct measurements of creative behaviors which are distributed across social spaces and mediated through language The book demonstrates how machine understanding of design texts based on computation over the language of design yields

practical applications for design management Jamesian Cultural Anxiety in the East and West Choon-Hee Kim, 2020-01-31

This volume explores the world that shaped Henry James's work and influenced his legacy through the themes of Jamesian cultural anxiety between and beyond spatio-temporal boundaries. As such, each chapter constructs a mode of reading to map and formulate one's own cultural perspective in various contexts, relying on their unique engagement with James's and Jamesian creative acts of writing aesthetics and science, the auto-biographical as social aspects, genre as literary social context, the artistic and the economic editorship and readership, and Asian perspectives on cultural influences and identities to generate insights and establish new intercultural understandings. These are the traces of the contributors' national social cultural consciousness that allow the definition of the Jamesian worldview as a particularly universal one in a global context.

The Legacies of Modernism David James, 2011-10-20 An engagement with the continued importance of modernism is vital for building a nuanced account of the development of the novel after 1945 Bringing together internationally distinguished scholars of twentieth and twenty first century literature these essays reveal how the most innovative writers working today draw on the legacies of modernist literature Dynamics of influence and adaptation are traced in dialogues between authors from across the twentieth century Lawrence and A S Byatt Woolf and J M Coetzee Forster and Zadie Smith The book sets out new critical and disciplinary foundations for rethinking the very terms we use to map the novel s

Not Now, Voyager Lynne Sharon Schwartz, 2010-04-13 Ever since the explorations of Marco Polo and the travels of Montaigne a lively dialogue has persisted about the pros and cons of travel Lynne Sharon Schwartz joins this dialogue with a memoir that raises both serious and amusing questions about travel using her own experiences as vivid illustrations Not Now Voyager takes us on a voyage of self discovery as the author traces how travel has shaped her sensibilities from childhood through adulthood She makes an adolescent visit to Miami Beach where she confronts the powerful sensation of not belonging she goes to Rome as a young woman and ponders the difference between ignorance and innocence she ventures to Jamaica and witnesses political and social unrest and she takes a family road trip to Montreal and watches her daughters come to startling realizations of their own Schwartz's personal history takes on new shapes and her feelings about travel change as she shows us who she started out as and who she has become Above all this memoir exemplifies a mode of travel in and of itself the mind on a journey or quest pausing here and there sometimes by design sometimes by serendipity lingering occasionally backtracking but always on the move **Antiquity Matters** Frederic Raphael, 2017-01-01 A sharp

often surprising view of the classical world by a major classics scholar at Cambridge and author of *The Glittering Prizes* This book is the culmination of more than sixty years of a writing life during which Frederic Raphael has returned again and again to the literature and landscape of the ancient world In his new book Raphael deploys his renowned wit and erudition to give us a vivid mosaic of the complexities and contradictions underlying Western civilization and its continuing influence upon contemporary society Tackling a broad range of topics from the presumed superiority of democracy to the momentum behind today's gay rights movement Raphael's often daringly heterodox view of the Greek and Roman world will provoke surprise and at the same time entertain readers He shows how the interplay of fiction and reality rhetorical aspiration and practical cunning are threaded through modern culture
