From time to time a book appears on the scene that radically challenges and or refutes contemporary Consensus Reality Truths that are intellectually interpreted truths that are honored and celebrated as reinforcing our current progressive culture and economy God Loves You Maybe But Only Just a Few is one such book In this book Pastor Robert b Latimer has assembled an impressive menu of Biblical Truths that have for centuries been accepted and bent to the needs the will and the desires of prevailing progressive social reality And by doing so he has also boldly declared the original biblical truths as they were originally breathed by the Holy Spirit into Holy Scripture You may ask why is this so important at this time in history The aim and purpose of this book is quite clear It was written to enable the twenty first century chosen elect beloved of God to not be deceived by the confusion and chaos of current contemporary American Consensus Reality Based Truths Truths wholly based and interpreted on prevailing Personal Intellectual Authority levels as opposed to the direct illumination of the Holy Spirit the Revealer unto All Truths Pastor Latimer hopes that by clarifying key Biblical Truths as they were originally meant to be it will successfully prepare contemporary Christians to dress themselves in the same kind of rugged protective spiritual armor required for them to stand strong and vigorously oppose the false truths being loudly taunted by many Lay Renewal Theology Groups of the day This book is not so much confrontational as it is controversial in nature The Biblical Truths set forth in this book seek to clarify the facts surrounding them as they were originally meant to be engaged and lived by God s chosen elect beloved These truths cut through the heart of historical theological social and political thinking of the twenty first century By doing this Pastor Latimer hopes that every reader s heart will literally be cut by the Holy Spirit unto the real truth of the truths of God s Word biblical truths as they were originally breathed into Scripture by the Holy Spirit Biblical truths as they were originally meant to be accepted and engaged **The Announcement** Michael J. Seasons of Biblical Spirituality Mark G. Boyer,2023-07-28 This book presents one hundred reflections on the four seasons spring summer autumn and winter The seasons of the year bring change to people Winter heating gives way to spring and summer air conditioning The new life of spring trees leafing bulbs blooming grass growing brought about by rain turns into summer maintenance Summer maintenance diminishes as the autumn chill begins to spread across the land and T shirts and shorts are exchanged for sweaters and jeans Coats are brought out of the closet and prepared to be worn as frost forms on the lawn snow falls from the sky and ice forms on water The changes that take place outside of us also take place inside us Without noticing we discover ourselves adapting as we pass from one season to another All the reflections provided in this book begin with biblical passages that mention each specific season or some event that occurs as part of the season The passage is followed by a reflection a Psalm response questions for meditation and or journaling and prayers designed to nourish one s spirituality The yearly process of passing from one season to another brings about transformation in us of which we may not be aware

While millions of Bibles are distributed in North America every year, most of them are never read. One significant reason for this is that the Bible has been shaped over time in a way that makes it difficult to read and understand. But the Scriptures are now being released in a new format designed to help readers overcome the problems that the traditional presentation creates. In this new edition, the Books of The Bible chapters and verses have been removed; the books appear in a new order, and longer works that were divided over time have been restored to unity. Christopher R. Smith is a member of the team that worked with the International Bible Society to develop this new edition. In this book, he traces the history and effects of the traditional elements that have shaped the customary presentation of the Scriptures. He describes how the new format was developed to help overcome these effects. And he explains how The Books of The Bible can be used effectively for personal devotions, group studies, sermon preparation, and the other disciplines by which we apply the teachings of God's word to our lives. The Rev. Dr. Christopher R. Smith is pastor of the University Baptist Church of East Lansing, Michigan. He has a B.A. in literature from Harvard University, an M.A.T.S. in church history from Gordon-Conwell Theological Seminary, and a Ph.D. in theology from Boston College. His articles have appeared in such publications as *The Journal for the Study of the Old Testament*, *New Testament Studies*, *Novum Testamentum*, and *Vigilae Christianae*. *Genuine Christianity* L. F. Low, 2009

With new religions forming every day, it can be difficult to know what is true. Are you a practicing Christian who asks, "How can I be closer to God?" Are you someone who is constantly wondering, "What's missing from my life?" Brother L. F. Low has created this guide to answer those very questions. Using real-life stories and experiences in combination with Bible scriptures, Brother Low takes you on a step-by-step journey toward an intimate relationship with God. Whether you are a practicing Christian or someone looking to better your life, don't miss out on this opportunity to become a Genuine Christian. *A Spiritual Journey of Healing & Forgiveness through CHRIST* Joshua B. Seth, 2014-12-23
