Pacific Payback Stephen L. Moore,2014-06-03 Deeply researched and well written By far the most detailed account of USS Enterprise s dive bombers and their decisive role at the Battle of Midway Sunday December 7 1941 dawned clear and bright over the Pacific But for the Dauntless dive bomber crews of the USS Enterprise returning to their home base on Oahu it was a morning from hell Flying directly into the Japanese ambush at Pearl Harbor they lost a third of their squadron and witnessed the heart of America s Navy broken and smoldering on the oil slicked waters below The next six months from Pearl Harbor to the Battle of Midway a dark time during which the Japanese scored victory after victory this small band of aviators saw almost constant deployment intense carrier combat and fearsome casualties Many were killed by enemy Zero fighters antiaircraft fire or deadly crash landings in the Pacific while others were captured and spent years in POW camps Yet the Enterprise s Dauntless crews would be the first to strike an offensive blow against Japanese installations in the Marshall Islands would be the first to sink a Japanese warship and would shepherd the Doolittle Raiders bombing of Tokyo Not until Midway though would Dauntless crews get the chance to settle the score and change the course of World War II Drawing on dozens of new interviews and oral histories author Stephen L Moore brings to life inspiring stories of individual sacrifice and bravery and the sweeping saga of one of America s greatest triumphs
