Igniting a Passion for Reading Steven Layne, 2023-10-10 When teaching reading American classrooms often focus exclusively on skills instruction But how can you teach the how without the why In his new book Igniting a Passion for Reading Steve Layne shows teachers how to develop readers who are not only motivated to read great books but also love reading in its own right Packed with practical ways to engage and inspire readers from kindergarten through high school this book is a must have on every teacher s professional book shelf Well known for his children s books young adult novels and keynote speeches across the nation and around the world Steve aka Dr Read offers teachers everywhere a plan for engaging even the most reluctant reader From read alouds to creating reading lounges to author visits and so much more this book will help schools create a vibrant reading culture The book also includes reminiscences from many of today s well known children s and young adult authors Mem Fox Sharon Draper Steven Kellogg Candace Fleming Eric Rohman Neal Shusterman and Joan Bauer about the teacher who ignited their passion for reading Written with humor grace and poignancy Igniting a Passion for Reading will have a profound effect on the teaching of reading in our nation s schools

Readicide Kelly Gallagher, 2023-10-10 Read i cide The systematic killing of the love of reading often exacerbated by the inane mind numbing practices found in schools Reading is dying in our schools Educators are familiar with many of the factors that have contributed to the decline poverty second language issues and the ever expanding choices of electronic entertainment In this provocative book Readicide How Schools are Killing Reading and What You Can Do About It author and teacher Kelly Gallagher suggests it is time to recognize a new and significant contributor to the death of reading our schools Readicide Gallagher argues that American schools are actively though unwittingly

furthering the decline of reading Specifically he contends that the standard instructional practices used in most schools are killing reading by Valuing standardized testing over the development of lifelong readers Mandating breadth over depth in instruction Requiring students to read difficult texts without proper instructional support and insisting students focus on academic texts Ignoring the importance of developing recreational reading Losing sight of authentic instruction in the looming shadow of political pressures Readicide provides teachers literacy coaches and administrators with specific steps to reverse the downward spiral in reading steps that will help prevent the loss of another generation of readers [Reid's Read-Alouds](#) Rob Reid, 2009-02-27 In this timesaving resource Reid makes reading aloud to children and teens easy by selecting titles in high interest topics and providing context to spotlight great passages **Quick and Popular Reads for Teens** Pam Spencer Holley, 2009 Compiles and annotates YALSA's Popular Paperbacks for Young Adults and Quick Picks for Reluctant Readers Includes theme lists [Believe](#) Sarah Aronson, 2024-05-07 When Janine Collins was six years old she was the only survivor of a suicide bombing that killed her parents and dozens of others Media coverage instantly turned her into a symbol of hope peace faith of whatever anyone wanted her to be Now on the ten year anniversary of the bombing reporters are camped outside her house eager to revisit the story of the Soul Survivor Janine doesn't want the fame or the pressure of being a walking miracle But the news cycle isn't the only thing standing between her and a normal life Everyone wants something from her expects something of her Even her closest friends are urging her to use her name recognition for a worthy cause But that's nothing compared to the hopes of Dave Armstrong the man who a decade ago pulled Janine from the rubble Now he's a religious leader whose followers believe Janine has healing powers The scariest part They might be right If she's the Soul Survivor what does she owe the people who believe in her If she's not the Soul Survivor who is she **A Family of Readers** Martha V. Parravano, Roger Sutton, 2012-10-09 Two of the most trusted reviewers in the field join with top authors illustrators and critics in a definitive guide to choosing books for children and nurturing their love of reading A FAMILY OF READERS is the definitive resource for parents interested in enriching the reading lives of their children It's divided into four sections 1 Reading to Them Choosing and sharing board books and picture books with babies and very young children 2 Reading with Them Launching the new reader with easy readers and chapter books 3 Reading on Their Own Exploring what children read and how they read by genre and gender 4 Leaving Them Alone Respecting the reading privacy of the young adult Roger Sutton knows how and why children read He must as the editor in chief of THE HORN BOOK which since 1924 has been America's best source for reviews of books for young readers But for many parents selecting books for their children can make them feel lost Now in this essential resource Roger Sutton and Martha V Parravano executive editor at the magazine offer thoughtful essays that consider how books are read to and then by young people They invite such leading authors and artists as Maurice Sendak Katherine Paterson Margaret Mahy and Jon Scieszka as well as a selection of top critics to add their voices about the genres they know best The result is an indispensable readers
