In Mary McEvoy,2011-04-07 Mary McEvoy one of Ireland s best loved actresses lived for many years with undiagnosed depression From the outside looking in she was a successful confident woman making strides in her career happy in her personal life Yet behind the scenes there were times when she was so crippled with despair that the least she could do was to make it out of bed Here for the first time Mary describes the true nightmare behind the fa ade and how since diagnosis she has learned to cope and deepened in wisdom through the experience She traces the roots of her depression a condition which for a long time she felt like she had no right to own given that she experienced a happy childhood in a loving family Yet key negative incidents in her early life would have a profound shape on what followed She also looks at the broader question as to why depression is so prevalent today and questions the modern obsession with perfection and youth offering her least you can do philosophy as a welcome antidote She shares her insights into how a person can not only learn to cope with depression but ultimately live life to its full potential whatever that is Bravely recounted and full of down to earth wisdom and honesty How The Light Gets In is a book that shines a light into dark places *Skinner Vai ao Cinema (Vol. 3)* Ana Karina C.
