

From the renowned author of *THE COLDITZ STORY* and *ESCAPE FROM COLDITZ*, a definitive account of WWII Germany's "escape proof" prison: classic escape tales enhanced by three decades of new research.

COLDITZ

THE FULL STORY

P.R. REED

Praise for the world's leading author of
true-life escape stories

"For those who ever expect to have to escape from a prison camp *THE COLDITZ STORY* is a text. For those who look forward to a more pedestrian future but who like personal adventure stories of men with sangfroid, ingenuity, humor and cockiness this book is highly recommended reading."

The Colditz Story By Pr Reid:

The Colditz Story Major P R Reid, 2014-12-04 Colditz was the last stop for prisoners of war during WWII Those who persisted in escaping from other camps were sent to the impregnable fortress of Colditz Castle situated on a rocky outcrop high above the River Mulde Once within the walls of the castle the Germans reasoned escape was impossible And yet many prisoners attempted escape and many succeeded Pat Reid was one of those men Appointed Escape Officer by his fellow inmates he masterminded many of the attempts From tunnelling to hiding in rubbish sacks disguising themselves as German officers and even leaping from the castle walls nothing was too dangerous or foolhardy compared to imprisonment by the enemy Reid s own escape in 1942 was both one of the most simple and the most daring First published in 1952 **The Colditz Story** is a classic escape story in the tradition of *The Great Escape* and *The Wooden Horse* **Colditz** P R Reid, 2011-08-19 Daring escapes ingenious plans and heroic feats are revealed in Major Pat Reid s classic Second World War history of Colditz the infamous prisoner of war camp The great fortress was supposed to be escape proof and Reid was one of only a few men who successfully broke out Now in *Colditz The Full Story* he draws on extensive research to evoke life in the German camp He recounts how prisoners from the British Commonwealth America Belgium France Holland Czechoslovakia Germany and Poland were incarcerated in suffocating intimacy and yet amongst them loyalty and generosity thrived As did plots to escape most of which were unsuccessful From his own experience as one of the first captives to be imprisoned in the camp he reveals the code systems between the War Office and Colditz shows how he obtained information on Germany s secret weapons and investigates the existence of traitors and the situation of non collaborators This is a vivid and fascinating account that pays tribute to the bravery of the men living under enemy control who refused to give up the fight Highly recommended reading New York Times *The Latter Days at Colditz* Major P R Reid, 2014-12-04 In *THE COLDITZ STORY* Pat Reid told the story of the escape academy that sprang up inside the most impregnable German POW camp of the Second World War ending appropriately with his own incredible escape from Colditz But Reid s own break out was by no means the last In this enthralling sequel he follows the fortunes of the escape academy right up until the arrival of the allied forces in April 1945 These tales of fantastic bravery and stunning ingenuity are every bit as mesmerising as the original A true classic *LATTER DAYS AT COLDITZ* is the bestselling conclusion to the story of the infamous German P O W camp **The Colditz Story** Patrick Robert Reid, 1960 **The Colditz Story** Patrick R. The Colditz Myth S. P. Mackenzie,2006 Though only one among hundreds of prison camps in which British servicemen were held between 1939 and 1945 Colditz enjoys unparalleled name recognition both in Britain and in other parts of the English speaking world Colditz remains a potent symbol of key virtues including ingenuity and perseverance against apparently overwhelming odds that form part of the popular mythology surrounding the British war effort in World War II Colditz has played a major role in shaping perceptions of the POW experience in Nazi Germany an experience in which escaping is assumed to be paramount and Outwitting the Hun a universal sport The story of Colditz has been told in a variety of forms but in this book MacKenzie chronicles the development of the Colditz myth and puts what happened inside the castle in the context of British and Commonwealth POW life in Germany as a whole Being a captive of the Third Reich from the moment of surrender down to the day of liberation and repatriation was more complicated and a good deal tougher than the popular myth would suggest The physical and mental demands of survival far outweighed escaping activity in order of importance in most camps almost all of the time and even in Colditz the reality was in some respects very different from the almost Boy s Own caricature that developed during the post war decades In *The Colditz Myth* MacKenzie seeks for the first time to place Colditz both the camp and the legend in a wider historical context **Colditz** P. R. Reid,1962 **The Colditz**
