Born in the wastelands where if a basic lack of resources didn't kill you, violence would. Cara is happy to reap the benefits of a job and a safe place in the city to call home. But when one of her eight remaining doppelgängers dies under mysterious circumstances, Cara is plunged into a new world with an old secret. What she discovers will connect her past and future in ways she never could have imagined and reveal her own role in a plot that endangers not just her world but the entire multiverse.
