**Melodies Under the Palms** Salma Ajo,2015-10-24 The main objective of this book is to introduce the Iraq I used to know and bring about a different perspective to a country that has been so harshly portrayed by the media The reader will be taken back to a time where Iraq was filled with culture and diversity and experience what it was like to grow up in the region of the Fertile Crescent The true beauty of such a wonderful country will be brought to light and its vast history will leave readers in awe It is my hope that this book will raise a new level of awareness and bring about feelings toward a culture that seems all but gone forever Although the Iraq I used to know is longer such my memories will make sure that it stays with us for eternity I am pleased to share my personal experiences and feel readers from all backgrounds will enjoy them A Woman's Tell, a True Story Evelyn Eason,2011-06-15 I was raised in poor neighborhoods with many

brothers and sisters I had an average education I was well known in high school made good grades and achieved a lot of awards Then I had to face one of my biggest struggles becoming a teen mother I eventually had to give up friends and graduated after only 3 years of high school Kids do not realize the result of the choices that they make may affect the rest of their lives I am going to take you through a journey of one of the most popular choices teenagers choose Unprotected sex is one of the most popular choice a teenager would make without thinking about the affects it would have In this story you would see the difficulties as a teenage mom struggling through the drama of dealing with her daughters father and his family Losing her faith and finding it again She turns what could have been the most devastating turning point in her life into her motivation to become someone her daughter could look up to and be proud of As an adult she has more insight than a person does her age Parents I hope this will help you find the strength and courage to talk to your children about safe sex and start at an earlier age than normal That talk may save you and your child some devastating problems in the end Teenagers make wiser choices let your parents or someone grown you trust know that you are having those feeling before you go out and do it If you are going to have sex always use protection because it just may save your life in many ways **Answers from Within**
