Brady, 2011-12-06 *Night in the Dog's Head* is a historically based novel of courage and sacrifice. American soldiers are committed to a war half way around the world to preserve a nation from a takeover by a socialist tyrant. The policy that sent Americans to Asian battlefields was subsequently repudiated. For the next three years US Forces fought and died in a war their country no longer wanted to win. While American forces consistently won their battles and inflicted appalling casualties on their foe a poorly informed and sensation seeking media misled the American public. Conflicted politicians turned against the war and the US submitted to a third rate Asian nation. The novel is set in the political and military affairs of the time. It realistically presents the courage and dedication the successes and the failures of the men who fought not for principal but to survive a war their nation didn't want to win. Friend and foe alike are followed to reveal who they were how and why they fought. It is a story of the Vietnam War the way it was. At the center is a single undermanned American battalion destined to face a numerically superior enemy whose orders are to kill the Americans. After more than 58 000 Americans were killed in action US forces were withdrawn without a single concession from the enemy. The units cited are real the incidents and characters have been contrived to suit the story *Heart of the Matter* Marta Perry, 2010-01-21 When her boss tries to turn her family into a news story a young reporter shows him a thing or two family and love in this inspirational

Richard Flanagan Critical Essays is the first book to be published about the life and work of this major world author. Written by twelve leading critics from Australia, Europe, and North America, these richly varied essays offer new ways of understanding Flanagan's contribution to Tasmanian, Australian, and world literature. Flanagan's fictional worlds offer empathetic, often poignant renderings of those whose voices have been lost beneath official accounts of history stories from a small region that have made their mark on a global scale. Considering his seven novels as well as his non-fiction journalism and correspondence, this collection examines the historical and geographical factors that have shaped Flanagan's representation of Tasmanian identity. This collection offers new insights into a determinedly regional writer and the impact he has had on a local, national, and global scale.

The Autobiography of a Super-Tramp W. H. Davies, 2022-06-13 In this gripping work, W. H. Davies wrote of the five years he spent as a wanderer roaming across the US, Canada, and England. He told how he never bought a ticket but traveled by train, riverboat, and foot. Davies lived by begging, hawking, harvesting crops, tending cattle, and more. The book uncovers his love for reading and writing, particularly poetry. A hard but free life is depicted by him in this work that is fun to read about.

The Autobiography of a Super-Tramp - With a preface by Bernard Shaw Bernard Shaw, W. H. Davies, 2023-12-29 *The Autobiography of a Super Tramp* With a preface by Bernard Shaw is a compelling exploration of vagabond life at the turn of the 20th century. This anthology blends introspection and social commentary, portraying life's transitory nature through an assortment of styles captured most vividly by the preface penned by the erudite Bernard Shaw. The collection's tapestry of experiences and reflections examines societal norms and the raw dignity found within unheralded existences, offering both a striking realism and an earnest celebration of human resilience. Vivid storytelling blends with rich cultural portrayals, merging authenticity with literary brilliance. This collection punctuates the literary continuum of its time, bringing together two giants of diverse backgrounds: Bernard Shaw, a venerable voice of socialism and theory, and idyllic poet W. H. Davies, whose real-life experiences as a wanderer enrich his compelling narrative. The coming together of Shaw's incisive intellect and Davies' poetic yet grounded prose provides a comprehensive lens into the socio-economic observations central to early 20th-century British literature. Together, these voices construct an anthology of confession and exploration, capturing the reader with its vivid portrayal of marginalized existences. Readers are invited to delve into this unique narrative journey where the multiplicity of perspectives offers a profound educational treasure. This collection not only illuminates the distinct epochs and styles of its contributors but also encourages readers to reflect on societal structures and personal freedoms. It

stands as a testament to the enduring storytelling craft forging an enlivening dialogue on human experiences societal roles and the reflective pursuit of understanding the world s unsung melodies and tales *THE AUTOBIOGRAPHY OF A SUPER-TRAMP* Bernard Shaw,W. H. Davies,2023-12-21 The Autobiography of a Super Tramp offers a compelling amalgam of literary voices encapsulating the experiences struggles and insights from the fringes of early 20th century society Edited by two of the period s forward thinking literary figures the collection stands as a testament to the diversity and depth of autobiographical narrative especially from the perspective of wandering and societal detachment Through a range of styles from the raw and unembellished to the subtly profound the anthology brings to life the vagabond s journey across both the geographical and psychological landscapes of the time Noteworthy is how it bridges the gap between personal narrative and broader societal critique offering readers a multifaceted understanding of what it means to be a super tramp The contributing editors Bernard Shaw and W H Davies bring a rich historical and cultural perspective to the collection aligning it with broader literary movements of realism and naturalism Shaw s penchant for societal critique and Davies s poetic detailing of the tramp life underscore the anthology s thematic diversity enriching the reader s understanding of early 20th century disenfranchisement and the literary reflection of such life experiences Together they compile narratives that do not merely tell stories but also critique the societal fabric of their times making The Autobiography of a Super Tramp a significant literary mosaic of its era This anthology is recommended for readers intrigued by the intersection of personal narrative and societal observation It promises a unique exploration into the lives and philosophies of those who walked the peripheries of early 20th century society Through Shaw and Davies s editorial eye The Autobiography of a Super Tramp offers an educational journey into the past presenting a breadth of insights that challenge our understanding of marginality and autonomy Engaging with this collection provides a rare opportunity to foster a dialogue between the diverse literary styles and thematic undertones promising an enriching experience to scholars and enthusiasts alike **The Los Baños Raid** E. M. Flanagan,1986 **Twin Targets** Marta Perry,2009-12-15 The Witness Protection Program was supposed to keep Jade Summers s sister safe So why is U S Marshal Micah McGraw saying her twin is dead Jade doesn t get the chance to ask because their meeting is interrupted by Ruby s killers The mob is after Jade but neither Micah nor Jade know why Somehow it s connected to a decades old crime Finding the truth could be disastrous but lives depend on it Several women are in danger and Jade is the first one in the killer s sights *Love in an Altered State* William J. Potaka Jr.,2011-01-04 LOVE IN AN ALTERED STATE encompasses many aspects of the life and times of a seemingly ordinary man and his contribution to posterity The story begins with the fact that Bill has suffered a debilitating cerebral stroke The time line begins approximately 60 years after the end of World War II in which Bill served as a paratrooper Because of his poor health he now appears older than his 86 years To his very young great grandchildren he is seen as an old man in a wheelchair The ignorance of youth has masked the fact that he was once youthful and that he led a remarkable life full of achievement Much

of his life was molded by his heritage and the turbulence of the early 1940s the preceding Great Depression and World War II It is a story of humble beginnings in a Western Pennsylvania coal patch town It is a tale of hard work love and separation duty honor and patriotism The story describes his early home life and family and how he had to quit school to work in the mines to help the family through tough economic times The book tells the story of his loving wife Flo and their courtship and early years It is a story that exemplifies the power of love It details the feeling of separation they endured during Bill s nearly three years of military service Bill s military service is chronicled through the archives of the 11th Airborne Division and other military histories The actions of the 11th Airborne are interspersed with Flo s life on the home front From humble beginnings to a young husband and father in harm s way to a returning veteran trying to achieve the American Dream to a life time of community service and achievement in business Bill has now arrived at his life in an altered state
