Hart,2025-06-09 In a world where mythical creatures rule humans are nothing more than slaves subjugated powerless and without rights They live in the shadows bound by the whims of their supernatural masters The only glimmer of hope in this oppressive world is the belief that someday they might become the soul mate of one of these creatures But not her She has always despised the very thought of mythical beings especially werewolves the monsters who are both feared and revered in equal measure Every bone in her body rejects the idea that she could ever be connected to one of them To her they are nothing but predators their power and cruelty leaving nothing but destruction in their wake The idea of being anyone s soul mate let alone a werewolf s is a notion that repulses her But fate has a twisted sense of humor When she discovers that she is in fact the soul mate of one of these so called monsters everything she thought she knew about the world and herself shatters To make matters worse the werewolf she s destined for isn t just any creature he s the Alpha the most powerful and feared leader in the region He holds dominion over not just werewolves but all the mythical creatures who have long held sway over humanity Now she is caught in a battle she never asked for Her hatred for these creatures is torn apart by the undeniable bond growing between them a bond that calls to her soul even as it repels her heart She s faced with a choice reject the mate bond and risk everything her life her freedom and her very identity or embrace it and become the Alpha s mate in a world where power and control reign supreme Will she overcome her deep seated hatred and accept the truth of her soul s connection to the very monster she s spent her life despising Or will the weight of the bond prove too much tearing her apart in ways she never imagined **Alpha's Soulmate** Purnima Negi,2023-12-21 The only thing I want is to live freely choose my own husband do what I like to and not being restrained by someone just because he wants me to In a world where mythical creatures rule humans are treated as nothing Humans don t have any rights nor are they given any respect Unless

that human is someone's soulmate Every human wants to be someone's soul mate except her She despises mythical creatures especially werewolves because they were the ones who turned her into an orphan What happens when she finds that she is indeed a soul mate of a monster werewolf In addition to it that monster turns out to be the Alpha of the region How will she escape her fate when the Alpha is insanely in love with her Note Alphas are notoriously powerful and possessive of their soulmate *Soulmates* Julia Estigoy,2001-07 A fictional novel about one woman's path towards healing It begins with Jasmine embarking on a new career in the art of healing hoping to make a difference in the world by touching the lives of others ends up instead being touched by the spirit of another and through that spirit discovers her true Self While on the journey she finds new love is reminded of an old loss and begins to fear the future and finds hope in the past She faces external challenges and internal demons which sends her into the darkness of despair But it is in the descent that propels her further into the sojourn of the Self During a moment of absolute emptiness a reverie takes her into the very core of her being her true essence It's in touching that part she connects to a spirit belonging to her best friend her soulmate It is his love his light and a long forgotten secret that guides her out of the darkness and is the one to offer hope And it is the secret that brings her back to the path to her calling to her purpose **Soulmates for The Brokenhearted** B.
