## **A Technique For Producing Ideas:**

**A Technique for Producing Ideas** James Young, 2003-02-11 A step by step technique for sparking breakthrough creativity in advertising or any field Since its publication in 1965 A Technique for Producing Ideas has helped thousands of advertising copywriters smash through internal barriers to unleash their creativity Professionals from poets and painters to scientists and engineers have also used the techniques in this concise powerful book to generate exciting ideas on demand at any time on any subject Now let James Webb Young's unique insights help you look inside yourself to find that big elusive idea and once and for all lift the veil of mystery from the creative process James Webb Young is in the tradition of some of our greatest thinkers when he describes the workings of the creative process The results of many years in advertising have proved to him that the key element in communications success is the production of relevant and dramatic ideas He not only makes this point vividly for us but shows us the road to that goal William Bernbach Former Chairman and CEO Doyle Dane Bernbach Inc

**A Technique for Producing Ideas** James Webb Young, 1984 **A Technique for Producing Ideas** James Webb Young, 2015-07-31 This concise and powerful book lifts the lid on the creative process and eloquently details the steps needed to create exciting new ideas Advertising copywriters engineers poets painters and scientists have all benefited from its text to make creative breakthroughs Advertising trailblazer William Bernbach wrote James Webb Young conveys in his little book something more valuable than the most learned and detailed texts on the subject of advertising Mr Young is in the tradition of some of our greatest thinkers when he describes the workings of the creative process Table of contents How it started The formula of experience The Pareto theory Training the mind Combining old elements Ideas are new combinations The Mental digestive process Constantly thinking about it The final stage Some after thoughts **A Technique for Producing Ideas** James Webb Young, 2012-05-09 James Webb Young 1886 1973 was an American advertising executive who was inducted into the American Advertising Federation Hall of Fame Young received many honors and awards including the Advertising Man of the Year Award

**A Technique For Producing Ideas** Young, 2004-07-01 **A Technique for Producing Ideas** James Young, 2003-01-21 A McGraw Hill Advertising Classic A Technique for Producing Ideas reveals a simple sensible idea generation methodology that has stood the test of time First presented to students in 1939 published in 1965 and now reissued for a new generation of advertising professionals and others looking to jump start their creative juices this powerful guide details a five step process for gathering information stimulating imagination and recombining old elements into dramatic new ideas

**A Technique for Producing Ideas** James Webb Young, 1953 **A Technique for Producing Ideas** James Young, 2016-07-20 James Webb Young was the first ever chairman of The Advertising Council and he also served as the vice president of the J Walter Thompson JWT Company Beyond this he had great influence over the development and evolution of the early days of the ad industry In 1946 he was named Advertising Man of the Year He was also recognized for his war time impact on the ad industry as he was named as the

recipient of the Advertising Awards Gold Medal for Outstanding Achievements of a Lifetime What the book covers How It Started Mr Young reveals what prompted him to create A Technique for Producing Ideas The Formula of Experience He explains how he came to realize and identify the mind s operative technique for generating ideas as effectively and efficiently as an assembly line The Pareto Theory Mr Young discusses Italian sociologist Pareto best known for his 80 20 theory Pareto strongly believes there are two kinds of people in this world the creatives and the squares The creative types called speculators by Pareto are defined by a constant interest in the possibilities of new combinations The other type rentiers are described as conservative steady habitual people Pareto believes that the creatives manipulate the squares Training The Mind The importance of training your mind in the art of producing ideas using Method and Principles Combining Old Elements An idea is nothing more nor less than a new combination of old elements Mr Young believes this is the most important principle in A Technique for Producing Ideas He then reveals the second most important principle which allows one to make new combinations of old elements and that is the ability to see relationships between disparate things Ideas are New Combinations This chapter introduces you to the Method The Method or Idea Producing Technique is made up of 5 steps Step 1 discusses gathering general and specific raw material Specific raw material is information that centers on your idea The product s specs features benefits competition and marketability General knowledge is important as it gives you more raw material to work with in seeing relationships and making new combinations The Mental Digestive Process This chapter explores the second step of the technique This involves mulching and digesting the raw material you have gathered Young explains you must feel your way through each bit of knowledge Turning it over and over in your mind then extracting multiple meanings and significances Like a jigsaw puzzle you play with different bits of ideas to see how they fit together You will need a notebook to transcribe your thoughts and half ideas as they come to you Sleep is the third stage letting go allows your unconscious mind to deal with it Constantly Thinking About It The fourth step discusses how new ideas just appear when you least expect them Through the entire process of gathering data mulling over your information engaging in other activities your mind will create new ideas without any warning The Final Stage This final stage is your reality check time You must test edit refine and polish your idea This is the time to take your new idea and hold it up to the harsh light of reality Some After Thoughts Mr Young reveals his own personal experiences with these techniques and re emphasizes how new knowledge and experience can lead to new ideas and profitable rewards Why are some people capable of producing great new ideas on demand The book closes with examples and testimonials of past readers and how his method has worked for them You will also receive information on recommended books to further your understanding of the idea producing process

*A Technique for Producing Ideas* James Webb Young, 2019-02-09 Advertising copywriters engineers poets painters and scientists have all benefited from its text to make creative breakthroughs Advertising trailblazer William Bernbach wrote James Webb Young conveys in his little book something more valuable than the most learned and detailed texts on the

subject of advertising Mr Young is in the tradition of some of our greatest thinkers when he describes the workings of the creative process

### **A Technique For Producing Ideas Introduction**

In today's digital age, the availability of A Technique For Producing Ideas books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of A Technique For Producing Ideas books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of A Technique For Producing Ideas books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing A Technique For Producing Ideas versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, A Technique For Producing Ideas books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing A Technique For Producing Ideas books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for A Technique For Producing Ideas books and manuals is Open Library. Open

Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, A Technique For Producing Ideas books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of A Technique For Producing Ideas books and manuals for download and embark on your journey of knowledge?
