A Touch Of Innocence A Memoir Of Childhood:

A Touch of Innocence Katherine Dunham, 1994-06 An internationally known dancer choreographer and gifted anthropologist Katherine Dunham was born to a black American tailor and a well to do French Canadian woman twenty years his senior This book is Dunham s story of the chaos and conflict that entered her childhood after her mother s early death In stark prose she tells of growing up in both black and white households and of the divisions of race and class in Chicago that become the harsh realities of her young life A riveting narrative of one girl s struggle to transcend the painful confusions of a family and culture in turmoil Dunham s story is full of the clarity candor and intelligence that lifted her above her troubled beginnings A Touch of Innocence is an absorbing family chronicle written with a gift for physical detail sometimes too real for comfort In quietly graphic prose the growing girl the slightly older brother the ambitious father and the kind stepmother are pictured in such human terms that when their lives get tied into harder and harder knots beyond their undoing one can only continue to read helplessly as doom closes in upon the household Langston Hughes New York Herald Tribune A Touch of Innocence is one of the most extraordinary life stories I have ever read The content of this book is so heartbreaking that only the strongest artistic skills can keep it from leaking out into sobbing self pity but Katherine Dunham s art contains it understands it and refuses to be overwhelmed by its terrors Elizabeth Janeway New York Times The first eighteen years of the famous dancer and choreographer s life are brought vividly to the reader in this first volume of her autobiography She writes of what it is like to be a special gifted young woman growing up in a racially mixed family in the American Middle West A beautiful touching and sometimes discomfiting book Publishers Weekly As writing it is honest searing graphic and touching giving us a rather heartbreaking early view of the young American Negro who was later to make a name for herself as a dancer and choreographer Arthur Todd Saturday Review

Children of the Dream Laurel Holliday, 2014-02-04 I let somebody call me nigger It wasn t just any old body either it was my friend That really hurt Amitiyah Elayne Hyman Martin Luther King Jr dreamed of a day when black children were judged not by the color of their skin but by the content of their character His eloquent charge became the single greatest inspiration for the achievement of racial justice in America In her powerful fourth book in the Children of Conflict series Laurel Holliday explores how far we have come as she presents thirty eight African Americans who share their experiences as Children of the Dream I was brought up with white Barbie dolls of impossible proportions and long silky blonde hair neither of which I possessed As a child I believed what I was taught and I wasn t taught to love myself for who I am an African American Charisse Nesbit The unforgettable people we hear from are young and old rich and poor from inner cities suburbia and rural America In chronicles that are highly personal funny tragic and triumphant the contributors tell us what it is like coming of age stigmatized by the color of their skin yet proud of their heritage and culture Their voices their courage their resilience and their understanding offer hope for us all **Black in the Middle** Terrion L. Williamson, 2020-09-01 A timely compelling collection that allows predominantly Black Midwesterners

to reclaim their home histories and future Jen Cox Chicago Review of Books Black Americans have been among the hardest hit by the rapid deindustrialization and accompanying economic decline that have become so synonymous with the Midwest Since the 2016 election many traditional media outlets have renewed attention on the conditions of Middle America but the national discourse continues to marginalize the Black people who live there Black in the Middle brings the voices of Black Midwesterners front and center Filled with compelling personal narratives thought provoking art and searing commentaries this anthology explores the various meanings and experiences of blackness throughout the Rust Belt the Midwest and the Great Plains Bringing together people from major metropolitan centers like Detroit and Chicago as well as smaller cities and rural areas where the lives of Black residents have too often gone unacknowledged this collection is a much needed corrective to the narrative of the region Ambitious and eclectic with African American humanity on display Joseph P Williams Minneapolis Star Tribune The honesty in the essays the emergency in the poetry and the intensity of the photographs and paintings help to sharpen the edge of what it means to be Black in the middle of anything which is the sum of our fears and the hope that manifests itself in our dreams Jason Vasser Elong St Louis Post Dispatch Timely and evocative By calling forth the full range of the Black Midwestern experience this bracing anthology offers crucial insights into why the region is the epicenter of current protests against police brutality and racial injustice Publishers Weekly Critical Companion to Toni Morrison Carmen Gillespie,2007 Toni Morrison winner of the Nobel Prize in Literature in 1993 is perhaps the most important living American author This work examines Morrison s life and writing featuring critical analyses of her work and themes as well as entries on related topics and relevant people places and influences *Katherine Dunham* Joyce Aschenbrenner,2002 She believes that dancing involves the development of an entire person and that the rituals and traditions of dance are integral to the study of culture Throughout her career she has been a living model of the socially responsible artist working to wet cultural appetites and combat social injustice Building on Dunham s published memoirs A Touch of Innocence and Island Possessed Joyce Aschenbrenner s multifaceted portrait blends personal observations based on her own interactions with Dunham archival documents and interviews with Dunham s colleagues students and members of the Katherine Dunham Dance Company Integrating these sources Aschenbrenner characterizes the social familial and cultural environment of Dunham s upbringing and the intellectual and artistic community she embraced at the University of Chicago that laid the groundwork for her development as a dancer anthropologist and humanitarian **Book of African-American Quotations** Joslyn Pine,2012-03-02 This original collection of quotations cites approximately 100 well known African Americans from all walks of life including Maya Angelou Louis Armstrong Muhammad Ali Julian Bond George Washington Carver Frederick Douglass and Ralph Ellison **African American Lives** Henry Louis Gates,Evelyn Brooks Higginbotham,2004-04-29 The first book of its kind since 1982 s Dictionary of American Negro Biography African American Lives leads us into a new era of African American biographical scholarship In collaboration with Oxford University Press and the American Council of

Josephine Baker and Katherine Dunham Hannah Durkin, 2019-08-16 Josephine Baker and Katherine Dunham were the two most acclaimed and commercially successful African American dancers of their era and among the first black women to enjoy international screen careers Both also produced fascinating memoirs that provided vital insights into their artistic philosophies and choices However difficulties in accessing and categorizing their works on the screen and on the page have obscured their contributions to film and literature Hannah Durkin investigates Baker and Dunham s films and writings to shed new light on their legacies as transatlantic artists and civil rights figures Their trailblazing dancing and choreography reflected a belief that they could use film to confront racist assumptions while also imagining within significant confines new aesthetic possibilities for black women Their writings meanwhile revealed their creative process engagement with criticism and the ways each mediated cultural constructions of black women s identities Durkin pays particular attention to the ways dancing bodies function as ever changing signifiers and de stabilizing transmitters of cultural identity In addition she offers an overdue appraisal of Baker and Dunham s places in cinematic and literary history

Black Women's Yoga History Stephanie Y. Evans, 2021-03-01 How have Black women elders managed stress In *Black Women's Yoga History* Stephanie Y Evans uses primary sources to answer that question and to show how meditation and yoga from eras of enslavement segregation and migration to the Civil Rights Black Power and New Age movements have been in existence all along Life writings by Harriet

Jacobs Sadie and Bessie Delany Eartha Kitt Rosa Parks Jan Willis and Tina Turner are only a few examples of personal case studies that are included here illustrating how these women managed traumatic stress anxiety and depression In more than fifty yoga memoirs Black women discuss practices of reflection exercise movement stretching visualization and chanting for self care By unveiling the depth of a struggle for wellness memoirs offer lessons for those who also struggle to heal from personal cultural and structural violence This intellectual history expands conceptions of yoga and defines inner peace as mental health healing and wellness that is both compassionate and political

Racism in Contemporary America Meyer Weinberg,1996-05-23 Racism in Contemporary America is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer Weinberg who has spent many years writing and researching contemporary and historical aspects of racism Almost 15 000 entries to books articles dissertations and other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it convenient to follow a single group through any or all the subject headings This is a source book for the serious study of America s most enduring problem as such it will be of value to students and researchers at all levels and in most disciplines
