A View From The Deck My Christian Journey With Same Sex Attraction:

A View from the Deck Rob Farnsley, 2015-03-04 Is there any safe place for a man with a shameful 66 year old secret friends family the church a Christian organization Rob Farnsley explores that question with transparency and candor as he reflects on his life journey a journey that came to a climax with the revelation of his struggle with same sex attraction Rob introduces us to the people and recounts the events that have made him the man he is from observing his parents loveless marriage as a boy to serving as a church planter in war torn Eastern Europe later on in life In *A View From the Deck* Rob refuses to offer his readers pat answers to difficult questions about sexuality or to pontificate about the proper Christian response to those who wrestle with the same giants he has faced Instead he gives us a glimpse into the human experience a glimpse that inspires empathy compassion and a deeper awareness of our need for grace regardless of our position on the issue Rob Farnsley has lived a life of Christian service He devoted over 23 years to church planting missionary service Prior to that he served for a number of years on a college campus ministry team He has been heavily involved in church ministry and service over all these years He is single and looking forward to his best years ahead of him although he says they have been pretty awesome already

Be Great by Choice Kimberly Garner, 2018-11-08 When you allow faith to empower your life something amazing happens *Be Great By Choice* offers a window into the journey of the author s struggle and acceptance that her life as a lesbian was displeasing to God Real power in life lies within the ability to choose but being able to see and discern with our hearts is a tool sharpened within our spirit Every word written is a testimony of how God made Kimberly into the woman He desired her to be by renewing her mind spirit and heart This book explores how the application of her faith developed over time and how she applied it to walk away from homosexuality Although rooted in Christian doctrine *Be Great By Choice* is a book of healing and spiritual guidance for all walks of life not just people who identify within the LGBTQ community God can move in your heart to promote you no matter where you are in life or what you ve done If you find yourself like the author in a position where you feel that good isn t good enough anymore just know that you can choose to be Greater
