A World In Transition Finding Spiritual Security In Times Of Change:

A World in Transition Yogananda (Paramahansa), 1999 Paramahansa Yogananda and some of his foremost disciples provide heart satisfying explanations for our most challenging questions shedding a clarifying light on personal and global concerns Each chapter offers understanding reassurance and guidance for the turbulent times in which we live With acute insight *A World in Transition* shows how we can use the power of meditation and prayer for world peace and effect lasting spiritual transformation for ourselves our communities and our planet By identifying the universal principles and world cycles that influence the evolution of civilizations and individuals the authors help us develop those life skills we will need to chart our course in the times ahead

Awakening to the Spirit Within: Eight Paths Pamela Smith Allen, PhD, 2003-09-12 The premise of *Awakening to the Spirit Within* is that all beings are connected by a spiritual energy which forms the essence of who they truly are Eight paths which facilitate an awakening to this essence are explored Native American Spirituality Taoism Hinduism Buddhism Kabbalah Jesus and the Christ Within Sufism and The New Thought Movement Practice exercises and references are also included This book highlights some of the unique gifts which various spiritual traditions have to offer our world In addition it explores the mystical threads of connection which underlie them Like the title suggests it also gives ways of listening to guidance from within The author includes messages from her own inner guidance in an effort to illustrate how this may occur Her openness provides more warmth and intimacy than is usually found in such a book In these uncertain times there has been an upsurge of interest in books related to spirituality religion and mysticism People are looking for ways to heal rather than destroy our planet That is why this book and others like it are so timely and important in moving us closer to our shared goal of creating a more peaceful and harmonious world

Play of Life Edward Baldo, 2007-08 Be prepared to experience a wide spectrum of emotions Love compassion solidarity and self growth It is multi faceted laced with humour and permeated with spirituality After Edward had taken care of his ninety year old grandmother for six years and had been quenching his thirst for True Knowledge through a huge variety of sources such as quantum physics Yogananda s works The Bible The Bagavad Gita etc He started to write *Play of Life* this complex true story In this book he talks about the environment the need to protect the animal kingdom human rights and also shows how science and religion should walk together He relates how he was able to quit drugs with the help of his new companion a golden retriever He has learned to understand and deal with the physical symptoms brought about by age and its effects through daily endeavour Initially the doctors helped him but then he had to take charge by necessity He gives all the steps he walked along this Path together with the vegetarian diet and the natural medicines he used on her This book is significant not only for seekers after the Truth but also for those who have an elderly person in their family who above all will become one themselves in the future
