A World We Have Lost Saskatchewan Before 1905:

A World We Have Lost : Saskatchewan Before 1905, 2019 Sometime during the summer of 1690 in east central Saskatchewan Englishmen Henry Kelsey and his Indian escorts walked out of the boreal forest and into a new world the northern great plains of western Canada It was a landscape never encountered before by another European Kelsey has been lauded as first in the west and the discoverer of the Canadian prairies But these accolades overlook the simple fact that any European and later Canadian activity in what would become the future province of Saskatchewan was entirely dependent on the goodwill and cooperation of the indigenous peoples of the region After all Kelsey had to be taken inland He was a passenger not a pathfinder

A World We Have Lost Bill Waiser, W. A. Waiser, 2016 Sometime during the summer of 1690 in east central Saskatchewan Englishmen Henry Kelsey and his Indian escorts walked out of the boreal forest and into a new world the northern great plains of western Canada It was a landscape never encountered before by another European Kelsey has been lauded as first in the west and the discoverer of the Canadian prairies But these accolades overlook the simple fact that any European and later Canadian activity in what would become the future province of Saskatchewan was entirely dependent on the goodwill and cooperation of the indigenous peoples of the region After all Kelsey had to be taken inland He was a passenger not a pathfinder

A World We Have Lost examines the early history of Saskatchewan through an Aboriginal and environmental lens Indian and mixed descent peoples played leading roles in the story as did the land and climate Despite the growing British and Canadian presence the Saskatchewan country remained Aboriginal territory The region's peoples had their own interests and needs and the fur trade was often peripheral to their lives Indians and Metis peoples wrangled over territory and resources especially bison and were not prepared to let outsiders control their lives let alone decide their future Native newcomer interactions were consequently fraught with misunderstandings sometimes painful difficulties if not outright disputes By the early nineteenth century a distinctive western society had emerged in the North West one that was challenged and undermined by the takeover of the region by a young dominion of Canada Settlement and development was to be rooted in the best features of Anglo Canadian civilization including the white race By the time Saskatchewan entered confederation as a province in 1905 the world that Kelsey had encountered during his historic walk on the northern prairies had become a world we have lost

Colonialism and Capitalism: Canada's Origins 1500-1890 BRYAN D. PALMER, 2024-09-17 In the past decade Canadian history has become a hotly contested subject Iconic figures notably Sir John A Macdonald are no longer unquestioned nation builders The narrative of two founding peoples has been set aside in favour of recognition of Indigenous nations whose lands were taken up by the incoming settlers An authoritative and widely respected Truth and Reconciliation Commission together with an honoured Chief Justice of the Supreme Court have both described long standing government policies and practices as cultural genocide Historians have researched and published a wide range of new research documenting the many complex threads comprising the Canadian experience As a leading

historian of labour and social movements Bryan Palmer has been a major contributor to this literature In this first volume of a major new survey history of Canada he offers a narrative which is based on the recent and often specialized research and writing of his historian colleagues One major theme in this book is the colonial practices of the authorities as they pushed aside the original peoples of this country While the methods varied the result was opening up Canada s rich resources for exploitation by the incoming European settlers The second major theme is the role of capitalism in determining how those resources were exploited and who would reap the enormous power and wealth that accrued The first volume of this challenging and illuminating new survey history covers the period that concludes in the 1890s after the creation out of Britain s northern colonies of the semi autonomous federal Canadian state Volume II to be published in spring 2025 takes the narrative to the present

Count d'Esterhazy and the Esterhaz-Kaposvar Hungarian Colony in Western Canada Joseph G. Nagy,2024-09-03 Throughout the late 1800s waves of immigrants came over from Europe to North America their arrival serving a dual purpose On the one hand the immigrants were seeking a better life for themselves and their families On the other hand the Canadian federal provincial and territorial governments were seeking to populate their territory in a bid to maintain sovereignty over the land and to develop it for agriculture Among these immigrants were the Hungarian and Western Slavic settlers who founded the Esterhaz Colony which later became known as the Kaposvar and Kolin districts in southeastern Saskatchewan A key figure in the founding of this colony was the enigmatic Count Paul O d Esterhazy a k a Janos Baptiste Packh As an immigration agent for the Canadian and American governments he worked tirelessly not only to promote immigration to the Kaposvar and Kolin districts but also to improve the lives of the immigrants who settled there Although d Esterhazy was not without his detractors this book takes pains to emphasize the sincerity of his vision of a Little Hungary on the Canadian Prairies and the many challenges that he and other proponents of the colony faced as they sought to see that vision fulfilled Meticulously researched and documented this book offers a treasure trove of insight into not only the Esterhaz colony and surrounding area but also the myriad and often conflicting forces involved in the founding of Canada as a nation

Skyscrapers Hide the Heavens J. R. Miller,2018-01-01 Author J R Miller charts the deterioration of the relationship from the initial mutually beneficial contact in the fur trade to the current impasse in which Indigenous peoples are resisting displacement and marginalization

Honoré Jaxon Donald B. Smith,2023-11-01 Born in 1861 to a Methodist family William Henry Jackson grew up in Ontario before moving to Prince Albert Saskatchewan where he sympathized with the M

tis and became personal secretary to Louis Riel After the M tis defeat a Regina court committed the young English Canadian idealist to the lunatic asylum at Lower Fort Garry He eventually escaped to the United States joined the labour union movement and renounced his race Self identifying as M tis he changed his name to the French sounding Honor Jaxon and devoted the remainder of his life to fighting for the working class and the Indigenous peoples of North America In Honor Jaxon Donald B Smith draws on extensive archival research and interviews with family members to present a definitive biography of this complex political man The book follows Jaxon into the 1940s where his life mission became the establishment of a library for the First Nations in Saskatchewan collecting as many books newspapers and pamphlets relating to the M tis people as possible In 1951 at age ninety he was evicted from his apartment and his library discarded to the New York City dump In poor health and broken in spirit he died one month later Heavily illustrated Honor Jaxon recounts the complicated story of a young English Canadian who imagined a society in which English and French Indigenous and M tis would be equals

A Line of Blood and Dirt Benjamin Hoy, 2021 A Line of Blood and Dirt examines the creation and enforcement of the border between Canada and the United States from 1775 until 1939

Cheated Bill Waiser, Jennie Hansen, 2023-10-03 Canadians and politicians have a common responsibility to learn from the mistakes inherited from a colonialist legacy and to not repeat the wrongs corruption and injustices our people suffered in the hands of government officials politicians and their oppressive laws Reading and learning from Cheated would be a good place to start reconciliation and reparation Ovide Mercredi former National Chief of the Assembly of First Nations The story of how Laurier Liberals took hold of the Department of Indian Affairs in 1896 and transformed it into a machine for expropriating Indigenous land You won't find the Ocean Man and Pheasant Rump reserves on a map of southeastern Saskatchewan In 1901 the two Nakoda bands reluctantly surrendered the 70 square miles granted to them under treaty It's just one of more than two dozen surrenders aggressively pursued by the Laurier Liberal government over a fifteen year period One in five acres was taken from First Nations This confiscation was justified on the grounds that prairie bands had too much land and that it would be better used by white settlers In reality the surrendered land was largely scooped up by Liberal speculators including three senior civil servants and a Liberal cabinet minister and flipped for a tidy profit None were held to account Cheated is a gripping story of single minded politicians uncompromising Indian Affairs officials grasping government appointees and well connected Liberal speculators set against a backdrop of politics power patronage and profit The Laurier government's settlement of western Canada can never be looked at the same way again

Intimate Integration Allyson Stevenson, 2021 Privileging Indigenous voices and experiences Intimate Integration documents the rise and fall of North American transracial adoption projects including the Adopt Indian and M tis Project and the Indian Adoption Project The author argues that the integration of adopted Indian and M tis children mirrored the new direction in post war Indian policy and welfare services She illustrates how the removal of Indigenous children from Indigenous families and communities took on increasing political

and social urgency contributing to what we now call the Sixties Scoop Intimate Integration utilizes an Indigenous gender analysis to identify the gendered operation of the federal Indian Act and its contribution to Indigenous child removal over representation in provincial child welfare systems and transracial adoption Specifically women and children s involuntary enfranchisement through marriage as laid out in the Indian Act undermined Indigenous gender and kinship relationships Making profound contributions to the history of settler colonialism in Canada Intimate Integration sheds light on the complex reasons behind persistent social inequalities in child welfare
