A Year In The Life Of The Supreme Court Constitutional Conflicts:

A Year in the Life of the Supreme Court Aaron Epstein, Kay Kindred, Tony Mauro, David Savage, Stephen Wermiel, 1995-07-28 Despite its importance to the life of the nation and all its citizens the Supreme Court remains a mystery to most Americans its workings widely felt but rarely seen firsthand In this book journalists who cover the Court acting as the eyes and ears of not just the American people but the Constitution itself give us a rare close look into its proceedings the people behind them and the complex often fascinating ways in which justice is ultimately served Their narratives form an intimate account of a year in the life of the Supreme Court The cases heard by the Supreme Court are first and foremost disputes involving real people with actual stories The accidents and twists of circumstance that have brought these people to the last resort of litigation can make for compelling drama The contributors to this volume bring these dramatic stories to life using them as a backdrop for the larger issues of law and social policy that constitute the Court's business abortion separation of church and state freedom of speech the right of privacy crime violence discrimination and the death penalty In the course of these narratives the authors describe the personalities and jurisprudential leanings of the various Justices explaining how the interplay of these characters and theories about the Constitution interact to influence the Court's decisions Highly readable and richly informative this book offers an unusually clear and comprehensive portrait of one of the most influential institutions in modern American life [A Year at the Supreme Court](#) Neal Devins, Davison M. Douglas, 2004-10-13 Profiles a watershed year 2002-2003 in the life of the U.S. Supreme Court with contributions by journalists and Court advocates that discuss critical rulings on gay rights affirmative action hate speech federal-state relations and criminal law **In Re Gault** Susan Dudley Gold, 2008 Discusses the case involving fifteen-year-old Gerald Gault and its impact on children's rights and due process of law for juveniles *The Journal of the Senate During the ... Session of the Legislature of the State of California* California. Legislature. Senate, 1938 [Supreme Court of the United States](#) George H. Rutland, 2006 The Supreme Court of the United States is in the midst of a generation change which will no doubt result in societal imperatives different than those in the past The Supreme Court of the US has a profound effect on ideas thoughts and behaviour of the people of the US This new bibliography presents hundreds of citations of the important literature dealing with this beacon of society [Sexual Harassment](#) V. P. Argos, 1999 The topic of sexual harassment is a real threat to society in spite of its downplaying by a large segment of society including the 42nd President of the United States This book presents analyses designed to help shed light on it and a bibliography sorted for ease of use *Debating Reform: Conflicting Perspectives on How to Fix the American Political System, 2nd Edition* Richard J. Ellis, 2013-01-15 Presenting a range of essays from top scholars in the field this reader helps students to understand how American Government institutions can be made to work better **The Law and Politics of Unconstitutional Constitutional Amendments in Asia** Rehan Abeyratne, Ngoc Son Bui, 2021-11-29 This book explains how the idea and practice of UCA are

shaped by and inform constitutional politics through various social and political actors and in both formal and informal amendment processes across Asia This is the first book length study of the law and politics of unconstitutional constitutional amendments in Asia Comprising ten case studies from across the continent and four broader theoretical chapters the volume provides an interdisciplinary comparative perspective on the rising phenomenon of unconstitutional constitutional amendments UCA across a range of political legal and institutional contexts The volume breaks new ground by venturing beyond the courts to consider UCA not only as a judicial doctrine but also as a significant feature of political and intellectual discourse The book will be a valuable reference for law and political science researchers as well as for policymakers and NGOs working in related fields Offering broad coverage of jurisdictions in East Asia Southeast Asia and South Asia it will be useful to scholars and practitioners within Asia as well as to those seeking to better understand the law and politics of the region
