Questions for America Jack Reardon, David Wheat, 2025-04-30 To solve its multiple challenges post 2024 America must act with intelligence and wisdom which can only come from an active and well informed citizenry The issues that confront us post 2024 are profound climate change inequality artificial intelligence an unstable geopolitical global order existential threats from unfriendly nations just to name a few A democracy needs an educated society which requires not just information but knowledge and understanding As the dust settles from the 2024 presidential election we are faced with several philosophical issues How we act post 2024 will affect our America and our children s America Our future depends on the proactive action that we take now which is influenced by how much we understand today s issues This is a book about today s America **Spanish Treatises on Government, Society and Religion in the Time of Philip II** Ronald

Truman, 1999-09-09 Centred on a dozen texts in Spanish or Latin composed by Spaniards both laymen and clergy in the Spanish Netherlands as well as Spain this study follows the debate during Philip II s reign concerning the principles purposes and values both secular and religious relevant to rulers and to society at large Part I examines three treatises produced in the Spanish Netherlands in the 1550s Parts II and III respectively study works from the Kingdoms of Castile and the Crown of Aragon in the 1570s and 1580s Part IV considers three Jesuit treatises of the 1590s The resultant picture will interest those concerned with the intellectual religious social and political values of Philip II s Spain whether as considered within its own boundaries or in the larger intellectual context of Western Europe Britain and Danubian Europe in the Era of World War II, 1933-1941 Andras Becker, 2021-03-24 This book is a study of British official attitudes towards the Danubian countries Hungary Czechoslovakia Romania and Yugoslavia from Hitler s rise to power in 1933 to the year 1941 a period that marked serious but fruitless British political and economic efforts to unite this unruly part of Europe against Nazi ascendancy Set against an international backdrop of regional revanchist revisionist and irredentist tendencies particularly in Hungary and Bulgaria the book explores how these movements affected international relations in the region as they aimed to overturn the territorial order set down in Versailles following the Great War to restore the status quo of a more glorious national past Offering fresh insights into the British East Central and South East European relationship the book charts the shifts in British official policy towards Danubian Europe amidst competing regional nationalisms and the sudden and abrupt shifts in British global priorities during the early part of World War II **Teaching Reading and Literature with Classroom Talk** Dawan

Coombs, 2024-12-26 This book presents a framework for conceptualizing and enacting dialogic approaches to teaching literature and reading in your classroom Dialogical approaches have often been used in secondary classrooms for teaching writing by incorporating students lives and experiences into the English Language Arts ELA curriculum But what might it look like to create reading moments that bring texts to life by allowing students to use their own identities and experiences

as the foundation for their interpretation The most current research in reading motivation culturally responsive teaching and even neuroscience points to the power of dialogical approaches to not only engage students in reading texts but when used consistently and repeatedly help increase students reading growth and achievement Dialogical approaches can be particularly helpful for struggling readers English language learners ELLs and neurodivergent students This book explores dialogical approaches to teaching reading and literature in secondary ELA classrooms with descriptions of hands on activities models of dialogical strategies and real time examples from ELA and reading classes Each chapter includes motivating accessible and research based methods and tools that help students connect content to their lives and explore a diversity of perspectives With resources such as assignment sheets and rubrics this is an essential book for middle and high school ELA teachers reading coaches and interventionists teachers working with ELLs and pre service teachers who are looking to better understand and utilize dialogical approaches to support their students in transforming their reader identities *Complex Peace Operations and Civil-Military Relations* Robert Egnell, 2009-05-13 This book argues that for peace support operations such as those in Afghanistan to be effective the civil military interface should ideally be integrated within the interagency arena as well as within the defence ministry
