A SHORT  
CHRISTIANITY  
HISTORY OF

'Written in a very accessible, narrative style . . . All the major events, movements, and people in 2,000 years of Christian history are included.'  
*Choice*

# A Short History Of Christianity

**John Mackinnon Robertson (Journalist,  
Essayist, Freidenker)**

## **A Short History Of Christianity:**

**A Short History of Christianity** Salomon Reinach, 1922      **A Short History of Christianity** Stephen Tomkins, 2012-09-12 Worshipped by 2 billion Christians and revered by 1.3 billion Muslims Jesus Christ is the most famous human being ever Yet how did this man from an obscure backwater in the Roman Empire achieve such extraordinary acclaim How did religion founded in his name grow to become the most powerful on earth What has been its relationship through history with that other giant of religions Islam In this fast paced and entertaining book journalist and historian Stephen Tomkins sets out to provide the answers Beginning with the life of Jesus he presents awarts and all portrait of the key people events and movements in Christian history For every debauched pope murderous crusader and hate filled inquisitor there are glorious examples of heroic self sacrifice spiritual enlightenment and social transformation Despite setbacks and conflict the church has continued to change and grow with the result that at the start of the 21st century its centre of gravity is moving south into sub Saharan Africa and South America The author ends by looking to the future for the story is far from over All those wanting to understand where Christianity is going need to learn where it has come from and in this book they will find a lively and informative guide      **A Short History of Christianity** Martin E. Marty, 1959      *A Short History of Christianity* J. M. Robertson, 2016-09-28 An attempt to write the history of Christianity in the space of an average novel is so obviously open to objections that instead of trying to parry them I will merely state what seems to me the possible compensation of brevity in such a matter It is or may be conducive to total comprehension to coherence of judgment and in a measure even to the understanding of details A distinguished expert in historical and philological research has avowed that specialists sometimes get their most illuminating ideas from a haphazard glance into a popular and condensed presentment of their own subject Without hoping so to help the experts I humbly conceive that the present conspectus of Christian history may do an occasional service even to an opponent by bringing out a clear issue Writers of a different way of thinking have done as much for me The primary difficulty is of course the problem of origins In my treatment of this problem going as I do beyond the concessions of the most advanced professional scholars I cannot expect much acquiescence for the present It must here suffice to say first that the data and the argument insofar as they are not fully set forth in the following pages have been presented in the larger work entitled Christianity and Mythology 1 or in the quarters mentioned in the Synopsis of Literature appended to this volume and secondly to urge that opponents should read the study on the Gospels by Professor Schmiedel in the new Encyclop dia Biblica before taking up their defensive positions      *A Short History of Christian Doctrine* Bernhard Lohse, 1966 This book has earned wide acceptance as an outstanding single volume history of doctrine It is ideally suited for classroom and seminar use as well as research and independent study With remarkable conciseness and clarity Lohse shows how doctrinal development has occurred in the various periods of the Church s history from the first century to the present He explores and discusses one by one the dogmas and doctrines that constitute the milestones in the story of the Church s

effort to proclaim the message of Jesus Christ to each age This Revised American Edition includes a new preface by the author an account of the significance of the Second Vatican Council and alterations in the For Further Reading section to bring it up to date

**A Short History of Christian Thought** Linwood Urban,1986 What do Christians believe and why do they believe it What are the historical roots of modern Christian doctrines and what logical connections link them together This concise introduction to Christian thought provides thorough yet succinct answers to these and other important questions incorporating expanded discussions of the sacraments the Church and the ministry recent ecumenical movements and trends and women s ordination Avoiding a strict chronological approach the author traces the development of each great issue that formed Christian theology Questions of doctrine such as the Trinity and the Incarnation are dealt with in full Also addressed are the important issues in natural theology such as the existence of God miracles freedom of the will and the problem of evil The text shows which issues in Christian thought constitute the common denominators of Christian belief and traces the roots of Christian doctrine to their sources explaining why certain doctrines are logically essential to Christianity and were thus adopted By analyzing the significant issues in Christian thinking from their early formulations to contemporary re examination A Short History of Christian Thought demonstrates that classical Christian doctrines are reasonable articulations of basic convictions and that Christian thought is relevant to the full range of human experience

**A Short History of Christianity** Geoffrey Blainey,2013-10-24 For two thousand years Christianity has had a varying but immense influence on world history Accomplished historian Geoffrey Blainey leads us through the history of this world changing religion A Short History of Christianity vividly describes many of the significant players in the religion s rise and fall through the ages from Jesus himself to Francis of Assisi Martin Luther Francis Xavier John Wesley and even the Beatles who claimed to be more popular than Jesus Blainey takes us into the world of Christian worshipers through the ages from housewives to stonemasons and traces the rise of the critics of Christ and his followers Eminently readable and written with Blainey s characteristic curiosity and storytelling skill this book often places Christianity at the center of world history Will it remain near the center Blainey s narrative illustrates that Christianity s history is a much repeated story of ups and downs

A Short History of Christianity J. M. Robertson,2023-10-28 In A Short History of Christianity by J M Robertson the author provides readers with a comprehensive overview of the development of Christianity from its origins to the present day Written in a clear and concise style Robertson explores the key events figures and movements that have shaped the religion offering valuable insights into its theological and cultural significance This book is a valuable resource for those looking to gain a deeper understanding of Christianity s history and its impact on the world Robertson s objective and unbiased approach to the subject makes this book a trustworthy and informative read for scholars and students alike His attention to detail and depth of knowledge ensure that readers will come away with a nuanced perspective on Christianity and its place in human history I would highly recommend A Short History of Christianity to anyone interested in exploring the complexities of

this influential religion      **A Short History of Christianity** Martin E. Marty, 1987-01-01 For the non specialist Martin Marty traces the church's quest through twenty centuries for unity sanctity universality and authentic witness He delves into the disparity between the ideals of the church and historical reality in order to provide a brilliant instructive and eminently fair statement of the history of Christianity from its founding to the present day In this second edition revised and expanded Marty has added an entirely new section entitled Postscript and Prescript in which he discusses the recent past and prospects Fresh insights and revisions based on the most recent contemporary developments keep this volume abreast of the times making it an up to date survey of the history of Christianity      **A Short History of Christianity** John Mackinnon

Robertson, 1902      **A Short History of Christianity** John Mackinnon Robertson (Journalist, Essayist, Freidenker), 1902

*A Short History of Christianity* John Mackinnon Robertson, 1931      **A Short History of Christianity beyond the West** Klaus Koschorke, 2024-11-04 Today the majority of the world's Christian population lives in the Global South Knowledge of their history is therefore indispensable This textbook offers a compact and vivid overview of the history of Christianity in Asia Africa and Latin America since 1450 focussing on diversity and interdependence local actors and global effects Maps illustrations and numerous photos as well as continuous references to easily accessible source texts support the reader's own reading and its use in various forms of academic teaching Special bonus material including 250 photos taken by the author can be accessed here <https://doi.org/10.6084/m9.figshare.27623484.v2>      **A Short History of Christianity in the Apostolic**

**Age** George Holley Gilbert, 1914      **A Short History of Christianity, in the Apostolic Age (Classic Reprint)** George Holley Gilbert, 2015-07-10 Excerpt from A Short History of Christianity in the Apostolic Age The aim of this book is to furnish Bible students a guide and companion in their investigation of the apostolic age The author cherishing that same ideal of thorough constructive study of the Bible which dominates the former volumes of this series has endeavored to do for the earliest period of church history what Professors Burton and Mathews have done for the life of Christ As in that volume so in this the needs of students in academies and colleges and in the advanced classes of Sunday schools have been constantly regarded This work has been done with a conviction that the simple facts about the gospel in the first Christian generation are as interesting as a great imaginative poem as essential to a liberal education as a knowledge of Greek history in the time of Pericles or of English history in the reign of Henry VIII and more inspiring more illuminating as regards the very spirit of Jesus than the facts of any subsequent period in the long history of the Christian church In order that one may get the best results from the use of this book it is urged that the passages of Scripture referred to in the synopsis at the head of each chapter be read carefully before reading the chapter and then after the chapter has been read be studied again with even more care The book wishes to be a guide to a certain region of early Christian history but to the fulfilment of this end the student must enter that region for himself and must dwell in it with open eyes and open mind Teachers who may use this book will it is earnestly hoped make plain to their pupils the necessity of securing first hand acquaintance with the New

Testament documents on which it is based The book is divided into Parts Chapters and Sections the limits of which are determined by the nature and relations of the events and literature to be studied Teachers are advised to assign lessons according to their judgment of the ability of the pupils to do the work always including with the sections assigned for study the questions that pertain to them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**SHORT HIST OF CHRISTIANITY** Salomon Reinach, 1858-1932 Reinach, 2016-08-27

**A Short History of Christianity (Classic Reprint)** M. Robertson, 2015-07-04 Excerpt from *A Short History of Christianity* An attempt to write the history of Christianity in the space of an average novel is so obviously open to objections that instead of trying to parry them I shall merely state what seems to me the possible compensation of brevity in such a matter It is or may be conducive to total comprehension to coherence of judgment and in a measure even to the understanding of details A distinguished expert in historical and philological research has avowed that specialists sometimes get their most illuminating ideas from a haphazard glance into a popular and condensed presentment of their own subject Without hoping so to help the experts I humbly conceive that the present conspectus of Christian history may do an occasional service even to an opponent by bringing out a clear issue Writers of a different way of thinking have done as much for me The primary difficulty is of course the problem of origins In my treatment of this problem going as I do beyond the concessions of the most advanced professional scholars I cannot expect much acquiescence for the present About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*A Short History of Christianity* John Horsch, 1903

**A Short History of Christianity** Salomon Reinach, Florence Simmonds, 2017-07-28 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are

often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates      A Short History of Christianity J. M. Robertson,2021-02-05

### **A Short History Of Christianity Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading A Short History Of Christianity free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading A Short History Of Christianity free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading A Short History Of Christianity free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading A Short History Of Christianity. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading A Short History Of Christianity any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About A Short History Of Christianity Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. A Short History Of Christianity is one of the best book in our library for free trial. We provide copy of A Short History Of Christianity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with A Short History Of Christianity. Where to download A Short History Of Christianity online for free? Are you looking for A Short History Of Christianity PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another A Short History Of Christianity. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try

this. Several of A Short History Of Christianity are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
