Minister Perry S. L. Johnson

A Thugz Luv Jasons Story:

A Thug'z Luv Steven Gaines,2014-06-09 A Thug z Luv is a gripping story with a natural street language centering around Jason Blue who at the tender age of six lost his father to drugs and crime in the streets of Fort Worth Texas Now living with his single white mother Paris Blue in an all Black Community on the South Side of Town he has to learn to deal with life on a level far beyond an average kid his age Jason at the age of six does not understand why his mother keeps him locked in the house away from other kids But as time goes on he is faced with the facts of life and learns about different Races Prejudices Betrayal Death and most of all GAMES OF GANGS And yet against all odds Jason progresses and gains their Trust and Respect by remaining True to Himself and staying down with the hood Becoming part of the street gang was not something Jason had as a goal in life but it was his way of life therefore he took pride in who and what he was Jason remains respectful to his mother but finds a deeper love for the guys that call themselves Gangsters of the Hood and a life he was so destined to lead So he hits up the gang signs and vows for life to maintain True Homies are what he lived for and at all cost may die for

V: Is It A Love Story? Joey Salazar,2017-03-09 Things have taken a surprising turn for Jason and his companions Now that he s found out the ultimate truth what is to become of him Martian Short Stories II Cliff Rhodes,2017-03-24 HARDCOVER PRINT MARTIAN SHORT STORIES II is another group of stories about mentally exceptional beings maybe alien maybe not They all could be from another world or born right here on Earth **For the Love of Hatred** Gregory Alan,Scott Dubay,2020-07-31 Jason is not himself lately basal urges casual encounters late nights Life has hardened his heart and he can t seem to escape the tragedies of his past He knows what triggered the disconcerting changes but he feels powerless to stop the de evolution process Fortunately Todd Jason s best friend since childhood feels differently Todd won t accept acquiescence He refuses to watch Jason spiral downward and is determined to set things back on track Little does he know however there are other players deeply involved in the scenario unlikely friends unsuspecting strangers and sinister foes working for and against his valiant efforts Come Join Jason Todd Greg and Elizabeth as they unwittingly join forces to triumph over violence defying all odds to iron out an inequitable wrinkle in fate Follow them through a twisted adventure that will keep your heart and mind racing right up to the thrilling climactic conclusion that is both surprising and intense See how the lives of these ordinary people are forever changed as the tangible and the metaphysical collide to make right a destiny gone horribly wrong A gay love story Yes Another age old tale of good versus evil Yes again The same ol thing Definitely not For the Love of Hatred is a story that chronicles the love loss de evolution and inevitable re evolution of a young gay man named Jason the main character Initially it might appear to be just another story about friends and relationships however as the plot develops it becomes apparent that these more common themes are employed as the foundation through which the story delves into much deeper issues of intolerance hatred and violence illustrating sometimes quite graphically beware of chapter 3 it is quite intense how senseless acts of hatred and violence can have cumulative

rippling far reaching devastating effects not only on the immediate victims but also on a vast seemingly unrelated group Sounding somewhat dark and bleak It really is anything but For the Love of Hatred is a good balanced mixture of heartache wit humor and thought provoking dialogue It s a story of hope love character conscience and courage a multi faceted work of gay genre fiction that reaches out to all segments of the gay community and even into factions of the straight community

What Lies Beneath Thirteen Press,2014-03-13 What lies beneath brought out a whole range of themes from talented writers as they interpreted it both literally and metaphorically The stories are wildly different every one of them worthy of their place in this anthology If any of them make you wonder just what lies beneath your home your work place your vacation resort then it will have half done its job If you like reading it as you should then it will have done its job Enjoy *Love Under the K Street Bridge* Maurice A. Butler,2023-12-07 People often say that homelessness can happen to anybody It is virtually only two missed paychecks away Love Under the K Street Bridge follows the journey of Jason Powell an immensely popular high school band director and Alexis Gordon an internationally renowned business woman as they become successful in society fall on hard times and lose everything They both become homeless and subsequently are scorned by the society that once adored them They find each other and develop a romantic bond as they try to traverse the evils of life on the street This fictional story highlights the fact that anybody can be just two paychecks or one medical crisis away from homelessness This story is also about the power of love and how love enables man to survive anything The struggle is real Love is real This is a story of the human condition

The Book of Gladness / Le Livre de Leesce Jehan Le Fèvre,2013-10-24 The Book of Gladness ca 1380 contains one of the most powerful original and influential pro feminine voices of the late Middle Ages In a spirited riposte to the misogynist tradition Le Fèvre with the help of Gladness his lady persona boldly reinterprets the Bible while questioning ancient authorities in the light of true experience especially his own Despite its foundational importance this work has never been translated into English The present prose translation is lively and accessible yet thoroughly grounded in scholarship An Introduction explains the textual challenges hindering the full recognition of this classic up to now and elucidates its contribution to the medieval debate on the nature and status of women and marriage Also included is the first ever English translation and discussion of a newly discovered scribal interpolation on Christine de Pizan in a manuscript of Jehan Le Fèvre s Lamentations The bibliography provides the first complete list of manuscripts containing the French Lamentations and Le Livre de Leesce

The Hallervorden Collection Steven Ferry,2002 This fact based action adventure novel follows the heroine on a harrowing trail that leads eventually to the group that was not only behind Hitler but which still controls the powers that be today

Pimps, Wimps, Studs, Thugs and Gentlemen Elwood Watson,2010-03-22 With essays ranging in topic from the films of Neil LaBute to the sexual politics of Major League Baseball this diverse collection of essays examines the multi faceted media images of contemporary masculinity from a variety of perspectives and academic disciplines The book s first half focuses on the issue of racialized masculinity and its various

manifestations with essays covering among other topics the re imagining of Asian American masculinity in Justin Lin s *Better Luck Tomorrow* and the ever present image of black male buffoonery in the neo minstrel performances of VH1 s *Flavor of Love* The book s second half explores the issue of contemporary mediated performance and the cultural politics of masculinity with essays focusing on popular media representations of men in a variety of gendered roles from homemakers and househusbands to valorous war heroes and athletic demigods
