## **A Time Of Paradox America Since 1890:**

*A Time of Paradox* Glen Jeansonne, David Lührssen, 2006 In this lively and provocative synthesis historian Glen Jeansonne explores the people events that shaped America in the 20th century Comprehensive in scope *A Time of Paradox* analyzes the political diplomatic social and cultural developments of the last century while focusing on the diverse and sometimes contradictory human experiences that characterized this dynamic period in American history

*A Time of Paradox* Glen Jeansonne, 2006-03-02 In this lively and provocative synthesis distinguished historian Glen Jeansonne explores the people and events that shaped America in the twentieth century Comprehensive in scope *A Time of Paradox* offers a balanced look at the political diplomatic social and cultural developments of the last century while focusing on the diverse and sometimes contradictory human experiences that characterized this dynamic period Designed with the student in mind this cogent text provides the most up to date analysis available offering insight into the divisive election of 2004 the War on Terror and the Gulf Coast hurricanes Substantive biographies on figures ranging from Samuel Insull to Madonna give students a more personalized view of the men and women who influenced American society over the past hundred years

**A Time of Paradox** Glen Jeansonne, 2006-03-02 In this lively and provocative synthesis distinguished historian Glen Jeansonne explores the people and events that shaped America in the twentieth century Comprehensive in scope *A Time of Paradox* offers a balanced look at the political diplomatic social and cultural developments of the last century while focusing on the diverse and sometimes contradictory human experiences that characterized this dynamic period Designed with the student in mind this cogent text provides the most up to date analysis available offering insight into the divisive election of 2004 the War on Terror and the Gulf Coast hurricanes Substantive biographies on figures ranging from Samuel Insull to Madonna give students a more personalized view of the men and women who influenced American society over the past hundred years

**Hollywood Film 1963-1976** Drew Casper, 2011-03-01 *Hollywood 1963 1976* chronicles the upheaval and innovation that took place in the American film industry during an era of pervasive cultural tumult Exploring the many ideologies embraced by an increasingly diverse Hollywood Casper offers a comprehensive canon covering the period's classics as well as its brilliant but overlooked masterpieces A broad overview and analysis of one of American film's most important and innovative periods Offers a new more expansive take on the accepted canon of the era Includes films expressing ideologies contrary to the misremembered leftist slant Explores and fully contextualizes the dominant genres of the 60s and 70s

[The Ashgate Research Companion to the Korean War](#) Donald W. Boose, 2016-03-23 This essential companion provides a comprehensive study of the literature on the causes course and consequences of the Korean War 1950 1953 Aimed primarily at readers with a special interest in military history and contemporary conflict studies the authors summarize and analyze the key research issues in what for years was known as the Forgotten War The book comprises three main thematic parts each with chapters ranging across a variety of crucial topics covering the background conduct clashes and outcome of the Korean War The first

part sets the historical stage with chapters focusing on the main participants The second part provides details on the tactics equipment and logistics of the belligerents Part III covers the course of the war with each chapter addressing a key stage of the fighting in chronological order The enormous increase in writings on the Korean War during the last thirty years following the release of key primary source documents has revived and energized the interest of scholars This essential reference work not only provides an overview of recent research but also assesses what impact this has had on understanding the war

Edith Wharton in Context Laura Rattray, 2012-10-08 This collection of essays examines the various social cultural and historical contexts surrounding Edith Wharton's popular and prolific literary career **Respectably Catholic and Scientific** Alexander Pavuk, 2021-09-24 Respectfully Catholic and Scientific traces the unexpected manner in which several influential liberal progressive Catholics tried to shape how evolution and birth control were framed and debated in the public square in the era between the World Wars and the unintended consequences of their efforts A small but influential cadre of Catholic priests professionally trained in social sciences Frs John Montgomery Cooper John A Ryan and John A O'Brien gained a hearing from mainline public intellectuals largely by engaging in dialogue on these topics using the lingua franca of the age science to the near exclusion of religious argumentation The Catholics approach was more than just tactical It also derived from the subtle influence of Catholic theological Modernism with its strong enthusiasm for science and from an inclination toward scientism inherited from the Progressive Era's social science milieu All three shared a fervent desire to translate the Catholic ethos as they understood it into the vocabulary of the modern age while circumventing anti-Catholic attitudes in the process However their method resulted in a series of unintended consequences whereby their arguments were not infrequently co-opted and used against both them and the institutional church they served Alexander Pavuk considers the complex role of both liberal religious figures and scientific elites in evolution and birth control discourse and how each contributed in unexpected ways to the reconstruction of those topics in public culture The reconstruction saw the topics themselves shift from matters considered largely within moral frameworks into bodies of knowledge *Annals of Iowa*, 2006

**Press Portrayals of Women Politicians, 1870s-2000s**, Teri Finneman, 2015-11-25 Recent history suggests the United States is within reach of its first woman president This book examines the media experiences of women political pioneers who helped pave the way to the breaking of the glass ceiling It analyzes newspaper treatment of four pioneering politicians between the 1870s and 2000s and explores how media discourse of women politicians has and hasn't changed over 150 years The women featured are Victoria Woodhull the first woman to run for president Jeannette Rankin the first woman elected to Congress Margaret Chase Smith the first woman to receive a presidential nomination at a major party's convention and Sarah Palin the first Republican woman vice-presidential candidate The social political and journalistic cultures of each woman's era are also explored to provide context for the woman's media coverage The findings illustrate that the press has used a variety of discursive strategies to delegitimize the candidacies of women politicians throughout

history which might have contributed to negative voter attitudes toward women in politics Gendered stereotypes gendered news frames and double binds utilized in news coverage served to protect a male dominated status quo Yet a significant finding in Palin s coverage indicates that gender bias in news coverage is increasingly facing criticism suggesting the tide may finally be turning in favor of more equalized discourse

**War on the Silver Screen** Glen Jeansonne, David Luhrssen, 2014-10 Americans have been almost constantly at war since 1917 In addition to two world wars the United States has fought proxy wars propaganda wars and a war on terror among others But even with the constant presence of war in American life much of what Americans remember about those conflicts comes from Hollywood depictions In *War on the Silver Screen* Glen Jeansonne and David Luhrssen vividly demonstrate how war movies have burned the images and impressions of those wars onto the American psyche more concretely than has the reality of the wars themselves That is our feelings about wars are generated less by what we learn through study and discourse than by powerful cinematic images and dialogue Films are compressed intense and immediate and often a collective experience rather than a solitary one Actors and drama provide the visceral impact necessary to form perceptions of history that are much more enduring than those generated by other media or experiences *War on the Silver Screen* draws on more than a century of films and history including classics such as *All Quiet on the Western Front* *Apocalypse Now* and *The Hurt Locker* to examine the legacy of American cinema on twentieth and twenty first century attitudes about war

**The factory in a garden** Helena Chance, 2017-02-28 When we think about Victorian factories Dark Satanic Mills might spring to mind images of blackened buildings and exhausted exploited workers struggling in unhealthy and ungodly conditions But for some employees this image was far from the truth and this is the subject of *The Factory in a Garden* which traces the history of a factory gardens movement from its late eighteenth century beginnings in Britain to its twenty first century equivalent in Google s vegetable gardens at their headquarters in California The book is the first study of its kind examining the development of parks gardens and outdoor leisure facilities for factories in Britain and America as a model for the reshaping of the corporate environment in the twenty first century This is also the first book to give a comprehensive account of the contribution of gardens gardening and recreation to the history of responsible capitalism and ethical working practices

**Time and Space** Daniel A. Tirado-Fabregat, Marc Badia-Miró, Henry Willebald, 2020-11-07 This edited collection examines the evolution of regional inequality in Latin America in the long run The authors support the hypothesis that the current regional disparities are principally the result of a long and complex process in which historical geographical economic institutional and political factors have all worked together Lessons from the past can aid current debates on regional inequalities territorial cohesion and public policies in developing and also developed countries In contrast with European countries Latin American economies largely specialized in commodity exports showed high levels of urbanization and high transports costs both domestic and international This new research provides a new perspective on the economic history of Latin American regions

and offers new insights on how such forces interact in peripheral countries In that sense natural resources differences in climatic conditions industrial backwardness and low population density areas leads us to a new set of questions and tentative answers This book brings together a group of leading American and European economic historians in order to build a new set of data on historical regional GDPs for nine Latin American countries Argentina Bolivia Brazil Chile Colombia Mexico Peru Uruguay and Venezuela This transnational perspective on Latin American economic development process is of interest to researchers students and policy makers

*World War II on Film* David Lührssen, 2020-11-09 *World War II on Film* examines the war through the lens of 12 films The movies selected include productions made during World War II and in each succeeding decade providing a sense of how different generations perceive the war *World War II on Film* provides a succinct yet well grounded appraisal of that war as seen through 12 representative films The book separates fact from fiction showing where the movies were accurate and where they departed from reality and places them in the larger context of historical and social events Each movie chosen represents a particular aspect of the conflict including the air war over Europe the condition of prisoners of war Nazi atrocities and the British evacuation at Dunkirk Unlike most histories of Hollywood during World War II or the genre of war movies *World War II on Film* examines in depth the relation between the depictions of events beliefs attitudes and ways of life as seen on film with reality as documented by historians or recorded by journalists or eyewitnesses to the war The volume will appeal to high school and college readers as well as general interest readers and film buffs

*Elvis Presley, Reluctant Rebel* Glen Jeansonne, David Lührssen, Dan Sokolovic, 2011-02-18 This fresh interpretation explains how an untutored musician changed music while at the same time playing an inadvertent role in the youth rebellion that has shaped the Baby Boomer generation into the 21st century Elvis Aaron Presley was born in a two room house in Tupelo MS on January 8 1935 He died at his Memphis home Graceland on August 16 1977 In those 42 years Elvis made an indelible impression on pop culture the world over *Elvis Presley Reluctant Rebel His Life and Our Times* probes both the man and his influence delving deeply into the personality of its protagonist his needs and motivations and the social and musical forces that shaped his career Elvis's musical talents and liabilities are explored as are his records films and live performances and his relationship with his manager Colonel Tom Parker whom he allowed to manipulate him as a money making machine Readers will learn about Elvis's personal life his devotion to conventional religious and political beliefs and his decline into self destruction and death Finally the book explores Elvis's impact on the musical and racial revolutions of the 1950s and 1960s his legacy and his importance in shaping a generation of Baby Boomers

*100 People Who Changed 20th-Century America* Mary Cross, 2013-01-07 To what extent does a person's own success result in social transformation This book offers 100 answers providing thought provoking examples of how American culture was shaped within a crucial time period by individuals whose lives and ideas were major agents of change *100 People Who Changed 20th Century America* provides a two volume encyclopedia of the individuals whose contributions to society made the 20th century

what it was Comprising contributions from 20 academics and experts in their field the thought provoking essays examine the men and women who have shaped the modern American cultural experience change agents who defined their time period as a result of their talent imagination and enterprise Organized chronologically by the subjects birthdates the essays are written to be accessible to the general reader yet provide in depth information for scholars ensuring that the work will appeal to many audiences Program of the ... Annual Meeting of the American Historical Association American Historical

Association. Meeting, American Historical Association, 2008 Some programs include also the programs of societies meeting concurrently with the association *Walter Lingo, Jim Thorpe, and the Oorang Indians* Chris Willis, 2017-05-05 At the beginning of the Roaring Twenties the NFL was just a footnote within the landscape of American sports The early pro game was played on dirt fields by vagabond athletes who would beat up or punch out their opponent for fifty dollars a game But one team was different than the rest the Oorang Indians Comprised entirely of Native Americans and led by star athlete Jim Thorpe the Oorang Indians were an instant hit in almost every city they visited In *Walter Lingo Jim Thorpe and the Oorang Indians How a Dog Kennel Owner Created the NFL s Most Famous Traveling Team* NFL historian Chris Willis tells the story of this unique and fascinating part of professional football history In 1922 Walter Lingo a dog kennel owner from tiny La Rue Ohio joined forces with Jim Thorpe the country s greatest athlete to create the Oorang Indians Willis recounts how Lingo used the football team the star attraction of player coach Thorpe and the all Native American squad to help advertise his kennel and sell dogs putting the small town of La Rue on the map With the complete cooperation of the Lingo family and unlimited access to family photos and archives *Walter Lingo Jim Thorpe and the Oorang Indians* provides an up close and behind the scenes view into the making of this little known team It is a remarkable story that will be enjoyed by football fans and historians alike *Focus On: 100 Most Popular American Football Running Backs* Wikipedia contributors, **The**

**Vietnam War on Film** David Lührssen, 2019-05-10 *Vietnam War on Film* illustrates how to employ film as a teaching tool It also stands on its own as an account of the war and the major films that have depicted it Even for many people who experienced the Vietnam War first hand memories of that conflict have often been shaped by the popular films that depicted it *The Quiet American* *The Green Berets* *The Deer Hunter* *Coming Home* *Platoon* *Full Metal Jacket* and *Apocalypse Now* among others *Vietnam War on Film* examines how the war is portrayed through a selection of ten iconic films that represent the war through dramatization and storytelling as opposed to through documentary footage The book includes an introduction to the war s history and a timeline of events followed by ten chapters each of which focuses on a specific Vietnam War movie Chapters offer a uniquely detailed level of historical context for the films weighing their depiction of events against the historical record and evaluating how well or how poorly those films reflected the truth and shaped public memory and discourse over the war A final section of resources provides a comprehensive annotated bibliography of print and electronic sources to aid students and teachers in further research *Hammer of the Gods* David Lührssen, 2012-02-01

Public interest in Adolf Hitler and all aspects of the Third Reich continues to grow as new generations ponder the moral questions surrounding Nazi Germany and its historical legacy. One aspect of Nazism that has not received sufficient attention from historians of the Third Reich is the doctrine's origins in the Thule Society and its covert activities. A Munich occult group with a political agenda, the Thule Society was led by Rudolf von Sebottendorff, a German commoner who had been adopted by nobility during a sojourn in the Ottoman Empire. After returning to Europe, Sebottendorff embraced a form of theosophy that stressed the racial superiority of Aryans. The Thule Society attempted to establish an anti-Semitic working-class front for disseminating its esoteric ideas and founded the German Workers Party, which Hitler would later transform into the National Socialist German Workers Party. Several of the society's members eventually assumed prestigious posts in the Third Reich. David Luhrssen has written the first comprehensive study of the society's activities, its cultural roots, and its postwar ramifications in a historical critical context. Both general readers and academics concerned with European cultural and intellectual history will find that *Hammer of the Gods* opens new perspectives on nineteenth and twentieth-century Europe.

Uncover the mysteries within Explore with is enigmatic creation, Discover the Intrigue in **A Time Of Paradox America Since 1890** .
