The Inspired Heart Jerry Wennstrom,2025-09-12 In the late 1970s Jerry Wennstrom was a rising star in the New York art world when he decided that the ultimate creative leap was to destroy his large body of work give away all his possessions and spend the next ten years wandering seeking and listening Wennstrom tells the extraordinary story of his daring exploration into the source of his creativity of a life lived by the singular requirement of Grace to remain fearlessly attuned to the heart

Gurdjieff Was Wrong But His Teaching Works Orest Stocco,2016-02-07 Gurdjieff was wrong but his teaching works is the story of one man s remarkable journey of self discovery which dispels the Gurdjieffian premise that man is not born with an immortal soul With his own quest Orest Stocco illustrates that we are all born with a spark of divine consciousness but not until we take evolution into our own hands which Gurdjieff s teaching helped him to do will we realize our true self

The Pearl of Great Price Orest Stocco,2015-03-05 Stories bear the truth of the human condition and the human condition is the story of our becoming but not until we solve the riddle of our becoming will literature resolve the issue of the human condition This makes literature endlessly fascinating because every writer speaks to their place in the enantiodromic process of man s becoming which Jung called individuation and in their stories they stake out the geography of man s soul whether it be the happy country of one s being the unhappy country of one s non being or that miserable place of being stuck between two countries the no man s land of one s soul Chapter 18 The Dust on a Butterfly s Wings
