The Semantic Salience Hierarchy Model Jingyu Zhang,2007 This empirical study examines the learning problem of the argument structure of psych predicates such as The dog frightens John and the related V ing adjectives such as The dog is frightening to John The problem is theoretically interesting because of the marked nature of the thematic role mapping of these sentences in relation to the principle of the Uniformity of Theta Assignment Hypothesis UTAH The problem is highly relevant to our understanding of second language acquisition as this is known to be a prevalent difficulty among language learners The author has framed the learning problem within a coherent parametric framework drawing on a sophisticated critical review of the syntax semantics literature and theories of L2 development The author has specifically developed a theory the Semantic Salience Hierarchy Model SSHM to explain the learning process The significance of the

model is not confined only to this particular study as the issues related to the L2 acquisition of other causative verbs can also be examined within this model The findings of this study also bear implications to TESOL **The Journal of English Language Teaching (India)**. ,1999 "To Err is Human--" Pia Köhlmyr,2003 **Grammar: A Guide for Teachers and Students** Pasquale De Marco,2025-03-19 Grammar is the foundation of effective communication It allows us to express ourselves clearly and concisely and to understand the messages of others A strong command of grammar is essential for success in school in the workplace and in all areas of life This comprehensive guide to grammar covers all the essential grammar topics from the basics of sentence structure to the more advanced concepts of style and usage Written in a clear and engaging style with plenty of examples and exercises this book is an essential resource for anyone who wants to improve their grammar skills Whether you are a teacher a student or a professional this book will help you to Communicate more effectively and confidently Write with clarity and precision Avoid common grammar mistakes Understand the grammar of different types of writing Teach grammar effectively to students This book is divided into 10 chapters each of which focuses on a different aspect of grammar The chapters cover topics such as The importance of grammar The different approaches to teaching grammar The basics of grammar Teaching grammar in context Teaching grammar for specific purposes Using technology to teach grammar Common grammar mistakes Advanced grammar topics Grammar and style The future of grammar With its comprehensive coverage of grammar topics and its clear and engaging writing style this book is an essential resource for anyone who wants to improve their grammar skills If you like this book write a review Grammar Gurus' Guide Pasquale De Marco, Are you tired of making embarrassing grammar mistakes Do you want to improve your writing skills and communicate more effectively Look no further than Grammar Gurus Guide This comprehensive guide to English grammar will teach you everything you need to know to write and speak with confidence Written in a clear and engaging style Grammar Gurus Guide covers all the essential grammar topics from the basics of sentence structure to the finer points of punctuation You ll learn how to use nouns verbs adjectives and adverbs correctly and you ll discover the secrets of writing clear and concise sentences With Grammar Gurus Guide you ll also learn how to avoid common grammar mistakes such as subject verb agreement errors pronoun misuse and comma splices You ll also find plenty of helpful tips and tricks for improving your writing style and making your words come alive Whether you re a student a professional or simply someone who wants to improve their communication skills Grammar Gurus Guide is the perfect resource for you With its comprehensive coverage of grammar topics and its clear and engaging writing style this book will help you master the art of English grammar and take your writing and speaking skills to the next level What You ll Learn The different parts of speech and how they work together to form sentences How to use verb tenses correctly The secrets of clear and concise writing How to avoid common grammar mistakes Tips and tricks for improving your writing style Get Grammar Gurus Guide today and start your journey to becoming a grammar guru If you like this book write a review **International Journal of**
