help from neo Nazis turning Ukraine into a Russia hating nation The war in Ukraine began that year not in 2022 when Russia attacked in order to protect the Russian speaking regions under attack by the new coup government in Kiev Although this book is primarily about the war in Ukraine it also shows how in one sense the war in Ukraine is simply one more instance in the trajectory of American imperialism as illustrated by previous US interventions in Iran Guatemala Cuba Brazil Greece Dominican Republic Panama and Iraq In another sense this war reveals just how committed America is to maintaining a unipolar world order Because this war illustrates that America is willing to threaten nuclear holocaust it is almost as if people in the U S State Department and military believe that life is not worth living unless the US can control the world
