A Series of Lessons in Gnani Yoga (a Timeless Classic) Yogi Ramacharaka,2016-11-03 Each branch of Yoga is but a path leading toward the one end unfoldment development and growth He who wishes first to develop control and strengthen his physical body so as to render it a fit instrument of the Higher Self follows the path of Hatha Yoga He who would develop his will power and mental faculties unfolding the inner senses and latent powers follows the path of Raja Yoga He who wishes to develop by knowing by studying the fundamental principles and the wonderful truths underlying Life follows the path of Gnani Yoga And he who wishes to grow into a union with the One Life by the influence of Love he follows the path of Bhakti Yoga

A Series of Lessons in Gnani Yoga (the Yoga of Wisdom) William Atkinson,Yogi Ramacharaka,2017-07-30 Excerpt THE LAW OF KARMA Karma is a Sanscrit term for that great Law known to Western thinkers as Spiritual Cause and Effect or Causation It relates to the complicated affinities for either good or evil that have been acquired by the soul throughout its many incarnations These affinities manifest as characteristics enduring from one incarnation to another being added to here softened or altered there but always pressing forward for expression and manifestation And so it follows that what each one of us is in this life depends upon is what we

have been and how we have acted in our past lives Throughout the operations of the Law of Karma the manifestation of Perfect Justice is apparent We are not punished for our sins as the current beliefs have it but instead we are punished by our sins We are not rewarded for our good acts but we received our reward through and by characteristics qualities affinities etc acquired by reason of our having performed these good acts in previous lives We are our own judges and executioners In our present lives we are storing up good or bad Karma which will stick to us closely and which will demand expression and manifestation in lives to come When we fasten around ourselves the evil of bad Karma we have taken to shelter a monster which will gnaw into our very vitals until we shake him off by developing opposite qualities And when we draw to ourselves the good Karma of Duty well performed kindness well expressed and Good Deeds freely performed without hope of reward then do we weave for ourselves the beautiful garments which we are destined to wear upon the occasion of our future lives The Yogi Teachings relating to the Law of Karma do not teach us that Sin is an offense against the Power which brought us into being so much as it is an offense against ourselves We cannot injure the Absolute nor harm It in any way But we may harm each other and in so doing harm ourselves The Yogis teach that Sin is largely a matter of ignorance and misunderstanding of our true nature and that the lesson must be well learned until we are able to see the folly and error of our former course and thus are able to remedy our past errors and to avoid their recurrence By Karma the effects arising from our sins cling to us until we become sick and weary of them and seek their cause in our hearts When we have discovered the evil cause of these effects we learn to hate it and tear it from us as a foul thing and are thence evermore relieved of it
