The Strange Case of Ermine de Reims Renate Blumenfeld-Kosinski, 2015-06-05 In 1384 a poor and illiterate peasant woman named Ermine moved to the city of Reims with her elderly husband Her era was troubled by war plague and schism within the Catholic Church and Ermine could easily have slipped unobserved through the cracks of history After the loss of her husband however things took a remarkable but frightening turn For the last ten months of her life Ermine was tormented by nightly visions of angels and demons In her nocturnal terrors she was attacked by animals beaten and kidnapped by devils in disguise and exposed to carnal spectacles on other nights she was blessed by saints even visited by the Virgin Mary She confessed these strange occurrences to an Augustinian friar known as Jean le Graveur who

recorded them all in vivid detail Was Ermine a saint in the making an impostor an incipient witch or a madwoman Renate Blumenfeld Kosinski ponders answers to these questions in the historical and theological context of this troubled woman s experiences With empathy and acuity Blumenfeld Kosinski examines Ermine s life in fourteenth century Reims her relationship with her confessor her ascetic and devotional practices and her reported encounters with heavenly and hellish beings Supplemented by translated excerpts from Jean s account The Strange Case of Ermine de Reims brings to life an episode that helped precipitate one of the major clerical controversies of late medieval Europe revealing surprising truths about the era s conceptions of piety and possession
