Leyburn

A Social History Of The Scotch Irish

Grady McWhiney

A Social History Of The Scotch Irish:

The Scotch-Irish James G. Leyburn, 2009-11-15 Dispelling much of what he terms the mythology of the Scotch Irish James Leyburn provides an absorbing account of their heritage He discusses their life in Scotland when the essentials of their character and culture were shaped their removal to Northern Ireland and the action of their residence in that region upon their outlook on life and their successive migrations to America where they settled especially in the back country of Pennsylvania Virginia the Carolinas and Georgia and then after the Revolutionary War were in the van of pioneers to the west

A Social History of the Scotch-Irish Carlton Jackson, 1999-08-12 Beginning with the origins of their population in the seventeenth and eighteenth centuries the author traces the Scotch Irish development from Lowland Scotland to Northern Ireland to the American colonies Arriving in the East the Scotch Irish were characterized by other colonists as being fiery tempered stubborn hard drinking and very religious and they quickly made lasting impressions Though the Scotch Irish were in the minority they managed to impact history Most notably they introduced the appeals system and the checks and balances system

The Scotch-Irish James Graham Leyburn, 1978 **The Columbia Guide to Irish American History** Timothy J. Meagher, 2005-09-14 Once seen as threats to mainstream society Irish Americans have become an integral part of the American story More than 40 million Americans claim Irish descent and the culture and traditions of Ireland and Irish Americans have left an indelible mark on U S society Timothy J Meagher fuses an overview of Irish American history with an analysis of historians debates an annotated bibliography a chronology of critical events and a glossary discussing crucial individuals organizations and dates He addresses a range of key issues in Irish American history from the first Irish settlements in the seventeenth century through the famine years in the nineteenth century to the volatility of 1960s America and beyond The result is a definitive guide to understanding the complexities and paradoxes that have defined the Irish American experience Throughout the work Meagher invokes comparisons to Irish experiences in Canada Britain and Australia to challenge common perceptions of Irish American history He examines the shifting patterns of Irish migration discusses the role of the Catholic church in the Irish immigrant experience and considers the Irish American influence in U S politics and modern urban popular culture Meagher pays special attention to Irish American families and the roles of men and women the emergence of the Irish as a governing class in American politics the paradox of their combination of fervent American patriotism and passionate Irish nationalism and their complex and sometimes tragic relations with African and Asian Americans

Three Dobbins Generations at Frontiers Robert Z. Callahan, James F. McConnell, 2012-01-01 James Dobbins b 1740 Ireland story begins in Augusta Co Va James and Elizabeth Stephenson Dobbins spent their formative years were married and began their family Their sons Robert Boyd and John were b 1783 85 The family migrated to Abbeville Pendleton SC James Elizabeth had seven children Four daughters and their husbands were Mary w John H Morris emigrated to Franklin Co TN Elizabeth w George H Hillhouse emig to Giles Co Lawrence Co TN Sarah w Hugh F Callahan emig to St

Clair Co Ala Jane w George Liddell emig to Noxubee Co Winston Co MS Their last born James Jr b 1790 died young at home They their spouses families were Scotch Irish settlers in backcountry of SC Ten families representing two generations were pioneers and products of history geography and culture of frontiers in SC Six children migrated west north south to new frontiers Grandchildren of James Elizabeth became the third Dobbins generation at farther frontiers The Scotch-Irish Ron Chepesiuk,2005-04-15 The Scotch Irish began emigrating to Northern Ireland from Scotland in the seventeenth century to form the Ulster Plantation In the next century these Scottish Presbyterians migrated to the Western Hemisphere in search of a better life Except for the English the Scotch Irish were the largest ethnic group to come to the New World during the eighteenth century By the time of the American Revolution there were an estimated 250 000 Scotch Irish in the colonies about a tenth of the population Twelve U S presidents can trace their lineage to the Scotch Irish This work discusses the life of the Scotch Irish in Ireland their treatment by their English overlords the reasons for emigration to America the settlement patterns in the New World the movement westward across America life on the colonial frontier Scotch Irish contributions to America s development and sites of Scotch Irish interest in the north of Ireland Scotch Irish Foodways in America M. M. Drymon,2009-11-26 The year 2018 will mark the three hundredth anniversary of the first winter spent at Casco Bay in Maine by some of the earliest members of the final wave of the English Diaspora to America that of the Ulster and Border Scots English people from Northern Britain Scotch Irish Foodways celebrates the traditional Scotch Irish diet and explains how it was transformed while changing America itself The recipes in this book have been derived from historic sources cookbooks and carefully treasured recipes obtained from food historians family members and friends **Hard Neighbors** Colin G Calloway,John Kimble Jr 1943 Professor of History and Professor of Native American and Indigenous Studies Colin G Calloway,2024-12-02 Colin Calloway offers an intricate portrait of the early American settlers who came to be known as Scotch Irish from their origins on borderlands on one side of the Atlantic to their crucial part in conquering borderlands on the other Hard neighbors as they were called the Scotch Irish were the tip of the spear of white colonial expansion into Indian lands earning a reputation first as Indian killers and then as embodiments of the American pioneer spirit **Play Me Something Quick and Devilish** Howard Wight Marshall,2013-01-01 Play Me Something Quick and Devilish explores the heritage of traditional fiddle music in Missouri Howard Wight Marshall considers the place of homemade music in people s lives across social and ethnic communities from the late 1700s to the World War I years and into the early 1920s This exceptionally important and complex period provided the foundations in history and settlement for the evolution of today s old time fiddling Beginning with the French villages on the Mississippi River Marshall leads us chronologically through the settlement of the state and how these communities established our cultural heritage Other core populations include the Old Stock Americans primarily Scotch Irish from Kentucky Tennessee North Carolina and Virginia African Americans German speaking immigrants people with American Indian ancestry focusing on Cherokee families dating from the Trail of Tears in

the 1830s and Irish railroad workers in the post Civil War period These are the primary communities whose fiddle and dance traditions came together on the Missouri frontier to cultivate the bounty of old time fiddling enjoyed today Marshall also investigates themes in the continuing evolution of fiddle traditions These themes include the use of the violin in Westward migration in the Civil War years and in the railroad boom that changed history Of course musical tastes shift over time and the rise of music literacy in the late Victorian period as evidenced by the brass band movement and immigrant music teachers in small towns affected fiddling The contributions of music publishing as well as the surprising importance of ragtime and early jazz also had profound effects Much of the old time fiddlers repertory arises not from the inherited reels jigs and hornpipes from the British Isles nor from the waltzes schottisches and polkas from the Continent but from the prolific pens of Tin Pan Alley Marshall also examines regional styles in Missouri fiddling and comments on the future of this time honored and changing tradition Documentary in nature this social history draws on various academic disciplines and oral histories recorded in Marshall s forty some years of research and field experience Historians music aficionados and lay people interested in Missouri folk heritage as well as fiddlers of course will find *Play Me Something Quick and Devilish* an entertaining and enlightening read With 39 tunes the enclosed Voyager Records companion CD includes a historic sampler of Missouri fiddlers and styles from 1955 to 2012 A media kit is available here press.umsystem.edu/pages/PlayMeSomethingQuickandDevilish.aspx

The Oxford Handbook of Modern Irish History Alvin Jackson,2014-03
Draws from a wide range of disciplines to bring together 36 leading scholars writing about 400 years of modern Irish history

Shays's Rebellion Leonard L. Richards,2003-08-05 Shays and his army of 4 000 rebels so shocked the young nation s governing elite even drawing the retired General George Washington back into the service of his country that ultimately the Articles of Confederation were discarded in favor of a new constitution the very document that has guided the nation for more than 200 years and brought closure to the American Revolution [Ulster Presbyterians and the Scots Irish Diaspora, 1750-1764](#) B. Bankhurst,2013-11-25 Bankhurst examines how news regarding the violent struggle to control the borderlands of British North America between 1740 and 1760 resonated among communities in Ireland with familial links to the colonies This work considers how intense Irish press coverage and American fundraising drives in Ireland produced empathy among Ulster Presbyterians *The Irish Diaspora* Andrew Bielenberg,2014-05-12 This book brings together a series of articles which provide an overview of the Irish Diaspora from a global perspective It combines a series of survey articles on the major destinations of the Diaspora the USA Britian and the British Empire On each of these there is a number of more specialist articles by historians demographers economists sociologists and geographers The inter disciplinary approach of the book with a strong historical and modern focus provides the first comprehensive survey of the topic *The Routledge History of Irish America* Cian T. McMahon,Kathleen P. Costello-Sullivan,2024-07-23 This volume gathers over 40 world class scholars to explore the dynamics that have shaped the Irish experience in America from the seventeenth to the twenty first centuries

From the early 1600s to the present over 10 million Irish people emigrated to various points around the globe. Of them more than six million settled in what we now call the United States of America. Some were emigrants, some were exiles, and some were refugees, but they all brought with them habits, ideas, and beliefs from Ireland which played a role in shaping their new home. Organized chronologically, the chapters in this volume offer a cogent blend of historical perspectives from the pens of some of the world's leading scholars. Each section explores multiple themes including gender, race, identity, class, work, religion, and politics. This book also offers essays that examine the literary and/or artistic production of each era. These studies investigate not only how Irish America saw itself or in turn was seen, but also how the historical moment influenced cultural representation. It demonstrates the ways in which Irish Americans have connected with other groups such as African Americans and Native Americans and sets Irish America in the context of the global Irish diaspora. This book will be of value to undergraduate and graduate students as well as instructors and scholars interested in American History, Immigration History, Irish Studies, and Ethnic Studies more broadly.

New Perspectives on the Irish Diaspora Charles Fanning, 2000

In *New Perspectives on the Irish Diaspora*, Charles Fanning incorporates eighteen fresh perspectives on the Irish diaspora over three centuries and around the globe. He enlists scholarly tools from the disciplines of history, sociology, literary criticism, folklore, and culture studies to present a collection of writings about the Irish diaspora of great variety and depth.

Familia 2004 Trevor Parkhill, 2004

Familia, which was first published in 1985, aims to provide informed writing on sources and case studies relating to that area where Irish history and genealogy overlap with mutual benefit. Members of the Foundation's Guild receive *Familia* and the *Directory of Irish Family History Research* as part of the return on their annual subscription.

Cracker Culture Grady McWhiney, 1988

A study of social life in the Old South which attempts to account for the differences between the South and the North by looking to the Celtic ancestry of many of the Southern settlers.

Consuming St. Patrick's Day Dominic Bryan, Jonathan Skinner, 2015-10-05

There is probably no national day that has such global popularity as St. Patrick's Day. On St. Patrick's Day, it is reputed that everyone is Irish. What are the factors and factions that give the day such popular appeal? Is St. Patrick's Day the same around the world in Japan, Northern Ireland, and Montserrat as it is in the Republic of Ireland and the United States? Just how does Irishness figure in the celebration and commemoration of St. Patrick's Day, and how has this day been commoditized, consumed, and contested? Does St. Patrick's Day belong to the people, the nation, or the brewery? This edited volume brings together the best St. Patrick's Day and Irish Studies scholars from the fields of history, anthropology, sociology, Irish studies, diaspora studies, and cultural studies. The volume thematically explores how St. Patrick's Day has been consumed from the symbolic to the literal, the religious to the political. By doing so, it offers a fresh examination of its importance in contemporary society. This volume will thus appeal to undergraduate and postgraduate students of Irish diaspora studies and Irish historians and scholars, as well as to anthropology, sociology, and cultural studies students interested in exploring St. Patrick's Day as a case study of globalization.

migration and commoditization **The Genevan Reformation and the American Founding** David W. Hall, 2005-01-01 In this provocative study David W Hall argues that the American founders were more greatly influenced by Calvinism than contemporary scholars and perhaps even the founders themselves have understood Calvinism's insistence on human rulers' tendency to err played a significant role in the founders' prescription of limited government and fed the distinctly American philosophy in which political freedom for citizens is held as the highest value Hall's timely work countervails many scholars' doubt in the intellectual efficacy of religion by showing that religious teachings have led to such progressive ideals as American democracy and freedom Making the Irish American J.J. Lee, Marion R. Casey, 2007-03 Explores the history of the Irish in America offering an overview of Irish history immigration to the United States and the transition of the Irish from the working class to all levels of society

A Social History Of The Scotch Irish Book Review: Unveiling the Magic of Language
