**A Time to Speak** Robert H. Bork, 2023-08-22 Since at least 1971 when he published a seminal article on constitutional interpretation in the *Indiana Law Journal* Robert Bork has been the legal and moral conscience of America reminding us of our founding principles and their cultural foundation The scourge of liberal ideologues both before and after Ronald Reagan nominated him for the Supreme Court in 1987 Bork has for fifty years unwaveringly exposed and explained the hypocrisy and dereliction of duty endemic among our nation's elites the politicization and adversary activism of our courts and the consequent degradation of American society Now for the first time Judge Bork has gathered together his most important and prophetic writings in *A Time to Speak* including a foreword and commentary by the author The volume includes more than sixty vintage Bork contributions on topics ranging from President Nixon to St Thomas More from abortion to antitrust policy and from civil liberties to natural law It also includes several of his judicial opinions and transcribed oral arguments *A Time to Speak* is an indispensable book for all who have harkened to the truths spoken so forthrightly in season and out by this great American original *Current Publications in Legal and Related Fields*, 2009 *Conscience and Its Enemies* Robert P.

George, 2016-03-29 Many in elite circles yield to the temptation to believe that anyone who disagrees with them is a bigot or a religious fundamentalist Reason and science they confidently believe are on their side With this book I aim to expose the emptiness of that belief From the introduction Assaults on religious liberty and traditional morality are growing fiercer Here at last is the counterattack Showcasing the talents that have made him one of America's most acclaimed and influential thinkers Robert P George explodes the myth that the secular elite represents the voice of reason In fact George shows it is on the elite side of the cultural divide where the prevailing views frequently are nothing but articles of faith *Conscience and Its Enemies* reveals the bankruptcy of these too often smugly held orthodoxies while presenting powerfully reasoned arguments for classical virtues

**The Just War Tradition** J. Daryl Charles, David D. Corey, 2014-03-11 Politicians pundits and scholars have cited the principles of just war to defend military actions from Iraq to Afghanistan to Libya Other politicians pundits and scholars have cited just war principles to condemn those same military interventions How can the same tradition lead to such sharply opposing conclusions What is the just war tradition and why is it important today Authors David D Corey and J Daryl Charles answer those questions in this insightful exploration A fascinating blend of history theology and political philosophy *The Just War Tradition An Introduction* traces the development of the tradition from its inception nearly two millennia ago Corey and Charles illuminate how the various voices within the tradition from Augustine and Aquinas to Luther and Calvin to Suarez and Locke up to present day commentators relate to one another and to rival ways of understanding war and peace

**Living Constitution, Dying Faith** Bradley C. S. Watson, 2009 In *Living Constitution Dying Faith* political scientist and legal historian Bradley Watson examines how the contemporary embrace of the living Constitution has arisen from the radical transformation of American political thought This transformation brought about in the late nineteenth century by the

philosophies of social Darwinism and pragmatism explains how and why contemporary jurisprudence is so alien to the constitutionalism of the American Founders To understand why today's courts rule the way they do one must start with the ideas exposed by and explained in Watson's timely tome Today's view rooted in progressivism is not simply that we have an interpretable Constitution but that we have a Constitution which must be interpreted in light of historically situated continually evolving notions of the individual the state and society This modern historical approach has been embraced by the judicial appointees of both Democratic and Republican presidents by both liberals and conservatives for a century or more Living Constitution Dying Faith shows how such an approach has directly undermined Americans' faith in a limited Constitution as well as their faith in the eternal verities *Library Journal*, 2008 Michael Oakeshott Selected Writings Collection Michael Oakeshott, 2014-08-26 A collection of 6 volumes of Oakeshott's work Notebooks 1922-86 Early Political Writings 1925-30 The Concept of a Philosophical Jurisprudence Vocabulary of a Modern European State Lectures in the History of Political Thought and What is History *The Writers Directory*, 2013 **American Values and Habitat**, 1976
