A Vindication of the Rights of Woman Mary Wollstonecraft, 2019-11-12 It would be an endless task to trace the variety of meannesses cares and sorrows into which women are plunged by the prevailing opinion that they were created rather to feel than reason and that all the power they obtain must be obtained by their charms and weakness Mary Wollstonecraft Composed in 1790 Mary Wollstonecraft's seminal feminist tract *A Vindication of the Rights of Woman* broke new ground in its demand for women's education *A Vindication* remains one of history's most important and elegant manifestos against sexual oppression In her introduction renowned socialist feminist Sheila Rowbotham casts Wollstonecraft's life and work in a radical new light

A Vindication of the Rights of Woman (Annotated) Mary Wollstonecraft, 2020-01-25 Differentiated book It has a historical context with research of the time Mary Wollstonecraft Vindication of women's rights with strictures of Politics and Moral Subjects is considered by many as the manifesto of feminism and one of the first written expressions of feminist ideas Although others before Wollstonecraft had written about the need for women's rights A vindication of women's rights as the work is best known is the first comprehensive statement about the need to educate women and treatises Philosophical about the nature of gender differences Like many essays of the late eighteenth century this text may seem to later readers to wander and repeat ideas when the point has already been made Wollstonecraft is expressing new and radical concepts that shocked many and were related to the ideas that fueled the French Revolution an event that frightened the English government so much that it suspended most political and civil liberties during this time Wollstonecraft repetitions and careful logic sometimes exaggerated can be explained as the natural reflection of anyone who introduces revolutionary notions into a culture Wollstonecraft's main concern is the education of women A vindication of women's rights is in large part a refutation of the ideas of Jean Jacques Rousseau expressed mainly in his book *Emile* or De l'education 1762 *Emilius and Sophia* Or A New System of Education 1762 1763
