A Voice From the South Anna Julia Cooper, 1888-04-14 Considered one of the original texts foretelling the Black feminist movement this collection of essays first published in 1892 offers an unparalleled view into the thought of Black women writers in nineteenth century America A leading Black spokeswoman of her time Anna Julia Cooper came of age during a conservative wave in the Black community a time when men completely dominated African American intellectual and political ideas In these essays Cooper criticizes Black men for securing higher education for themselves through the ministry while erecting roadblocks to deny women access to those same opportunities and denounces the elitism and provinciality of the White women s movement Passionately committed to women s independence Cooper espoused higher education as the essential key to ending women s physical emotional and economic dependence on men **A Voice From the South**

(Classic Reprint) Anna Julia Cooper, 2018-01-12 Excerpt from *A Voice From the South* It is because I believe the American people to be conscientiously committed to a fair trial and ungarbled evidence and because I feel it essential to a perfect understanding and an equitable verdict that truth from each stand point be presented at the bar that this little voice has been added to the already full chorus The other side has not been represented by one who lives there And not many can more sensibly realize and more accurately tell the weight and the fret of the long dull pain than the open eyed but hitherto voiceless Black Woman of America About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Southern Practitioner**, 1893 *A Voice*
