Feel Good Every Day Mikael Von Matérn,2015-03-19 After a few hectic but wonderful years I woke up in a hospital close to my hometown in Sweden What had happened Only yesterday I

felt like a champion Maybe it was my eagerness to explore the world around me that had put me here Or maybe it was my fear of missing out on some potentially rewarding experience Maybe I had been just a little bit too eager trying to make my dreams come true or could my brush with death simply be a case of bad luck There was a severe inflammation in my brain which at times made it hard for me even to recognize my loved ones To me questions like 2 2 seemed more fitting for a rocket scientist The doctors were deeply concerned and told me that my prognosis was very uncertain Things certainly looked bleak but surviving this whole ordeal was still in the cards At the time it made more sense to me to simply see my situation as a case of bad luck Nonetheless six months later and completely recovered I realized that this was the result of something completely different My love for life and my desire to experience as much as possible had blocked my inner signals It was like an inner voice telling me to Relax Don t try to do everything at once Stop and smell the roses Unfortunately I ignored this worried voice that was trying to look out for me As I took my first stumbling steps leaving the hospital I can still clearly remember how alert my senses truly were Children s laughter made me feel all warm inside The simple beauty of the sky shifting color made me stop all of a sudden in awe Smelling the first spring flowers gave me goose bumps The taste of fresh air being sucked into my lungs made me feel deeply relaxed and the sensation of once again experiencing life made me somewhat euphoric I was completely present in the moment and my senses were shaper than ever before This was the beginning of a new journey for me I started to examine exactly what is needed to create the best possible conditions for feeling good and how we are to create the best possible lives for ourselves Eight years later I have now compiled my research and theories in this book My research has led me to conclude that it is possible for each and every one of us to feel good every day throughout our whole lives *One Good Word a Day* Kristin Demery,Kendra Roehl,Julie Fisk,2021-10 If you were to pick one word for the year what would it be Invite Abide Balance Simplify Every January many of us proclaim our word for the year choosing something inspiring that will help us set our intention for the coming months But what would happen if rather than choosing one word for an entire year because let s face it some of us forget by March we focused on one good word each day one thought provoking spiritually relevant and encouraging word that reveals the many lovely and delightful truths of who Jesus is in our lives One Good Word a Day by the creators of the online community The Ruth Experience offers simple but deeply spiritual meditations that will help readers linger on one word each day so they can identify and reflect on how Jesus as the Word influences their daily lives Jesus is more than one word He offers us abundance hope peace kindness courage mercy and so much more One Good Word a Day reminds readers that in Christ we find all we need to live encouraged and uplifted every day *The Dramatic and Poetical Works* Robert Greene,George Peele,1861

The Messiah Seed Story Waters,2004-12 By empowering readers to release the limiting beliefs in which they have become caged this powerful handbook reveals the self as being that which chooses a unique unlimited self determining expression *The Good, the True, the Beautiful* Mark J. Boone,Rose M. Cothren,Kevin C. Neece,Jaclyn S.

Parrish, 2021-02-19 Dr David K Naugle is widely regarded as a leading thinker in the area of Christian worldview formation. As Distinguished University Professor Emeritus at Dallas Baptist University, he has drawn accolades and admiration. This collection in his honor demonstrates that intellectual pursuits are inherently spiritual, that no area of life is separate from the lordship of Christ, and that true Christian faith is in fact the deep fulfillment of the human experience. On topics ranging from linguistics to gardening and everything in between, these essays represent the depth and breadth of the idea that all goodness is God's goodness, all truth is God's truth, and all beauty is God's beauty.
