Johnson,2006-02-15 For BJ Johnson growing up in the heat of Augusta Georgia wasn t easy Raised by a cautious great grandmother in a shotgun house with the windows nailed shut BJ was usually isolated from the other kids He had his fun though A life long music lover BJ recorded songs from the radio and dreamed of becoming a deejay And he often went fishing with his favorite aunt who lived next door It was Sophie that jumped in and rescued BJ when he fell into the lake She also protected him from neighborhood bullies Everyone knew Sophie didn t put up with nonsense As BJ got older though he began to realize his aunt s behavior wasn t entirely normal When his great grandmother died just weeks after his high school graduation BJ knew he needed to go to New York to be with his mother brother and sister But Sophie had other plans She blamed BJ for his great grandmother s death so that his family would be afraid of him Then she terrorized BJ into supporting her financially for the next 13 years using her accusations and psychic warnings to keep him under her domination A Young Man s Living Nightmare is more than a story of domestic violence It s also a story full of hope Read it to find out how psychological hostages are created But more be inspired as BJ s will to live a life of his own rises up and sets him free
