A Story Of Like A Decidedly Unromantic Romance Novel:

Problem Novels Anna Maria Jones, 2007 In *Problem Novels* Anna Maria Jones argues that far from participating invisibly in disciplinary regimes many Victorian novels articulate sophisticated theories about the role of the novel in the formation of the self In fact it is rare to find a Victorian novel in which questions about the danger or utility of novel reading are not embedded within the narrative In other words one of the stories that the Victorian novel tells over and over again is the story of what novels do to readers This story occurs in moments that call attention to the reader's engagement with the text In chapters on Wilkie Collins Anthony Trollope and George Meredith Jones examines problem novels that is novels that both narrate and invite problematic reading as part of their theorizing of cultural production *Problem Novels* demonstrates that these works posit a culturally embedded sensationally susceptible reader and at the same time present a methodology for critical engagement with cultural texts Thus the novels theorize paradoxically a reader who is both unconsciously interpellated and critically empowered And Jones argues it is this paradoxical construction of the unconscious critical subject that re-emerges in the theoretical paradigms of Victorian cultural studies scholarship Indeed as *Problem Novels* shows Victorianists' attachments to critical detective work closely resemble the sensational attachments that we assume shaped Victorian novel readers

Fearless Vulgarly Ken Feil, 2022-11-29 The enduring queer feminist engagement with Valley of the Dolls author Jacqueline Susann's camp comedy legacy Catalyzed by her notoriously dirty fabulously successful bestseller Valley of the Dolls the Jackie Susann Sixties brimmed with camp comedy that now permeates contemporary celebrations of the author from Pee-wee's Playhouse to RuPaul's Drag Race and Lee Daniels's *Star* First christened camp by Gloria Steinem in an excoriating review of Valley of the Dolls and compounded by the publishing juggernauts *The Love Machine* 1969 *Once Is Not Enough* 1973 and *Dolores* 1976 the comedy of Jackie Susann illuminated conflicting positions about gender sexuality and aesthetic value Through a writing formula that Ken Feil calls sleazy realism Susann veers from gossip to confession and devises comedies of bad manners spun from real celebrities whose occasionally queer and always outré antics clashed with their official personas the popular genres they were famous for and the narrow normative constructions of identity and reality shaped by the culture industry Susann's promotional appearances led to another comedy of bad manners this one populated with critics alternately horrified and

delighted by an upstart woman vulgarian barging into the male literary firmament and which continues to inspire fascination for the author her novels and their legendarily bad film adaptations Putting Everyday Life on the Page Marc Levitt,2009 Show your students how to write and love it Primary and middle school students often struggle with how to choose and develop topics in their writing This engaging light hearted book offers a wealth of easily implemented ideas and activities to encourage a culture of writing and inspire students to draw effectively from their own diverse and rich experiences The author illustrates how teachers can engage students observational and sensory intelligence and help them write about what is meaningful to them Chapter topics include Beginnings Sequential thinking and narrative Observation and description Characters Use of Place Endings **Politics, Desire, and the Hollywood Novel** Chip Rhodes,2008-09 The story of what happens when a serious writer goes to Hollywood has become a cliché the writer is paid well but underappreciated treated like a factory worker and forced to write bad formulaic movies Most fail become cynical drink to excess and at some point write a bitter novel that attacks the film industry in the name of high art Like many too familiar stories this one neither holds up to the facts nor helps us understand Hollywood novels Instead Chip Rhodes argues these novels tell us a great deal about the ways that Hollywood has shaped both the American political landscape and American definitions of romance and desire Rhodes considers how novels about the film industry changed between the studio era of the 1930s and 1940s and the era of deregulated film making that has existed since the 1960s He asserts that Americans are now driven by cultural rather than class differences and that our mainstream notion of love has gone from repressed desire to abnormal desire to finally strictly business *Politics Desire and the Hollywood Novel* pays close attention to six authors Nathanael West Raymond Chandler Budd Schulberg Joan Didion Bruce Wagner and Elmore Leonard who have toiled in the film industry and written to tell about it More specifically Rhodes considers both screenplays and novels with an eye toward the different formulations of sexuality art and ultimately political action that exist in these two kinds of storytelling *Travel and Modernist Literature* Alexandra Peat,2012-03-28 Through close readings of works from Henry James to W E B Du Bois and from Virginia Woolf to Jean Rhys this book discusses how fictional travelers negotiate and adapt various tropes of travel such as quest expatriation displacement and exile as models for their own journeys Specifically Peat considers the ethical dimensions of modernist travel from two distinct vantages The first focuses on the relationship between the secular and the sacred in modernist travel literature arguing that the recurrent narrative of secular travel is haunted by a desire for spiritual transcendence The second posits modernist travel fiction as a potentially positive example of transcultural relations consciously arguing against the received notion that travel during an imperial era is always by nature itself imperialist Throughout particular attention is paid to the transnational nature of modernism and the various global flows traced by modernist literature *The Codebreaker's Daughter* Amy Lynn Green,2025-06-17 Readers will thrill in peering behind the curtain of US based intelligence during the world wars ERIKA ROBUCK bestselling author In the heart of the US capital Dinah Kendall's role for

the Office of Strategic Services isn't the thrilling espionage career she dreamed of. Instead she spends her days crafting rumors aimed at undermining Axis morale. As Dinah navigates her duties she uncovers a startling revelation. Her mother Lillian was once a codebreaker cracking military ciphers during the Great War alongside some of the nation's most brilliant minds. The deeper Dinah dives into her mother's past the more secrets come to light including the heavy cost of high stakes codebreaking. Lillian though resolute in her decision to avoid war work reluctantly enters the fray when old friends in Washington DC seek her expertise. Both mother and daughter find themselves working behind the scenes and working together to support the Allied cause. But just when Dinah begins to excel in her new position everything she's worked so hard to obtain comes crashing down around her. Driving Home Barbara Belyea, Estelle Dansereau, 2006-01-01. This lively and diverse bilingual collection of essays by writers and critics examines contemporary Canadian literary arts. The perspectives range from highly personal and introspective to scholarly and objective yet each adds significantly to an understanding of the dialogue between writers and readers. Proceedings from a workshop held at the Calgary Institute for the Humanities during the summer of 1982, the volume includes such contributors as E. D. Blodgett, Jacques Brault, Richard Giguère, D. G. Jones, Myrna Kostash, Peter Stevens, Aritha van Herk and Christopher Wiseman. The collection will naturally be of interest to any student of Canadian literature but the essays also forcefully address both explicitly and implicitly the question of a nationalism of the arts, an issue of great importance to performers and critics in many fields.
